Fashion Design Drawing:

Men's wear fashion illustration resource book Irina V. Ivanova, 2017-05-17 Men's fashion illustration is a neglected subject. Most of the books on fashion illustration focus on women's wear. Can we change it? Let us try. It is a unique book created by professionals for professionals. The book saves time and makes the challenge of men's wear fashion illustration doable. What makes this book unique? Figure drawing templates of the male figure. All croquis templates in the book are styled and designed for fashion men's wear illustration. The Men's wear fashion illustration resource book is the only book on the market with that many different poses for men's fashion figures. A step-by-step visual guide for fashion drawing: this is the only men's wear illustration book that shows you the completed drawing and the process's main steps from the concept to completion. Sketches and illustrations in this book show how apparel fits the body and how it looks in different poses and movements. This book includes raw sketches and shows specific details of sketching. The book is a practical guide on how to illustrate men's wear design from a quick sketch to an accomplished illustration. The broad range of garment types and styles the book depicts multiple types of apparel. The book is not limited only to formal or athletic wear. The Men's wear fashion illustration resource book is a comprehensive collection of different looks in different styles. Selection of relevant men's wear terminology. The book includes multiple practical terms and visual examples. The book is in part an illustrated dictionary of menswear design terminology. Written annotations for each illustration are part of the book's page layout and make it easy to understand types of apparel, names of garment elements and accessories. Written terminology and clearly depicted visuals make this book an excellent reference source. The book is ideal as a visual reference for fashion professionals and students. What is in the book? Templates: men's figures, faces and hairstyles. Step-by-step process of drawing menswear on the croquis. How to draw men's t-shirts, dress shirts, casual jackets, boxy jackets, sweaters, shorts, hats. Mix and match bottoms and tops for men's wear projects. Step-by-step fashion illustration process. Gallery of men's wear fashion drawing projects. Resources for drawing men's fashion accessories: hats, neckwear and shoes. Gallery of garment details relevant to men's wear. Visuals and terms. Gallery of sketches. A collection of sketched men's wear ideas. Different looks and styles in the book illustrate how versatile menswear fashion is. Who should use this book? The book is for independent men's wear designers or small business professionals in the menswear market. Drawing fashion ideas for the menswear market is easier and more consistent with this book. The book is for fashion design, apparel technical design and garment product development professionals. Draw accurate menswear fashion illustrations with this book. The book is for fashion merchandising professionals interested in menswear. Use the book to reference garment elements, terms and a glossary of menswear garment types. The book is for students studying fashion design, patternmaking and merchandising. With the Men's wear fashion illustration resource book, a student's men's wear project can reach a level of professional competency. With this book, you can draw menswear fashion fast with style and confidence. Who created this book? Irina V. Ivanova is a fashion designer with international experience and
