you find yourself lying awake at 3 AM wondering if the centerpieces are too tall too short or just right in a way that would make Goldilocks proud Here s the thing nobody tells you the wedding industry has convinced us that anything less than absolute perfection equals failure Pinterest has become our cruel taskmaster Instagram our judge and that one friend who had the perfect wedding our impossible standard We ve forgotten that long before there were save the dates and signature cocktails people got married with joy laughter and yes the occasional disaster that became the best story they ever told This book exists for one simple reason to remind you that your wedding day is not a performance it s a celebration It s not a test you can fail it s a party you re throwing Most importantly it s not about achieving perfection it s about making a commitment to love each other through all of life s beautiful imperfections For the next 30 days instead of adding to your never ending to do list this countdown will give you permission to laugh to play to remember why you fell in love in the first place and to approach your wedding day with the joy it deserves Each day offers a small act of silliness a moment of connection or a gentle reminder that the best weddings aren t the ones that go according to plan they re the ones where love wins even when everything else goes wonderfully hilariously wrong Will following these daily suggestions make your wedding perfect Absolutely not Will it help you remember that you re marrying your favorite person in the world and that everything else is just pretty details I certainly hope so Will it give you permission to dance in grocery store aisles plan ridiculous backup weddings and wrap snacks in wedding paper Definitely yes Most importantly will it remind you that the goal isn t to have a perfect wedding but to start a beautiful marriage That s exactly what this little book is here for So take a deep breath put down that vendor contract for just a moment and remember the most important thing that needs to happen on your wedding day is that two people who love each other say I do Everything else the flowers the cake the weather the perfectly folded napkins is just bonus material for the story you ll tell for the rest of your lives Now let s countdown to your wedding day with a little more laughter and a lot less stress Your future self and your future spouse will thank you With love laughter and the firm belief that the best weddings are the ones where everyone goes home with a story to tell P S If you re reading this and your wedding is in less than 30 days don t panic Jump in wherever you are in the countdown The universe has a sense of humor about these things and so should you
