Fast Forward Maths Pupils:

Fast Forward Maths Hilary Koll, Steve Mills, 2000 Fast Forward Maths is an intensive programme of activities specifically designed to boost the numeracy skills of level 3 attainers up to level 4 targeting areas of common weakness The emphasis is on having fun while learning and the short activity strands which run through each unit involve purposeful games and challenges

Motivating Mathematics: Engaging Teachers And Engaged Students David Graham Wells, 2015-10-15 Motivating Mathematics demonstrates that pupils can be motivated by being given the Big Picture including a clearer picture of the nature of maths and by linking topics to the sciences rather than teaching each topic in isolation The author emphasises the many virtues of problem solving strongly emphasised in secondary education specifications especially the role of perception and the ability of pupils to create their own proofs and to appreciate cool ideas and arguments David Wells draws on his extensive experience of teaching primary and secondary pupils and his understanding not just of how students think about mathematics but of how they feel about a subject which so often seems merely a collection of facts and rules to be mastered This book will be of immediate practical use to teachers and students at all levels Anyone involved in mathematics education will benefit from reading this inspiring book whether classroom teacher trainer teacher in training or professional development or even parent The book will also be of interest to policy makers and others with an investment in the future of mathematics education

The A-Z of Primary Maths Kate Frood, 2024-01-26 The A Z of Primary Maths is a compendium of great ideas for teaching mathematics organised around the 26 letters of the English alphabet Maths foundations must be built in our primary schools We need to create space for children to play with numbers to explore patterns to solve problems and to laugh and chat in maths lessons It s this start that will build a lifelong love of and confidence in maths Kate Frood

Emerging Technologies to Enhance Learning among Slow Learners Dr. R. Gnanadevan and Dr. R. Babu, 2019-04-08 Information technology IT has become a vital and integral part of every business plan Technology has the ability to enhance relationships between teachers and students When teachers effectively integrate technology into subject areas teachers grow into roles of adviser content expert and coach Technology helps make teaching and learning more meaningful and fun From multi national corporations who maintain mainframe systems and databases to small businesses that own a single computer IT plays a role The reasons for the omnipresent use of computer technology in business can best be determined by looking at how it is being used across the business world

Subcommittee on Early Childhood, Elementary, and Secondary Education,2012 Inequality and Flourishing Mariama

Ifode- Blease,2022-06-30 It is no surprise that Christians have long been involved in education the quest for human flourishing and wholeness is at the heart of the gospel and education is critical to that quest Good education has the power to transform our relationships with ourselves with each other with and within communities and ultimately between nation states But what is surprising is our theological silence in the face of the deep injustices which lie at the heart of our education system In Inequality and Flourishing Mariama Ifode Blease explores and exposes these inequalities and calls for a greater remembrance of the bountiful and daunting gift of stewardship we have as we educate young people Drawing on interviews she offers a fresh vision of education as being about giving children the best tools to be stewards of their minds and bodies our communities and ultimately our planet

A Derby Boy Anton Rippon,2011-10-21 Anton Rippon is a Derby boy through and through He was born just before Christmas 1944 his entrance into the world hastened after his mother fell over a milk churn in the blackout At the time of his birth just down the road a Derby Corporation bus driver was recapturing an escaped German prisoner of war Despite his dramatic entrance into Derby life Anton survived to become one of the city s best known writers and personalities with a string of books to his name and a popular weekly column in The Derby Evening Telegraph A Derby Boy is a collection of Anton s reminiscences of childhood teenage years and his introduction to the bustling world of work Nostalgia abounds with tales of family schooldays trips to theatres and cinemas shops and streets pubs and clubs sporting life and national events These memories are recalled with humour and are sure to strike a chord with a great many Derbeians Tales of mad butchers to dodgy coalmen eccentric schoolteachers and odd publicans illegal gambling and irate undertakers combine with his family s often tragic story to open up a new perspective on life in Derby over four generations

Gifted?: The shift to enrichment, challenge and equity Morgan Whitfield,2024-07-19 Gifted and talented is a zombie It is

dead but still walking around There are new labels to stratify students more able significantly able high aptitude learners New labels do not equal new thinking The concept of gifted is still stubbornly embedded in our educational structures with its legacy of social immobility racism and sexism Students can be more able when they have more financial resources more access more visibility or more cultural acceptance There are pervasive narratives that educators should prioritise extension for some students and not others We can dispel the myth that pitching lessons judiciously to middle ability and then differentiating up and down is effective This book explores how we can provide every student with rigorous challenge Challenge for all is an inclusive approach to teaching whereby every student is invited and given the tools to reach a place of mastery This can be through project based learning Harkness round tables oracy adaptive teaching inclusive enrichment programs dynamic classroom strategies and a schoolwide mission for equity Educators can embed powerful knowledge into the curriculum reimagine teaching to the top and stretch learners through personalised and responsive instruction The shift to enrichment challenge and equity creates magnificent possibilities The message to all students is you belong here
