Finding God Ten Jewish Responses

Saul Boyarsky

Finding God Ten Jewish Responses:

Finding God Rifat Sonsino, Daniel B. Syme, 1986 This is a book about God specifically about the different ways Jews have spoken of God throughout history In its examination of 4 000 years of Jewish thought it presents the broad spectrum of theological opinions that have been explored and affirmed by great Jewish thinkers ancient and modern Many Jews today avoid speaking about God Unable to accept the traditional notions presented to them as authoritative they often turn to other faiths or cults that offer the possibility of spiritual expression more in keeping with their personal God concept Unaware of the variety within Judaism they abandon their religious community in the mistaken impression that their longing for God cannot be satisfied within the faith of their ancestors In this book the authors skillfully present ten distinct Jewish theological perspectives each of which has something to say to us today about our lives as individuals and as Jews Each grapples with the following crucial questions What is God Is there more than one God What is God s name How can we know God What is God s relationship to the world Does God have a special relationship with the Jewish people What does God want from us How does God relate to me Why is there evil in the world If we make it possible for one Jew to reclaim his or her Jewish spiritual identity the authors write if we help others to begin to talk about God without ambivalence or embarrassment if we serve as a catalyst for further study of these and other Jewish thinkers we will consider our work worthwhile *Finding God* Rifat Sonsino, Brad Gerstle, Daniel B. Syme, 1986-03-01 Covers 4 000 years of Jewish thought and how Jews have spoken of God throughout history Ten distinct Jewish theological perspectives on belief help readers discover that no single interpretation is the Jewish God concept [Six Jewish Spiritual Paths](#) Rifat Sonsino, 2013-01-03 The quest for spirituality is universal but with so many paths of spiritual nourishment to explore how do we begin to find the one that is right for us Our tradition provides us with appropriate vehicles to express our spirituality within the framework of Judaism Jewish sages taking into account the need and makeup of the individual Jew have been very generous in outlining for us various alternatives As you become aware of your emotional and intellectual needs and search for an appropriate path to meet them with integrity you will soon realize that you have a preference for certain paths among the many from Chapter 9 Rabbi Rifat Sonsino a self proclaimed rationalist offers a candid comprehensive discussion of the major paths to spirituality within the framework of Judaism and the differing way each path can help us on our quest to nourish the soul and enlighten the mind Acts of transcendence prayer meditation study ritual relationship and good deeds which is the best path for you How can you follow it *The Ultimate Jewish Teacher's Handbook* Nachama Skolnik Moskowitz, 2003 This complete and comprehensive resource for teachers new and experienced alike offers a big picture look at the goals of Jewish education [Investigating Prayer](#) Ian Olver, 2012-10-11 This book relates the experience of researching planning and conducting a scientific study into intercessory prayer prayer for others The purpose of the study was to ascertain whether the impact of prayer could be measured in a formal study based on the large number of anecdotal reports of efficacy The study was a prospectively

randomized double blind trial that added prayer by an established Christian prayer group to conventional therapy for cancer The unique design feature was that the primary endpoint was a change in a validated scale of spiritual well being The patients were informed that they were participating in a study about spiritual well being and quality of life but remained blinded to the intervention The initial observation from the baseline data was that spiritual well being made a unique contribution to quality of life The final outcome of the study was that there was a statistically significant difference in spiritual well being favoring the prayer group The background includes a fascinating review of the medical literature on the topic which contains positive and negative studies that each attracts a vigorous debate about methodology endpoints and whether metaphysical phenomena can or should be studied using scientific methodology The complementary and alternative medicine literature is also equivocal as to whether prayer arguably the most common complementary medical therapy should be included in the range of interventions grouped under that heading In addition to reporting the background and results of the study the book explores the reactions of a range of individuals to the trial all of which help reflect on the nature of prayer

