*The Legacy of Mesopotamia* Stephanie Dalley,1998 Influence from Mesopotamia on adjacent civilizations has often been proposed on the basis of scattered similarities For the first time a wide ranging assessment from 3000 BC to the Middle Ages investigates how similarities arose in Egypt Palestine Anatolia and Greece The development of writing for accountancy astronomy divination and belles lettres emanated from

Mesopotamians who took their academic traditions into countries beyond their political control Each country soon transformed what it received into its own individual culture When cuneiform writing disappeared Babylonian cults and literature now in Aramaic and Greek flourished during the Roman Empire The Manichaeans adapted the old traditions which then perished under persecution but traces persist in Hermetic works court narratives and romances and in the Arabian Nights When ancient Mesopotamia was rediscovered in the last century British scholars were at the forefront of international research Public excitement has been reflected in pictures and poems films and fashion
