When a Woman Loves a Man James Ford Jr.,2011-03-01 When a woman loves a man it s like all the cliches you have ever heard She stands by her man He has sunshine on a cloudy day She makes him feel like a natural man When a woman loves a man you are looking at how Christ loves She puts his needs before her own She focuses on what he needs and how he needs it When a woman loves a man she is his biggest cheerleader and encourager She will go to great lengths to protect him and promote him Although Jezebel was definitely an ungodly woman she showed her love for Ahab even though that love contributed to her death When a woman loves a man she stands by him against all odds in front of him against all foes and behind him to protect his back The Bible states that God took part of the man s rib and made the woman This is significant for many reasons one of which teaches us that the woman s love would be expressed in her protection of her husband emotionally The ribcage protects the vital organs like the heart and the lungs Yes God has made man the physical protector of the woman but He s equalled the playing field by making the woman the emotional protector of the man It has been said that man is the head but it is the woman that turns the head In Titus chapter 2 the older women are to teach the younger women how to love their husbands When a Woman Loves a Man will explore and explain the characteristics that a woman demonstrates that expresses her love to her man in the way that God intended *After Death* Sekhar Reddy

Vasa,2020-12-24 Dear readers generally authors exhibit their expertise on the subject that they are writing about based on their experiences But writing about death and the life after is not easy as it cannot be seen and cannot be experienced It is very difficult to understand death and the life after even if someone explains to us since it is invisible to the human eye However bible tells us very clearly about the journey of souls after death It took lot of effort to make every point written in this book to be biblical because no one will believe if I write about journey of souls without proper references I am happy to say that this book is complete to some extent as I am able to find biblical references for journey of souls after death Where are the souls of our forefathers that died before us This question makes us curious to know the truth At the same time the thought of death and life after causes us to get frightened and we then try to avoid thinking about it Only few of us realize that there is a long life after our death This book is a great gift for those who wants to know more about it **You Are Sent**

Nathan Sloan,2022-08-22 Our life changing relationship with Christ comes with a new life changing sent identity Learn how the Spirit that sends us fills us with God s heart to share the gospel with those near and far In this nine week study discover God s passion for local and global mission and be empowered to make Jesus known everywhere you go
