Greenshields,Michael E. Kurtzig,1973 *Why South Vietnam Fell* Anthony James Joes,2014-10-16 Between 1954 and 1963 President Ngo Dinh Diem against great odds but with U S assistance built a functioning South Vietnamese state But gravely misled by American journalists in Saigon the U S embassy in league with second tier members of the State Department urged certain South Vietnamese generals to stage a coup against Diem resulting in his brutal murder Despite the instability after Diem s murder the South Vietnamese Army performed well during the 1968 Tet Offensive and the 1972 Easter Offensive In proportion to population South Vietnamese Army losses were much greater than American losses Nevertheless the American media ignored South Vietnamese sacrifices and completely misrepresented the consequences of the Tet Offensive The disastrous peace agreement the U S forced on the South Vietnamese in 1973 made continuing American support vital But Congress began to slash aid to South Vietnam so that its soldiers had to fight on with dwindling supplies of fuel ammunition and medicine Under these circumstances the South Vietnamese attempted to regroup their army into the provinces around Saigon an effort that ended in disaster The final chapter reflects on the meaning of the conflict and the tragedy that abandonment by Washington and conquest by Hanoi brought upon the South Vietnamese people An Appendix presents a strategy for preserving a South Vietnamese state with the commitment of a relatively small number of U S forces [The British National Bibliography Cumulated Subject Catalogue](#) ,1955 *Churchill on the Far East in the Second World War* C. Wilson,2014-08-05 Cat Wilson brings together two strands of historical scholarship Churchill s work as a historian and the history of WWII in the Far East Examining Churchill s portrayal of the British Empire s war against Japan as set down in his memoirs it ascertains whether he mythologised wartime Anglo American relations to present a special relationship *History of International Organizations' Work with Soybeans and Soyfoods (1914-2021)* William Shurtleff; Akiko Aoyagi,2021-11-12 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 81 photographs and illustrations mostly color Free of charge in digital PDF format **Travellers of the World Revolution** Brigitte

Studer, 2023-06-20 *Hope Struggle and Defeat The Communist International and the Global Fight for Freedom* The Communist International was the first organised attempt to bring about worldwide revolution and left a lasting mark on 20th century history The book offers a new and fascinating account of this transnational organisation founded in 1919 by Lenin and Trotsky and dissolved by Stalin in 1943 telling the story through the eyes of the activists who became its professional revolutionaries Studer follows such figures as Willi Münzenberg Mikhail Borodin M N Roy and Evelyn Trent Tina Modotti Agnes Smedley and many others less well known as they are despatched to the successive political hotspots of the 1920s and 30s from revolutionary Berlin to Baku from Shanghai to Spain from Nazi Germany to Stalin's Moscow It traces their journeys from revolutionary hope to accommodation defeat or death looking at questions of motivation and commitment agency and negotiation of life and love conflict and frustration In doing so it reveals a forgotten Comintern the expression of a multi dimensional revolutionary moment which attracted not only working class but feminist anti racist anti colonial and anti imperialist activists highlighting the role of women in the Comintern and the centrality of anti colonialism to the Communist project The book concludes with a reflection on the ultimate demise of a historically unique undertaking *China Briefing* Jay D White, William A. Joseph, 2019-08-08 This work provides a retrospective analysis of important events in China Taiwan and Hong Kong in the mid 1990s and a prospective look at some of the issues that will shape these areas as they each move toward decisive turning points in their distinct yet intertwined histories *The Far East* Kinnosuké Adachi, 1907
