Far East A History Of Western Impacts And Eastern Responses 1830 1975:

The Far East Paul Hibbert Clyde, Burton F. Beers, 1975 Discovering History in China Paul A. Cohen, 2010 Originally published New York Columbia University Press 1984 The Cold War in East Asia Xiaobing Li, 2017-09-13 This textbook provides a survey of East Asia during the Cold War from 1945 to 1991 Focusing on the persistence and flexibility of its culture and tradition when confronted by the West and the US this book investigates how they intermesh to establish the nations that have entered the modern world Through the use of newly declassified Communist sources the narrative helps students form a better understanding of the origins and development of post WWII East Asia The analysis demonstrates how East Asia's position in the Cold War was not peripheral but in many key senses central The active role that East Asia played ultimately turned this main Cold War battlefield into a buffer between the United States and the Soviet Union Covering a range of countries this textbook explores numerous events which took place in East Asia during the Cold War including The occupation of Japan Civil war in China and the establishment of Taiwan The Korean War The Vietnam War China's Reforming Movement Moving away from Euro American centric approaches and illuminating the larger themes and patterns in the development of East Asian modernity The Cold War in East Asia is an essential resource for students of Asian History the Cold War and World History Imperial Japan's Allied Prisoners of War in the South Pacific C. Kenneth Quinones, 2021-09-30 Three weeks after Imperial Japan's surrender five men dressed in baggy khaki uniforms stared at the camera They and two colleagues were the only survivors out of the 210 Allied airmen which Imperial Japan had imprisoned in paradise Joining them were 18 British soldiers the only survivors of 600 of their countrymen similarly but separately imprisoned Another 10 000 Allied soldiers and civilians were also imprisoned on the South Pacific island of New Britain More than half died before liberation What motivated such inhumane treatment This book's quest for an answer traces the genesis of Bushido Imperial Japan's martial code and surveys the prisoners recollections of their ordeal as the Battle for Rabaul raged around them from 1942 to March 1944 Environmental Histories of the First World War Richard P. Tucker, Tait Keller, J. R. McNeill, Martin Schmid, 2018-08-23 This anthology surveys the ecological impacts of the First World War Editors Richard P Tucker Tait Keller J R McNeill and Martin Schmidt bring together a list of experienced authors who explore the global interactions of states armies civilians and the environment during the war They show how the First World War ushered in enormous environmental changes including the devastation of rural and urban environments the consumption of strategic natural resources such as metals and petroleum the impact of war on urban industry and the disruption of agricultural landscapes leading to widespread famine Taking a global perspective Environmental Histories of the First World War presents the ecological consequences of the vast destructive power of the new weaponry and the close collaboration between militaries and civilian governments taking place during this time showing how this war set trends for the rest of the century *The Far East* Paul Hibbert Clyde, 1966 *Asian Tragedies in the Americas* Won K. Yoon, 2021-03-01 Asian

Tragedies in the Americas Chinese Japanese and Korean Stories explores the stories of nineteenth century East Asian migrants throughout the Americas tracing the asymmetrical international conditions which shaped migrants experiences Won K Yoon examines such phenomena as Chinese paper fraudulent wives and daughters Korean picture marriages and Japanese war brides analyzing the impact of racism and colonialism on East Asian groups and family experiences in the West

Asia Milton W. Meyer,2000-01-01 This comprehensive introduction to Asia offers readers a clear overview of the continent from ancient times to the present *Opium, Soldiers and Evangelicals* H. Gelber,2004-02-24 This book questions the universal belief that England s 1840 42 war with China was an Opium War What really worried London was insults to the crown the claim of a dilapidated and corrupt China to be superior to everyone threats to British men and women and seizure of British property plus the wish to expand and free trade everywhere It was only much later that general Chinese resentment and Evangelical opinion at home and in America persuaded everyone that Britain had indeed been wicked and fought for opium *Far East: a History of Western Impacts and Eastern Responses 1830-1975* Clyde Paul H,Beers Burton F,1988 Worse Than a Monolith Thomas J. Christensen,2011-03-14 In brute force struggles for survival such as the two World Wars disorganization and divisions within an enemy alliance are to one s own advantage However most international security politics involve coercive diplomacy and negotiations short of all out war Worse Than a Monolith demonstrates that when states are engaged in coercive diplomacy combining threats and assurances to influence the behavior of real or potential adversaries divisions rivalries and lack of coordination within the opposing camp often make it more difficult to prevent the onset of conflict to prevent existing conflicts from escalating and to negotiate the end to those conflicts promptly Focusing on relations between the Communist and anti Communist alliances in Asia during the Cold War Thomas Christensen explores how internal divisions and lack of cohesion in the two alliances complicated and undercut coercive diplomacy by sending confusing signals about strength resolve and intent In the case of the Communist camp internal mistrust and rivalries catalyzed the movement s aggressiveness in ways that we would not have expected from a more cohesive movement under Moscow s clear control Reviewing newly available archival material Christensen examines the instability in relations across the Asian Cold War divide and sheds new light on the Korean and Vietnam wars While recognizing clear differences between the Cold War and post Cold War environments he investigates how efforts to adjust burden sharing roles among the United States and its Asian security partners have complicated U S China security relations since the collapse of the Soviet Union *Democracy and Authority in Korea* Geir Helgesen,2014-06-03 This controversial new study breaks with the tradition of basing political studies on analyses of institutions and political personalities by likening the Republic of Korea to a laboratory for the clash of political cultures In the late 1940s the Americans embarked upon a democratization programme designed to create a Western bulwark against the spread of communism in East Asia The intervening years have seen the advent and demise of military rule with South Korea now having a democratically elected

