Poetic Castles in Spain Diego

Saglia, 2000 Saglia a scholar of some sort whose academic affiliations are not noted charts the various ways in which between the 1810s and 1820s Spain figured in British literary culture. Mainly concerned with narrative versions of Spain specifically metrical tales and verse romances he traces the contours of the Spanish imaginary in British Romanticism offering a cultural geography of Romantic Spain as a space of war involving not only France and Britain or the Spanish and Moorish armies but ideological conflicts between public and private republicanism nationalism and imperialism and competing models of masculinity and femininity. [Living the Death of Democracy in Spain](#) Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath. In exploring the slow demise of the Spanish Republic and the course of the Civil War the authors have chosen to range in turn over cinematic literary and historical depictions of the era. In addition reactions elsewhere in Europe to the Spanish conflict are examined the role of the International Brigades is looked at afresh the fate of children displaced during the Civil War is explored and the Spanish anarcho syndicalist movement is revisited. The volume shows that to be any kind of soldier in the armies of the Republic or even to be seen as a Republican sympathiser was to become a non person in the new order in Spain under Franco and sets what supporters of the Republic had to endure within the wider European and international context of the period. This book offers timely fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain's history. This book was originally published as a special issue of *Bulletin of Spanish Studies*.

Women, Travel, and Writing in the Interwar Era Ann Catherine Hoag, 2024-07-31 *Women Travel and Writing in the Interwar Era* engages feminist temporal and narrative theories to offer fresh examinations of interwar era accounts by women about travel and movement and considers the use and limitations of time as a subversive force in their texts. This book makes a significant contribution to the under examined study of women's travel writing between the wars and synthesises and applies a variety of feminist narrative and postcolonial theories to excavate new understandings of the intersection between women travel and time in writing. The book studies the emergence of the aviatrix after the Great War and moves through to the representations of war in women's travel on the brink of World War II. Each chapter offers a unique theoretical framework and examines how experiences of time impact perceptions of women's bodies and identities their engagement with history and discourse and the problematic influence on colonialism. *Women Travel and Writing in the Interwar Era* is essential reading to any student or researcher in the field of women's travel writing as well as scholars of gender studies war and interwar history and cultural heritage.

The Eve of Spain Patricia E. Grieve, 2020-03-03 *The Eve of Spain* demonstrates how the telling and retelling of one of Spain's founding myths played a central role in the formation of

that country's national identity King Roderigo the last Visigoth king of Spain rapes or possibly seduces La Cava the daughter of his friend and counselor Count Julian In revenge the count travels to North Africa and conspires with its Berber rulers to send an invading army into Spain So begins the Muslim conquest and the end of Visigothic rule A few years later in Northern Spain Pelayo initiates a Christian resistance and starts a new line of kings to which the present day Spanish monarchy traces its roots Patricia E Grieve follows the evolution of this story from the Middle Ages into the modern era as shifts in religious tolerance and cultural acceptance influenced its retelling She explains how increasing anti-Semitism came to be woven into the tale during the Christian conquest of the peninsula in the form of traitorous Jewish conspirators In the sixteenth century the tale was linked to the looming threat of the Ottoman Turks The story continued to resonate through the Enlightenment and into modern historiography revealing the complex interactions of racial and religious conflict and evolving ideas of women's sexuality In following the story of La Cava Rodrigo and Pelayo Grieve explains how foundational myths and popular legends articulate struggles for national identity She explores how myths are developed around few historical facts how they come to be written into history and how they are exploited politically as in the expulsion of the Jews from Spain in 1492 followed by that of the Moriscos in 1609 Finally Grieve focuses on the misogynistic elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman's sexuality

Challenges and Perspectives of Iberia and Beyond
Mark Gant, Deirdre Kelly, Siân Edwards, Susana Rocha Relvas, 2025-08-05 This volume offers innovative emerging research on Iberian Studies approached from an interdisciplinary multicultural and transnational perspective The chapters encompass an array of disciplinary perspectives from economics society and politics to literature cinema and other artistic forms Core themes revolve around memory and historical revisionism complemented by intra-Iberian perspectives that emphasize dialogues and exchanges between Portugal and Spain Cross border relations within Europe also receive notable attention particularly Anglo-Iberian contacts and influences in political historical and cultural domains The volume includes comparative studies focusing on literature cinema and television series showcasing the interplay between these artistic forms Literary representations of regional cultural identities particularly Basque and Catalan during times of war and dictatorship are analysed through the lens of female writers Transatlantic crossings and influences expand the geographical and cultural scope of Iberian Studies Cultural and social connections between Portugal Brazil Cape Verde and Angola are explored alongside Spanish Moroccan relations in recent decades

Kate O'Brien and the Fiction of Identity

Aintzane Legarreta Mentxaka, 2014-01-10 Kate O'Brien's work is now widely considered canonical in the English language and the author herself an icon for Ireland seeking to reinvent itself O'Brien's novel Mary Lavelle banned upon publication in 1936 is a key work of the twentieth century that has suffered from critical neglect despite its wider popularity with readers This book reexamines Mary Lavelle exploring its role in the modernist canon and its importance to political and queer activism The novel's biographical and autobiographical experimentation is of particular note Through the lens of this crucial novel the oeuvre of Kate O'Brien is recontextualized and reassessed

British representations of the Spanish Civil War

Brian Shelmerdine, 2024-07-30 This book looks at the reception of the Spanish Civil War in British popular culture and how supporters of both sides in Britain used the rhetoric and imagery of the conflict to bolster support for their respective causes in the arena of British public opinion Brian Shelmerdine finds that traditional notions of Spain as a country of bullfighting bandits and flamenco were pervasive and were significant in shaping wider UK government policy towards Spain He carefully assesses the different political perceptions of the 1930s Spanish scene the role of the Catholic Church the depiction of the two sides in terms of class race and ethnicity humanitarian appeals and the plight of the Basques The book is fluently written and should make fascinating and entertaining reading for scholars of British society and culture in the twentieth century as well as those investigating international impact of the Spanish Civil War
