Engels,2018-10-03 This is the definitive book on classical cats The cat has played a significant role in history from the earliest times Well known is its role in the religion and art of ancient Egypt no less than its association with witchcraft in the Middle Ages But when did the cat become a domestic companion and worker as well There has been much debate about the position of the cat in ancient Greece and Rome Artistic representations are sometimes ambiguous and its role as a mouse

catcher seems often to have been carried out by weasels Yet other evidence clearly suggests that the cat was as important to Greeks and Romans as it is to many modern people This book is the first comprehensive survey of the evidence for cats in Greece and Rome and of their functions and representations in art Donald Engels draws on authors from Aesop to Aristotle on vase painting inscriptions and the plastic arts and on a thorough knowledge of zoology of the cat He also sets the ancient evidence in the wider context of the Egyptian period that preceded it as well as the views of the Church fathers who ushered antiquity into the Middle Ages

**Troubling the Waters** Cheryl Lynn Greenberg,2010-03-15 Was there ever really a black Jewish alliance in twentieth century America And if there was what happened to it In Troubling the Waters Cheryl Greenberg answers these questions more definitively than they have ever been answered before drawing the richest portrait yet of what was less an alliance than a tumultuous political engagement but one that energized the civil rights revolution shaped the agenda of liberalism and affected the course of American politics as a whole Drawing on extensive new research in the archives of organizations such as the NAACP and the Anti Defamation League Greenberg shows that a special black Jewish political relationship did indeed exist especially from the 1940s to the mid 1960s its so called golden era and that this engagement galvanized and broadened the civil rights movement But even during this heyday she demonstrates the black Jewish relationship was anything but inevitable or untroubled Rather cooperation and conflict coexisted throughout with tensions caused by economic clashes ideological disagreements Jewish racism and black anti Semitism as well as differences in class and the intensity of discrimination faced by each group These tensions make the rise of the relationship all the more surprising and its decline easier to understand Tracing the growth peak and deterioration of black Jewish engagement over the course of the twentieth century Greenberg shows that the history of this relationship is very much the history of American liberalism neither as golden in its best years nor as absolute in its collapse as commonly thought

**Menageries** Jody Berland, 2024-11-26 The close interdependency of animal emissaries and new media from early European colonial encounters with the exotic to today's proliferation of animals in digital networks From cat videos to corporate logos digital screens and spaces are crowded with animal bodies In Virtual Menageries Jody Berland examines the role of animals in the spread of global communications Her richly illustrated study links the contemporary proliferation of animals on social media to the collection of exotic animals in the formative years of transcontinental exploration and expansion By tracing previously unseen parallels across the history of exotic and digital menageries Berland shows how and why animals came to bridge peoples territories and technologies in the expansion of colonial and capitalist cultures Berland's genealogy of the virtual menagerie begins in 1414 when a ruler in Bengal sent a Kenyan giraffe to join a Chinese emperor's menagerie It maps the beaver's role in the colonial conquest of Canada and examines the appearances of animals in early moving pictures The menagerie is reinvented for the digital age when image and sound designers use parts or images of animals to ensure the affective promise and commercial spread of an emergent digital infrastructure These animal images are emissaries that enliven and domesticate the ever expanding field of mediation Virtual Menageries offers a unique account of animals and animal images as mediators that encourage complicated emotional economic and aesthetic investment in changing practices of connection **Film & Video Finder**, 1989 **Your Magickal Cat** Gerina Dunwich, 2018-11-27 The purrfect reference

Tibbetts, 2016-08-29 Horror novelist Peter Straub creates highly personalized fiction with an allusiveness and ambiguity that deny the genre's explicit nature For him the Gothic style is to be created and recreated in a changing world Faustian pacts buried secrets haunted places ghosts vampires and succubi take on strange new shapes and effects Stephen King describes Straub's style as a synthesis of horror and beauty Drawing on interviews with Straub and featuring an exclusive interview with King this study explores the work of the author who has been called a writer of rare wit and intelligence in a field beset with cynical potboilers Douglas E Winter Washington Post October 14 1984     **Utah Libraries** ,1964     Children's Book Review Index ,1985     **Meows from the Manse** Barry Blackstone, 2022-08-30 If you are a cat lover and a Christian then this book is for you Seventeen years in the making Meows from the Manse is a collection of remembrances and reflections from a Maine pastor about his cat of a lifetime and the years they lived together at the parsonage manse of the Emmanuel Baptist Church in Ellsworth Maine Eddie was a stray tomcat that eventually worked his way into the heart of this reluctant minister despite the fact that this man of the cloth never liked cats Surrounded by cats in his younger years on a family farm and always living with a cat or two because of his wife's love affair with cats Coleen's last cat would live twenty two years sixteen of them with Eddie and his kid's love of cats the exploits and experience with Eddie would change this pastor's mind about cats teaching him the biblical challenge of Job 12 7 But ask now the beasts and they shall teach thee Relive the years with Eddie and the Pearl Coleen's cat and the enriching spiritual lessons this preacher learned from his constant companion and friend through the challenging years as a pastor of a small coastal church the death of a thirty nine year old son and the passing of his dear wife of forty eight years The cat tales begin with Eddie's arrival across from the pastor's church and end with the passing of Eddie from throat cancer In between are insights you might not believe from the Bible but for the author were some of the best sermons he heard during that period of his life Without a doubt for this widower the messages meows from Eddie were some of the best he ever heard but he will let you be the judge     Duroc Digest ,1920