The Ten Challenges Leonard Felder,2004-01-01 This book focuses on the wisdom of the writings commonly known as the Ten Commandments as a source of guidance on how to live a meaningful and satisfying life Written from the perspective of a psychologist the book focuses on practical living not on religious instruction Interpretations from all major religions as well as philosophical and psychological thought are drawn on to make this a well rounded and broad based analysis of the timeless wisdom of the Ten Commandments **Jewish Spiritual Parenting** Rabbi Paul Kipnes,Michelle November, MSSW,2015-07-20 Spiritually nourishing approaches to help you become more insightful inspired parents and raise soulfully engaged children Kipnes and November share their hard won parenting techniques and spirit filled activities rituals and prayers to help you cultivate strong Jewish values and cherished spiritual memories in your own family The God Upgrade Jamie S. Korngold,2011 In this provocative look at the many faces of God Jamie Korngold examines how our concept of God has changed over the centuries and how these changes have shaped every aspect of Judaism The Messiah and the Jews Rabbi Elaine Rose Glickman,2013-02-01 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism s gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature

she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish

The Jewish Lights Spirituality Handbook Stuart M. Matlins, 2012-11-01 What is Jewish Spirituality How do I make it part of my life Today's foremost spiritual leaders share their ideas and experience Whether you are just curious intently searching for greater personal meaning or actively seeking ideas information practices and inspiration to enrich your spiritual life The Jewish Lights Spirituality Handbook is the ideal companion for your journey as it explores Awakening the Possibilities What Is Jewish Spirituality The Worlds of Your Life Where Is Spirituality Found The Times and Seasons of Your Life When Does Spirituality Enter Swords and Plowshares How to Forge the Tools that Will Make It Happen So What Do You Do With It Why Spirituality Should Be Part of Your Life Fifty of our foremost spiritual leaders invite you to explore every aspect of Jewish spirituality God community prayer liturgy healing meditation mysticism study Jewish traditions rituals blessings life passages special days the everyday repairing the world and more offering in one place everything you need to discover all the directions that Jewish spirituality can go and can take you to The royalties from The Jewish Lights Spirituality Handbook are donated by the contributors and publisher to America's Jewish seminaries

Sacred Fragments Neil Gillman, 1990 The modern Jew living in a world of shattered beliefs and competing ideologies is often confronted with questions of faith Sacred Fragments is for those who still care enough to continue the struggle In forthright nontechnical language the author addresses the most difficult theological questions of our time and shows that there are still viable Jewish answers for even the greatest skeptics

Historical Dictionary of the Jews Alan Unterman, 2010-11-15 The Historical Dictionary of the Jews presents the history of the Jewish people and their religious culture in a way that makes clear how and why this small ancient people have survived nearly four millennia and managed to play such an important role in the world well out of proportion to their population The Jews trace their origins far back in history to the early tribes of Judah and Moses Over the centuries they spread across much of the Western world as well as into parts of Africa and Asia until they were crushed by the Holocaust and were forced to find refuge in the United States and the new state of Israel Because of that horrific event of the estimated 15 million Jews living today approximately six million reside in Israel with almost the same number living in the United States making these two countries the main center of Jewish life today This ready reference tells the history of the Jewish people through a detailed chronology an introductory essay an extensive bibliography and over 200 cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics This book is an excellent access point for students researchers and anyone wanting to know more about the Jewish people

