Moments of Grace and Spiritual Warfare in the Lord of the Rings Anna Marie Gazzolo,2012-10-11 In J R R Tolkiens desire to create a mythology for his homeland he actually made one for every person every land and every age The Lord of the Rings is a catechism of spiritual warfare cleverly disguised as a fantasy The struggle against evil that takes place inside its pages is the same one that occurs even now within the soul of each person As we cannot leave the field of battle until death takes us from it we should learn as much as we can about how to fight from those who have labored before us Certainly the Red Book of Westmarch is one source to use We may not have to sacrifice ourselves as does Gandalf but we can learn from him and his wise counsels and from the others who he taught Frodo guides us as well as he makes his torturous journey to Mount Doom and endures the Rings unceasing temptations With him we see that sometimes we overcome our temptations and at other times they overwhelm us We also learn as he and Boromir do to get back up and start the struggle anew Sam shows us the height of hope and the depth of devotion In fact everyone in the tale good as well as evil has something to teach us Anne Marie Gazzolo hopes that you will find inspiration within to apply to your life Finding God Beyond Harvard Kelly Monroe Kullberg,2009-04-21 Engaging narrative and provocative content come together in this mind stretching and heart challenging journey Come with Kelly Monroe Kullberg on an intellectual road trip as The Veritas Forum explores the deepest questions of the university world and the culture at large Discover that Veritas transcends philosophy or religion and instead brings us to true life *The Road Goes Ever On and On* Jeb Smith,2023-04-12 Engrossing Tolkien's principles patriotism Medievalism localism Catholicism are certainly out of fashion today And yet they're the foundation for all his books which have sold hundreds of millions of copies Mr Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar every page of Mr Smith's book will delight and fascinate And if anyone ever tells you that fairy tales are only for children hand him this book Tolkien ought to be regarded as one of the great social critics of our time as Mr Smith so masterfully demonstrates Michael Warren Davis is an editor for Sophia Institute Press and the author of The Reactionary Mind Why Conservative Isn't Enough You can find him on his blog The Common Man As the popularity of Tolkien's work continues to endure the importance of Jeb Smith's work continues to grow This is because of a prolonged siege against Tolkien's work the attempt to dislodge it from its Christian and Biblical foundations Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers Scott L Smith author of Lord of the Rings and the Eucharist J R R Tolkien's Middle earth has captured the imaginations of millions of readers around the world for generations He is considered the father of modern fantasy but few understand how Tolkien's worldview impacted his mythology The Road Goes Ever On and On is the first book of its kind to place Tolkien within his proper context giving the reader a deeper understanding of Tolkien and Middle earth Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective a perspective that like the elves who
