## **Far Corner A Personal View Of The Pacific Northwest:**

*Far Corner, a Personal View of the Pacific Northwest* Stewart H. Holbrook, 1973 *Far Corner* Stewart H. Holbrook, 1987-09 **The Far Corner** John Daniel, 2009-03-02 John Daniel writes from the ground he walks on and the landscape he inhabits in the northwest corner of America spinning narratives that seek to discover how he belongs to the land and to the wholeness of life itself He takes his readers to beaches old growth forests sagebrush steppe lands and deep river canyons wild places and places scarred by human exploitation and leads us too through inner terrains where he explores mortality creativity and spirituality Both lyrical and informative these essays are diverse in focus various in length and inventive in form one is constructed as a journal two as linear montages By turns playful awed cantankerous and tender in tone they deliver themselves in a style of high informality welcoming readers to join the author as he journeys through some of the puzzlements sadnesses and small glories of living This collection extends John Daniel s earlier work *The Trail Home* in the personal essay form [The Secular Northwest](#) Tina Block, 2016-07-22 The image of a rough frontier where working men were tempted away from church on Sundays by more profane concerns was perpetuated by postwar church leaders who decried the decline of religious involvement In this pioneering book Tina Block debunks the myth of a godless frontier revealing a Pacific Northwest that consciously rejected the trappings of organized religion but not necessarily spirituality and not necessarily God Secularism was not only the domain of the working man women families and middle class communities all helped to shape the region s secular identity But rejection of religion led to family gender and class tensions Drawing on oral histories census data newspapers and archival sources Block explores the dynamics of Northwest secularity grounded in the cultural permeability of the Canada United States border the independent spirit of those who called the region home and their openness to secular ways of experiencing the world **In the Wake of the Frontier** Ruth E. Vincent, 2005-12 A memoir of three years spent on Afognak Island in The Alaskan Territory during the 1950s *Reading Portland* John Trombold, Peter Donahue, 2017-08-24 *Reading Portland* is a literary exploration of the city s past and present In over eighty selections Portland is revealed through histories memoirs autobiographies short stories novels and news reports This single volume gives voice to women and men the colonizers and the colonized white Hispanic African American Asian American and Indian storytellers and lower middle and upper classes In his introduction John Trombold considers the history of writing about a place that has nourished a provocative and errant literary tradition for over 150 years In the preface Peter Donahue considers the influence of region particularly Portland s urbanity and its hybrid population on literature Included here are the voices of Carl Abbott Kathryn Hall Bogle Beverly Cleary Robin Cody Lawson Fusao Inada Rudyard Kipling Ursula K Le Guin Joaquin Miller Sandy Polishuk Gary Snyder Kim Stafford Elizabeth Woody and many more [Utopias on Puget Sound, 1885-1915](#) Charles Pierce LeWarne, 2002-07-01 Postmaster General James A Farley s famous toast to the forty seven states and the soviet of Washington introduces and sets the tone for this study of Washington State radicalism The

state's colorful reputation for radical movements was established in the 1920s and 1930s by free speech fights, strikes, strong labor organizations and woman suffrage reforms. Charles LeWarne finds the roots of this radicalism in the communitarian experiments of the late nineteenth century. Through analyses of several of these experiments, LeWarne demonstrates that the influence of a coterie of liberals and radicals centered on Puget Sound in such communities as Home, Burley, Freeland, Equality and Port Angeles was felt in the state long after the utopias they came to colonize had ceased to exist. Probably the most famous of the experiments was Home Colony on Jones Bay near Tacoma. From a nucleus of three families, Home grew to over two hundred residents and lasted for more than twenty years. Its reputation for anarchism and flamboyance contributed to a jail sentence conviction for one editor of the Home newspaper for publishing an editorial called *The Nude and the Prudes*. Readers interested in current social movements and lifestyles will find many enlightening parallels with recent communal attempts, particularly the rejection of traditional values and the belief in a perfectible world. Whatever the differences within individual colonies, the communitarian ideal has certain general characteristics that find their way into each of these attempts to form a perfect society. Historians will welcome this treatment of an important part of the social and cultural history of the area. The book contains a mine of previously scattered information on the subject. It is a delightful footnote to the history of the Puget Sound region.

