Fascism in Action, 2012-09 This 1947 report was prepared at the instance and under the direction of Representative Wright Patman 1893 1976 of Texas by the Legislative Reference Service of the Library of Congress In 1932 Patman introduced a bill that would have mandated the immediate payment of the bonus to World War I veterans During the consideration of this bill the Bonus Army came to Washington Patman was also a supporter of the New Deal legislation The Patman Committee followed the money playing an important role in the early days of the Watergate scandal by investigating the hundred dollar bills found on the Watergate plumbers suspecting these could be directly linked to CREEP the Committee to Re Elect the President **Printing of "Fascism in Action."** United States. Osgood, 2013-11-21 Let them come forward they are thirsty for the sight of a King said Henri IV to his followers who were trying to push back the curious crowds as he entered Paris in February 1594 It is perhaps to be regretted that seven kings to say nothing of two emperors have since more than quenched the French s taste for royalty because they have long been in need of and periodically have sought a symbol of national unity Modern day France has had far more than her share of revolutions counterrevolutions uprisings days coups affairs crises scandals and constitution drafting While it would be an over simplification to interpret this endemic strife as a seesaw conflict between two well integrated blocs with the ideology of the Great Revolution as the dividing issue the fact remains that since 1789 political divisions and quarrels among Frenchmen have been deep bitter and fundamental After 1870 a Republic may have been the one solution which divided Frenchmen the least to borrow an expression from Monsieur Thiers but like any and all of the preceding alternatives it was to incur the relentless irreconcilable opposition of important segments of the population This study deals with those individuals and organizations which continued to advocate and sought to bring about a return to the monarchy under the Third and Fourth Republics Fascism in Action Library of Congress.