government Although the US strategy thus seems successful the political crises of 1995 in fact indicate that many obstacles remain here to the adoption of Western style democracy This study argues that socialization in general and political socialization in particular are key factors in any analysis of democracy be it in Korea or elsewhere Accordingly the work draws on moral education textbooks together with surveys and interviews among members of the urban intellectual elite In this manner the psychological roots of power and authority key concepts to an understanding of good government are explored Japanese Studies from Pre-History to 1990 Richard Perren,1992 Japanese History & Culture from Ancient to Modern Times John W. Dower,1986 *Railways and the Russo-Japanese War* Felix Patrikeeff,Harry Shukman,2007-02-06 This book explores the nexus between railways and the Russo Japanese War 1904 05 the first modern war and one in which the railways played a key part Felix Patrikeeff and Harry Shukman examine some of the key dimensions of the Russo Japanese War most notably how uncomfortably technological and human dimensions of Russia s war effort interleaved in the course of the conflict **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977

Fateful Ties Gordon H. Chang,2015-04-13 Americans look to China with fascination and fear unsure whether the rising Asian power is friend or foe but certain it will play a crucial role in America s future This is nothing new Gordon Chang says For centuries Americans have been convinced of China s importance to their own national destiny *Fateful Ties* draws on literature art biography popular culture and politics to trace America s long and varied preoccupation with China China has held a special place in the American imagination from colonial times when Jamestown settlers pursued a passage to the Pacific and Asia In the eighteenth and nineteenth centuries Americans plied a profitable trade in Chinese wares sought Chinese laborers to build the West and prized China s art and decor China was revered for its ancient culture but also drew Christian missionaries intent on saving souls in a heathen land Its vast markets beckoned expansionists even as its migrants were seen as a yellow peril that prompted the earliest immigration restrictions A staunch ally during World War II China was a dangerous adversary in the Cold War that followed In the post Mao era Americans again embraced China as a land of inexhaustible opportunity playing a central role in its economic rise Through portraits of entrepreneurs missionaries academics artists diplomats and activists Chang demonstrates how ideas about China have long been embedded in America s conception of itself and its own fate *Fateful Ties* provides valuable perspective on this complex international and intercultural relationship as America navigates an uncertain new era *The Practice of History in India* Anirudh Deshpande,2021-10-14 In the last few decades professional historians have raised important questions regarding the theories methods and practices of history extant since the earliest times Oral and Visual History have assumed a new importance in our times This book presents seven essays on history as it can be practised productively in India It is pedagogically important to students and teachers of history in India Meant primarily for undergraduate graduate and postgraduate students it will also be appreciated by the lay public Readers will certainly rethink their historical perspectives in response to the issues of theory

raised critically in this book This book is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the print versions of this book in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Uncle Sam's War of 1898 and the Origins of Globalization** Thomas David Schoonover,2003-11-28 Schoonover locates the origins of American globalization and expansionism in the Spanish American War American involvement in the War of 1898 he argues reflects many of the fundamental patterns of our national history exploration and discovery labor exploitation violence racism class conflict and concern for security that have shaped America s course since the nineteenth century Uncle Sam s War of 1898 and the Origins of Globalization is the first work to identify the source of the United States economic political and social policies abroad and the actions that established it as the only remaining superpower BOOK JACKET **Oriental Wells** Md. Monirul Islam,2021-10-15 Oriental Wells explores the manifold ways in which the East was a major source of inspiration for the British Romantic poets who generously borrowed from the Eastern sources in their effort to reinvent the British poetic tradition It examines the orientalizing of Romantic poetry using works of William Blake William Wordsworth Samuel Taylor Coleridge Robert Southey and Walter Savage Landor Analyzing the Romantic poets multifaceted engagement with the East the book raises the questions What led Blake to formulate his thesis that All Religions Are One Why do Coleridge s poetry and the play Osorio echo some of the passages from Wilkins translation of The Bhagvat Geeta as well as other prominent Eastern religious texts What made Southey write his Hindu epic The Curse of Kehama and his Islamic tale Thalaba the Destroyer What was the exact nature of the negotiations between William Jones Orientalism and Wordsworth s poetics as formulated in the Preface to Lyrical Ballads The Prelude and other poems The book convincingly argues that the introduction of cultural goods from the East played a crucial role in shaping the form and substance of British Romanticism while acknowledging that the Romantics reception of the East was tempered by their ideological concerns and religious background
