All Out War Edward Klein, 2017-10-30 A Wall Street Journal bestseller ALL OUT WAR That s what the media the Democrats and the Never Trump Republicans are waging on the democratically elected president of the United States With ferocity not seen since the Civil War the Washington establishment and the radical Left are joining forces in an attempted coup d tat to overturn the will of the people and return power to the political and media elites who have never been more unhinged In All Out War The Plot to Destroy Trump investigative reporter and national best selling author Edward Klein reveals How the plot to destroy Trump was initiated in the Obama White House Two EXCLUSIVE FBI reports that prove the existence of the Deep State working against the Trump agenda warn of ISIS ties to the anti Trump resistance and highlight the danger of domestic terrorism from the anti Trump radicals The scandal you don t yet know about why Hillary Clinton could still be facing investigation by the FBI and prosecution by the Justice Department In America you are entitled to your

own opinion Klein writes But you are not entitled to overthrow the democratically elected president of the United States and inflict irreparable damage on our country That however is what Donald Trump s enemies on the Left and Right are doing Through a variety of underhanded tactics lies leaks obstruction and violence they are working to delegitimize President Trump and drive him from office before he can drain the swamp and take away their power Stunning in its revelations meticulous in its reporting there can be no timelier or more important political book than All Out War Mondo Agnelli Jennifer Clark,2011-11-21 The fascinating story of a century old automobile dynasty Fiat is one of the world s largest automakers but when it made headlines by grabbing control of a bankrupt Chrysler in 2009 it was unknown in the U S Fiat s against all odds swoop on Chrysler masterminded by Sergio Marchionne the Houdini like manager who saved Fiat from its own near collapse in 2005 has made the automaker one of the most unlikely winners of the financial crisis Mondo Agnelli is a new book that looks at the chain of unpredictable events triggered by the death of Gianni Agnelli in 2003 Gianni the charismatic silver haired power broker and style icon was the patriarch who had lead the company founded by his grandfather in 1899 But Gianni s own son had committed suicide Without a mature heir the dynasty and Fiat were rudderless Backed by Gianni s closest advisors his serious shy and determined grandson John plucked Marchionne from obscurity Together they saved the family company and inadvertently positioned Fiat as a global trailblazer when the global storm hit A classic story of ingenuity and hard work the book portrays a business dynasty that triumphed over adversity and family tragedy because of its own smarts sweat and ability to bend the rules A an engaging tale for those interested in the stories behind the economic crash the book contains never before reported material about how Fiat succeeded in making Chrysler profitable where both Daimler AG and Cerberus its previous owners had failed A story for a wide audience from car buffs business readers lovers of Italy and anyone fascinated by the lifestyle of Europe s most glamorous industrial dynasty this book tells the tale of how Fiat achieved the seemingly impossible turning around an American automotive icon everyone else had given up for dead **Ask Not** Maureen Callahan,2024-07-02 From New York Times bestseller Maureen Callahan a harrowing incendiary expos of the real Kennedy Curse the family s generations long legacy of misogyny murder and mayhem Karen Abbott The must read book of the summer Megyn Kelly The Kennedy name has long been synonymous with wealth power glamor and above all else integrity But this carefully constructed veneer hides a dark truth the pattern of Kennedy men physically and psychologically abusing women and girls leaving a trail of ruin and death in each generation s wake Through decades of scandal after scandal from sexual assaults to reputational slander suicides to manslaughter the family and their defenders have kept the Kennedy brand intact Now in Ask Not bestselling author and journalist Maureen Callahan reveals the Kennedys hidden history of violence and exploitation laying bare their unrepentant sexism and rampant depravity while also restoring these women and girls to their rightful place at the center of the dynasty s story from Jacqueline Onassis and Marilyn Monroe to Carolyn Bessette Martha Moxley Mary Jo Kopechne Rosemary Kennedy and many others whose

names aren't nearly as well known but should be. Drawing on years of explosive reportage and written in electric prose, *Ask Not* is a long overdue reckoning with this fabled family and a consequential part of American history that is still very much with us. At long last Callahan redirects the spotlight to the women in the Kennedys' orbit, paying homage to those who freed themselves and giving voice to those who through no fault of their own could not. One of *Town & Country's* Must Read Books of Summer 2024

Read On...Biography Rick Roche, 2012-03-07 Categorizing hundreds of popular biographies according to their primary appeal, character, story, setting, language, and mood, and organizing them into thematic lists, this guide will help readers and advisors more effectively recommend titles. *Read On Biography: Reading Lists for Every Taste* is that essential go-to readers advisory guide filling a gap in the growing readers advisory literature with information about 450 biography titles most published within the last decade but also including some classic titles as well. The book focuses on life stories written in the third person with subjects ranging from individuals who lived in ancient times to the present day, hailed from myriad nations, and gained fame in diverse fields. The contents are organized in order to facilitate identification of read-alikes and easy selection of titles according to appeal features such as character, story, language, setting, and mood. Written specifically with librarians and their patrons in mind, this readers advisory title will be invaluable in public, high school, and college libraries.

American Legacy C. David Heymann, 2007-07-10 From the moment of their births, John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States, if not the world. Even as young children growing up in the White House, their most subtle gestures and actions made headlines. Yet until now they have not been the subject of a dual biography. In that sense, this volume represents a first. In *American Legacy* 1, New York Times bestselling author C. David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy. A longtime biographer of various members of the Kennedy clan, including Jackie and Robert Kennedy, Heymann covers John's and Caroline's childhood in the White House, the dark aftermath of their father's assassination, their uneasy adolescence, and the many challenges they faced as adults, all under the glaring eye of the media. He reveals John's and Caroline's loving but at times trying relationship with their larger-than-life mother, as well as Jackie's own emotional struggles, romantic relationships, and financial concerns following JFK's death. Other revelations brought to light for the first time in *American Legacy* include the assassination attempt made on Jackie just before she gave birth to John Jr., JFK Jr.'s romantic escapades prior to marrying Carolyn Bessette, and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources, the shocking report of the autopsy performed on John following the tragic plane crash that killed him, Carolyn and her sister Lauren, Caroline's rise to become one of the wealthiest women in America, and her life now as the sole keeper of her family's magnificently complex legacy. Utterly compelling and full of new and fascinating details, *American Legacy* overturns much of what we thought we knew about two of the most talked-about members of the Kennedy family.

Cape Wind (Volume 2 of 2) (EasyRead Super Large 20pt Edition), *Cape Wind*

(Volume 2 of 2) (EasyRead Super Large 18pt Edition) , The Kennedy Family S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wanabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching *Cape Wind* Robert Whitcomb, Wendy Williams, 2007-08-05 When Jim Gordon set out to build a wind farm off the coast of Cape Cod he knew some people might object But there was a lot of merit in creating a privately funded clean energy source for energy starved New England and he felt sure most people would recognize it eventually Instead all Hell broke loose Gordon had unwittingly challenged the privileges of some of America s richest and most politically connected people and they would fight him tooth and nail no matter what it cost and even when it made no sense Cape Wind is a rollicking tale of democracy in action and plutocracy in the raw as played out among colorful and glamorous characters on one of our country s most historic and renowned pieces of coastline As steeped in American history and local color as *The Prince of Providence* as biting revealing and fun as *Philistines at the Hedgerow* it is also a cautionary tale about how money can hijack democracy while America lags behind the rest of the developed world in adopting clean energy
