

# Farragans Retreat

**John Dear**

## **Farragans Retreat:**

**Farragan's Retreat** Tom McHale, 1971 Farragan's Retreat follows a wealthy Irish Catholic clan in Philadelphia in the context of the Vietnam War Older siblings Jim and Anna are virulently patriotic and virulently racist and their children have respectively lost an arm and a life fighting overseas When Arthur Farragan's son Simon dodges the draft escapes to Canada and writes an apology note to Ho Chi Min Anna and Jim decide that the only course of action is to send Arthur up to Montreal to murder his only son Goodreads [American Exile](#), 1969 *The New York Times Book Review*, 1971-04 **Amex**, 1969

[The New York Times Magazine](#), 1971 **The Irish Voice in America** Charles Fanning, 2021-10-21 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier **The Irish Voice in America** is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience **Studies in the Twentieth Century**, 1971 **Textures of Irish America** Lawrence J.

McCaffrey, 1998-10-01 The textures of the Irish American experience have been manifold greatly influencing this country's economic social and cultural development over the past two centuries Unlike that of many other European immigrants the Irish journey to America was viewed largely as a one way trip They quickly adjusted to America soon becoming citizens and active participants in politics By the end of the 19th century they dominated not only most American cities but also sports especially baseball and many were prominent in show business In this entertaining study of one of America's most engaging and controversial groups Lawrence McCaffrey reveals how the Irish adapted to urban life progressing from unskilled working class to solid middle class Denied power and influence in business and commerce they achieved both through politics and the Catholic church In addition to politicians and churchmen McCaffrey discusses the roles of writers such as Finley Peter Dunne James T Farrell Eugene O'Neill J F Powers Edwin O Connor William Kennedy Elizabeth Cullinan Tom Flanagan Thomas Fleming Jimmy Breslin and John Gregory Dunne as well as such film stars as Jimmy Cagney Bing Crosby Grace and Gene Kelly and Spencer Tracy McCaffrey completes the story with a look at the role of Irish nationalism in developing the personality of Irish America and in liberating Ireland from British colonialism The result of some forty years of thinking and

writing about Irish American life McCaffrey's *Textures* will appeal to scholars and general readers alike and may very well become the standard work on Irish America *The New Leader*, 1971 **The Irish Diaspora in America** Lawrence John McCaffrey, 1976 *Saturday Review*, 1971 *Ramparts*, 1971 Issues for Dec 1970 Apr 1972 include section Hard times *Esquire*, 1971 *Alternative Press Index*, 1971 *Arts & Humanities Citation Index*, 1980 *Sacred Refuge* Thomas M. Santa, 2005 *Sacred Refuge* is your guide for learning about making a retreat Thomas Santa answers questions that are sure to enrich the retreat experience **Going on Retreat** Margaret Silf, 2002 Covers such information as why people go on retreats what types of retreats are available what role the retreat companion plays how people prepare for retreats and subsequently sustain their retreat experience and how to find a retreat center that is nearby from amazon.com *The Sound of Listening* John Dear, 1999 The intimate account of John Dear's nine day retreat at Gethesemane Abbey as he sought solitude and inner peace from his relentless work for social justice Taking inspiration from Merton's words The contemplative life has nothing to tell you except to reassure you and say that if you dare to penetrate your own silence and dare to advance without fear into the solitude of your own heart you will truly recover the light and capacity to understand what is beyond words and beyond explanations because it is too close to be explained we follow him in his holy journey into the peace of God

**A Vacation with the Lord** Thomas Henry Green, 2000 Fr Thomas Green S J draws on his vast background as a retreat master and spiritual writer to make available to a much wider audience the retreat experience based on the classic *Spiritual Exercises* by St Ignatius of Loyola While many scholarly and professional treatments have been done on the *Spiritual Exercises* for the grassroots Catholic St Ignatius classic is often too mechanical and hard to grasp This book can be used in many ways It can be used by retreat directors for one to one direction of retreatants by retreatants making a retreat with a director or by more experienced retreatants who wish to be alone with the Lord In addition this work can be used for a closed retreat of eight days as broken down in the chapters Or it could be used for a retreat in daily life where a person could devote 30 to 60 minutes a day to the themes of this book and prolong the retreat over several weeks or months **My Retreat Book** Retreat Book, Author of Catholic life, 1939

Eventually, you will enormously discover a other experience and realization by spending more cash. still when? do you consent that you require to get those all needs gone having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more almost the globe, experience, some places, taking into account history, amusement, and a lot more?

It is your enormously own times to undertaking reviewing habit. among guides you could enjoy now is **Farragans Retreat** below.
