

"Riveting.... Combines the storytelling of a talented novelist with a journalist's skill.... On one level, this book has all the elements of a top-rated HBO series—provocatively graphic sex, humorous dialogue, and moral ambiguity. But what makes it so powerful is that it's as much about desire and what's normal as it is an exploration of why we are the way we are, whether we like it or not." —*New York Times Book Review*
