Stanley Cavell's American Dream Lawrence F. Rhu, 2006 This book states that after Cavell s celebrated reading of King Lear turned into a nightmarish meditation on Vietnam he found a more audible voice Here the poetry of ideas and presence of mind that animate Cavell s writing receive readings attuned to the spirit of their composition and its enlivening powers *Bringing Up Baby* Peter Swaab, 2019-07-25 *Bringing Up Baby* directed by Howard Hawks in 1938 is one of the greatest screwball comedies and a treasure from the Golden Age of Hollywood Cary Grant plays a naive and repressed palaeosaurologist who becomes entangled with and ensnared by a wilful heiress Katharine Hepburn Chaos ensues as romance blossoms and not one but two leopards are set loose in verdant Connecticut All of Hawks s signature skills are to the fore there is the wonderful ensemble cast the characteristically refined but unselfconscious visual style an endless

succession of pratfalls innuendo and jokes written by Dudley Nichols and Hagar Wilde and underneath the chaos and good cheer a serious dream of escaping life's troubles by dint of nothing more or less than nerve and luck There are no human babies in *Bringing Up Baby* but there are those leopards and the relentless terrier George and as Peter Swaab explores in his witty and original study *Hawks's film* wonders profoundly why we want animals in our lives and why we sometimes need to behave as animals ourselves Many screwball films have been seen as comedies of remarriage but Peter Swaab argues that this one is not much interested in marriage and is instead more captivated by instinct irresponsibility and the wild abnormalities of romance The film is in its way an American dream of independence and believes the real way to get on in life for film makers as well as scientists isn't by deference and respectability but by having sexy fun with the right people A thoroughly American fiction of the 1930s *Bringing Up Baby* is also a timelessly classical comic narrative exploring conflicts between civilisation and nature rationality and insanity middle class inhibitions and aristocratic blitheness And it is the epitome of film comedy an anthology of comic types and devices and one of the most seductively funny films ever made

Soldier's Heart Elizabeth D. Samet, 2004-08-01 Elizabeth D Samet and her students learned to romanticize the army from the stories of their fathers and from the movies For Samet it was the old World War II movies she used to watch on TV while her students grew up on *Braveheart* and *Saving Private Ryan* Unlike their teacher however these students cadets at the United States Military Academy at West Point have decided to turn make believe into real life West Point is a world away from Yale where Samet attended graduate school and where nothing sufficiently prepared her for teaching literature to young men and women who were training to fight a war Intimate and poignant *Soldier's Heart* chronicles the various tensions inherent in that life as well as the ways in which war has transformed Samet's relationship to literature Fighting in Iraq Samet's former students share what books and movies mean to them the poetry of Wallace Stevens the fiction of Virginia Woolf and J M Coetzee the epics of Homer or the films of James Cagney Their letters in turn prompt Samet to wonder exactly what she owes to cadets in the classroom Samet arrived at West Point before September 11 2001 and has seen the academy change dramatically In *Soldier's Heart* she reads this transformation through her own experiences and those of her students Forcefully examining what it means to be a civilian teaching literature at a military academy Samet also considers the role of women in the army the dangerous tides of religious and political zeal roiling the country the uses of the call to patriotism and the cult of sacrifice she believes is currently paralyzing national debate Ultimately Samet offers an honest and original reflection on the relationship between art and life