**The Oregon Companion** Richard H. Engeman, 2009-09-01 What's the connection between Ken Kesey and Nancy's Yogurt? How about the difference between a hoedad and a webfoot? What became of the Pixie Kitchen and the vanished Lambert Gardens? The Oregon Companion is an A-Z handbook of over 1000 people, places and things. From Abernethy and beaver money to houseboats, railroads and the Zigzag River, an intrepid public historian separates fact from fiction with his sense of humor intact. Entries include towns and cities, counties, rivers, lakes and mountains, people who have left a mark on Oregon, industries, products, crops and natural resources. Includes more than 160 historical black and white photos. This entertaining and delightfully meticulous compendium is an essential reference for anyone curious about Oregon.

Radical Heritage Carlos Arnaldo Schwantes, 2016-06-01 Historian Carlos A. Schwantes studies the forces that shaped the history of the labor movement on either side of the forty-ninth parallel and the reason for the eventual demise of the socialist movement in Washington State and its continuing vigor in British Columbia.

*Greater Portland* Carl Abbott, 2015-07-06 Selected by Choice magazine as an Outstanding Academic Title, it has been called one of the nation's most livable regions, ranked among the best managed cities in America, hailed as a top spot to work and favored as a great place to do business, enjoy the arts, pursue outdoor recreation and make one's home. Indeed, years of cooperative urban planning between developers and those interested in ecology and habitability have transformed Portland from a provincial western city into an exemplary American metropolis. Its thriving downtown, its strong neighborhoods and its pioneering efforts at local management have brought a steady procession of journalists, scholars and civic leaders to investigate the Portland style that values dialogue and consensus, treats politics as a civic duty and assumes that it is possible to work toward public good.

Probing behind the press clippings acclaimed urban historian Carl Abbott examines the character of contemporary Portland its people politics and public life and the region s history and geography in order to discover how Portland has achieved its reputation as one of the most progressive and livable cities in the United States and to determine whether typical pressures of urban growth are pushing Portland back toward the national norm In Greater Portland Abbott argues that the city cannot be understood without reference to its place Its rivers hills and broader regional setting have shaped the economy and the cityscape Portlanders are Oregonians Northwesterners Cascadians they value their city as much for where it is as for what it is and this powerful sense of place nurtures a distinctive civic culture Tracing the ways in which Portlanders have talked and thought about their city Abbott reveals the tensions between their diverse visions of the future and plans for development Most citizens of Portland desire a balance between continuity and change one that supports urban progress but actively monitors its effects on the region s expansive green space and on the community s culture This strong civic participation in city planning and politics is what gives greater Portland its unique character a positive setting for class integration neighborhood revitalization and civic values The result Abbott confirms is a region whose unique initiatives remain a model of American urban planning      *Overseas Information Programs of the United States* United States. Congress. Senate. Committee on Foreign Relations,1953      **American Canopy** Eric Rutkow,2013-04-02 In the bestselling tradition of Michael Pollan s *Second Nature* this fascinating and unique historical work tells the remarkable story of the relationship between Americans and trees across the entire span of our nation s history      **Guns Of The Old West** Charles Edward Chapel,2016-03-28 An Essential Compendium for Any Firearms or Old West Aficionado richly and comprehensively illustrated Written by one of the foremost firearms experts of the twentieth century Charles Edward Chapel s *Guns of the Old West* is an exhaustively researched document that not only boasts a significant collection of antique Western guns but also categorizes the firearms into easy to reference sections Starting with an introductory chapter on the origins of guns and their earliest uses on the frontier Chapel covers everything from muskets to rifles pistols to revolvers and shotguns to martial arms Three whole chapters are dedicated to the rise and fall of the famous Deringer pistol And as much as *Guns of the Old West* is an encyclopedic reference manual it also contains fascinating historical literature that frames the world in which these guns were used Buffalo guns and hunters are covered along with martial arms of the post Civil War era The gun collection of famous collector and hunter President Theodore Roosevelt is given its own chapter Illustrated with nearly five hundred illustrations as well as important artwork from the Western period from artists such as Frederic Remington *Guns of the Old West* is an essential work for gun collectors and American history enthusiasts      **Pacific Northwest Quarterly** ,1952      *Bootleggers and Borders* Stephen T. Moore,2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly

headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 *Bootleggers and Borders* explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest *Bootleggers and Borders* offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia s method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition **Oregon Pioneer Cattle Barons** Doris Crow

Grover,2017-10-26 Much as men rushed to the California gold fields a small group of proud and visionary cattlemen heard of the boundless open and free range land of Central and Southeastern Oregon in the mid 1800s and brought their herds there Sometimes called Cattle Kings or Cattle Barons they ruled with painstaking vigor occasional cruelty and tenacity the untitled land Thousands of their cattle and horses grazed on the boundless prairies Four men who built cattle empires were John Devine Peter French Bill Hanley and Henry Miller One of these four barons eventually owned it all Smaller ranchers were tolerated but bun carrying vaqueros discouraged intruders particularly sheep men and homesteaders Their empires lasted until the mid 1900s but during their time they made the era legendary in the history of the region **United States Army**

**Combat Forces Journal** ,1952 *Railroad Nation* Carlos Arnaldo Schwantes,2025-05-15 From passenger tickets wall calendars and advertising posters to train orders and bills of lading railroads have left a colorful paper trail across America In *Railroad Nation* historian Carlos Arnaldo Schwantes examines a fascinating array of these materials showcasing the railroad industry s incredible variety of eye catching illustrations to enliven their timetables and promotional brochures Schwantes traces the evolution of railroad commercial art from drab black and white broadsides and text only advertisements that the early railroads placed in local newspapers to the riotous m lunge of color graphics in the early twentieth century when the visual appeal of public timetables and their thousands of different brochures enticed settlers to create farms ranches and towns alongside newly laid tracks *Railroad Nation* offers readers an unparalleled look at the ephemera of the railroad industry highlighting the vibrant history of railroading in America through its rich tapestry of visual materials [The Social History of Bourbon](#) Gerald Carson,2010-10-01 A high spirited history of the role bourbon has played in American life and culture documented and full of folklore Kirkus Reviews The distinctive beverage of the Western world bourbon is Kentucky s illustrious gift to the nation While much has been written about whiskey the particular place of bourbon in the American cultural record has long awaited detailed and objective presentation A fascinating and informative

contribution to Americana The Social History of Bourbon reflects an aspect of our national cultural identity that has been widely overlooked Gerald Carson explores the impact of the liquor s presence during America s early development as well as bourbon s role in some of the more dramatic events in American history including the Whiskey Rebellion the scandals of the Whiskey Ring and the whiskey forts of the fur trade From moonshiners to the Civil War to Old West saloons and the privations of Prohibition The Social History of Bourbon is a revealing look at the role of this classic beverage in the development of American manners and culture Goes into the families and personalities of bourbon s early history and does so with humor a great cause to raise a glass Rowley s Whiskey Forge      Library of Congress Catalog Library of Congress,1950  
A cumulative list of works represented by Library of Congress printed cards

### **Far Corner A Personal View Of The Pacific Northwest Introduction**

In today's digital age, the availability of Far Corner A Personal View Of The Pacific Northwest books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Far Corner A Personal View Of The Pacific Northwest books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Far Corner A Personal View Of The Pacific Northwest books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Far Corner A Personal View Of The Pacific Northwest versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Far Corner A Personal View Of The Pacific Northwest books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Far Corner A Personal View Of The Pacific Northwest books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that

provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Far Corner A Personal View Of The Pacific Northwest books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Far Corner A Personal View Of The Pacific Northwest books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Far Corner A Personal View Of The Pacific Northwest books and manuals for download and embark on your journey of knowledge?
