Some Far and Distant Place Jonathan S. Addleton, 2010-07-01 Born in Pakistan to Baptist missionaries from rural Georgia Jonathan S Addleton crossed the borders of race culture class and religion from an early age Some Far and Distant Place combines family history social observation current events and deeply personal commentary to tell an unusual coming of age story that has as much to do with the intersection of cultures as it does with one man s life Whether sharing ice cream with a young Benazir Bhutto or selling gospel tracts at the tomb of a Sufi saint Addleton provides insightful and sometimes hilarious glimpses into the Muslim Christian encounter through the eyes of a young child His narrative is rooted in many unlikely sources including a southern storytelling tradition Urdu ghazal revivalist hymnology and the Anglican Book of Common Prayer The natural beauty of the Himalayas also leaves a strong and lasting mark providing solidity in a confusing world that on occasion seems about to tilt out of control This clear eyed insightful memoir describes an experience that will become increasingly more common as cultures that once seemed remote and distant are no longer confined within the bounds of a single nation state *FAR DISTANT PLACE* D. THOMAS, 2002 **A Distant Place** Mark F. Harris, 2002 This book is a compilation of the 230 best student essays submitted in English composition classes at the Teachers College of Qingdao University in Qingdao Shandong P R China during the spring semester of 2000 The stories were submitted to fulfill assignments given by American instructor Mark F Harris for his students to write about their grandparents parents family life and some of their own childhood and school experiences as well as to contemplate the future In doing research for the essays a few of the students had the good fortune to interview their grandparents while many more were able to question their parents They wrote about times of hardship sacrifice and deprivation They gave brief but graphic accounts of the Japanese invasion and occupation of China the War of Liberation and the founding of modern China the Cultural Revolution and of hardships associated with famine and poverty Some of the essays described the common relationships that exist in the traditional Chinese family In writing about themselves most students related memorable events of their normal carefree childhood They also mentioned encountering frustrations in their growing up and changing years and of competing with classmates in school activities Almost universally they wrote about the challenge of preparing for and passing the university entrance examination Many essays conveyed messages portraying strong cultural values such as honesty perseverance loyalty devotion justice and responsibility Stories depicting situations of great seriousness are balanced with those reflecting childhood innocence and humor The students wrote in English which is their second language Mr Harris quickly learned there was a unique style to their Chinese English They were able to superimpose English over their Chinese language and thought patterns resulting in writing with less precision and exactness when compared to American usage Yet beautiful imagery and poetic expressions seemed to flow naturally Even though the reader may have no knowledge of the Chinese language most probably he will unknowingly be reading Chinese when studying these essays A good example of this beautiful

language is expressed in an essay by Liu Ranji James who concluded that a distant place is not only a concept of space it is a higher pursuit in spirit The pursuit will be endless since a distant place is like a beacon that guides my journey in life The title of the book comes from this essay since the pursuit described by the writer in many ways parallels the author s pursuit even in traveling to a distant place called China This timely collection of essays written by some of China s brightest young people gives clear insight into a way of life that properly needs to be recorded      **Dancing in a Distant Place** Isla Dewar,2006-04-18 Reeling from her husband s recent death and the discovery that he had gambled away their home and savings Iris Chisholm takes a teaching position in a tiny Scottish Highland community where she becomes involved in the troubles of her charges and pursues relationships with two men      *Strengthening the Eyes - A New Course in Scientific Eye Training in 28 Lessons* Bernarr MacFadden,2011-10-19 Natural Eyesight Improvement taught by Bernarr MacFadden one of the First Physical Fitness Natural Health Teachers MacFadden studied with Ophthalmologist William H Bates MacFadden and Bates wrote the Original book One of the first Eyesight Vision Improvement Books Courses Modern treatments are added to this book by Natural Eyesight Improvement graduated student Clark Night 6 Issues of Dr Bates Better Eyesight Magazine July 1919 to Dec 1919 and the 10 Basic steps for clear eyesight derived from Better Eyesight Magazine included Dr Bates Natural Treatments for unclear vision and other eye conditions Eyecharts are in the Paperback book and the E Book This book includes 20 Free PDF E Books Natural Eyesight Vision Improvement Training Do It Yourself Natural Eyesight Improvement Original and Modern Bates Method Book with 100 Color Pictures Less reading Easy to learn steps Read the short directions on the pictures to quickly learn apply a treatment activity for Fast Vision Improvement All of Dr Bates Clark Night s Kindle PDF Links to 140 Natural Eyesight Improvement Training Videos on YouTube and on the Author s Website This book is available in color or black and white for a lower price See William H Bates Author s Page for Video of internal book pages full description of the Paperback and 20 free E books Free Natural Eyesight Improvement Training <https://cleareyesightbatesmethod.info>      The Imperial Encyclopaedic Dictionary Robert Hunter,1901      *The Cure of Imperfect Sight by Treatment Without Glasses* W.
