Farm Weeds of Canada (Classic Reprint) George Harold Clark, 2018-02-07 Excerpt from Farm Weeds of Canada In the Seed Laboratory all kinds of seeds are tested free of charge to farmers The reports issued thereon give the names of weed seeds found in the samples sent for test but the mere names of weeds frequently have no meaning to persons who are not expert in the nomenclature of plants In consequence most new weeds become introduced and well established before their noxious character is appreciated by farmers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