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew

Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education

Realizing God for the Future Saul Boyarsky, 2007-06 provides timeless wisdom in extremely practical steps It unlocks the doors to a more healthy peace filled life A powerful book Harold G Koenig M D One of the world s leading authorities on spirituality and health If widely accepted its positive consequences for the world we live in could be groundbreaking Dr Marianne Friedrich Saul Bellow Scholar Well written and well researched Joanna V Hill Director of Publications The Templeton Foundation Press Finding the true God inside us for the future as personal responsibility initiative accountability and principle Change is inexorable creating opportunity crises best managed through process theology God must be truthful without truth full life love justice and virtue cannot exist Science and religion must marry not quarrel They are opposite sides of the same gold coin Why do prophets succeed where priests fail God is absolute though morals and ethics may be relativistic Biotheology teaches us ecological humility and awareness Managing evil by restoring living units to wellness through rehabilitation of people groups and societies Issues and questions outlast answers leading us in the future to more sophisticated answers through science *Teaching about God and Spirituality* Roberta Louis Goodman, 2002 A wide array of renowned scholars and practitioners share their ideas for teaching about God from a Jewish perspective in this comprehensive collection This enlightening yet practical resource includes ready to use lessons for preschool through adult and family education as well as background material to enrich the teacher s own sense of God and spirituality Chapters include Writing a Personal Theology by Dr Neil Gillman The Changing Perceptions of God in Judaism by Rabbi Rifat Sonsino The Spiritual Condition of American Jews by Dr David Ariel The Image of God as Teacher by Dr Hanan Alexander Spiritual Mentoring by Dr Carol Ochs Tell Me a Story by Rabbi Sandi Eisenberg Sasso Maimonides's Yahweh Amy Karen Downey, 2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16

Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by

secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

Between Man and God Martin Sicker, 2001-06-30 Sicker presents a personal attempt to come to grips with the awesome question Where was God at Auschwitz and with it some of the related central issues of Jewish thought and belief There is a tendency among many writers of contemporary work of theology to argue that the very fact of the Holocaust invalidates traditional Jewish theory and that its long held ideas about God must therefore be revised radically However Jewish thinkers have long asked the equivalent of this troubling question albeit in reference to other places and times in Israel s history and have offered possible answers just as we do today The big difference between then and now is not the enormity of the Holocaust but the readiness of earlier thinkers to search for meaning without almost cavalierly discarding traditionally cherished ideas and beliefs The author argues that modern advocates of radical theological revision actually have little to add to our understanding of the ways of God and even less to a meaningful Judaic perspective on the universe and the relationship between man and God A second concern is the contemporary argument that because there is no universally accepted theology of Judaism one is not bound by any particular conception of God whether of biblical or rabbinic origin Jewish theology has thus come to be viewed essentially as an equal opportunity field of intellectual endeavor an approach Sicker considers fundamentally and fatally flawed Traditional non dogmatic thought does not require radical revision What is required is a sympathetic understanding of the theological assumptions and ideas of the past coupled with a sincere and respectful attempt to reformulate them in terms more attuned to the modern temper

The Jewish Journaling Book Janet Ruth Falon, 2013-01-24 Explore your experiences relationships and feelings through this guided tour of journal keeping in Jewish tradition Journaling has been and remains an inherently Jewish activity From the Kabbalist

mystics who recorded their practices of reaching altered states of consciousness to the more recent journals of those who lived during the Holocaust to the spiritual precedent for Jewish journal keeping at holy times of the year writing recording and reflecting have long been a part of Jewish custom Janet Ruth Falon delves into the practical aspects of keeping a journal as well as how you can use your journal to nurture Jewish values and concerns Using examples from her own writing she demonstrates how journaling can unleash your creativity and reveal aspects of yourself that you may not have thought about before She also includes 52 journaling tools that teach specific techniques to help you create and maintain a vital living journal from a Jewish perspective Inspiring and practical this guided tour of journaling shows how yours can be used to better understand yourself and the world

Jewish Pastoral Care 2/E Rabbi Dayle A. Friedman, MSW, MA,
BCC,2013-01-30 The first comprehensive resource for pastoral care in the Jewish tradition and a vital resource for counselors and caregivers of other faith traditions The essential reference for rabbis cantors and laypeople who are called to spiritually accompany those encountering joy sorrow and change now in paperback This groundbreaking volume draws upon both Jewish tradition and the classical foundations of pastoral care to provide invaluable guidance Offering insight on pastoral care technique theory and theological implications the contributors to Jewish Pastoral Care are innovators in their fields and represent all four contemporary Jewish movements This comprehensive resource provides you with the latest theological perspectives and tools along with basic theory and skills for assisting the ill and those who care for them the aging and dying those with dementia and other mental disorders engaged couples and others and for responding to issues such as domestic violence substance abuse and disasters
