Finding Peggy Meg Henderson, 2010-12-15 Now features never before published extra chapter Glasgow in the 1950s was a deprived and often violent place Meg Henderson was part of a large family and when the tenement block in which they lived collapsed they had to move to the notorious Blackhill district where religious sectarianism and gang warfare were part of daily life Yet despite appalling conditions there was warmth laughter and a remarkable spirit and Meg's mother and her Aunt Peggy both idealistic and emotional women shielded her from the effects of her father's heavy drinking A hopeless romantic Peggy searched for a husband until late in life and then endured a harsh unhappy marriage When she died horrifically in childbirth her death devastated the family and destroyed Meg's childhood Only later after the death of her own mother was Meg able to discover the shocking facts behind the tragedy Love Will Find a Way Ellie Dean, 2024-03-28 Cliffehaven December 1946 From a hill above the town of Cliffehaven a young woman makes a heart breaking choice that will change the course of her life forever Hours later a baby is found in the Nativity crib of the local church Who could have left him there and why The mystery preoccupies everyone in Cliffehaven not least Peggy Reilly who has enough to contend with at Beach View Boarding House without this extra secret to unravel What's certain is that the whole community will pull together to keep the baby safe and to support his mother when the truth of her identity is finally discovered The latest gripping installment in Ellie Dean's Cliffehaven series With Promises to Keep is available to pre order now **Reframing Trauma** M. Jan Holton, Jill L. Snodgrass, 2025 As awareness of the widespread presence of trauma grows popular culture can name everything stressful traumatic Yet diagnostic definitions of trauma overlook cultural understandings that refine our conceptualization of trauma M Jan Holton and Jill L Snodgrass argue for a theory and theology of trauma to navigate such complexities In Reframing Trauma Holton and Snodgrass compile essays that expand our understanding of trauma as a stress trauma continuum The volume engages the challenges of racism eco violence and myriad sociopolitical and interpersonal injustices that injure individuals communities and the globe Each essay is grounded in a strength based approach to trauma and contextualizes our societal negativity bias within spiritual values of hope growth and resilience Meanwhile the understanding of a trauma stress continuum avoids diminishing the suffering that emerges from stress and trauma of all kinds Holton and Snodgrass also offer a reframed theology of trauma The volume mines Christian theology and wisdom from other faith traditions for insight into interpersonal and communal woundedness that paradoxically both expands and narrows our understandings of trauma This exploration helps identify implications for spiritually integrated care and counseling chaplaincy and pastoral education The result is a groundbreaking understanding of stress and trauma as an ever evolving concept that is imbued with theological and spiritual wisdom Such wisdom eschews the limitations of Western understandings of trauma This wisdom offers insight into how stressful and traumatic experiences can be both life limiting and life giving both despair inducing and the impetus for growth and resilience Reframing Trauma will engage educators in

pastoral and practical theology spirituality and psychology care practitioners in congregational and healthcare settings and clinical mental health professionals who offer spiritually integrated care Likewise trained Christian laity will find the book an invaluable resource for cultivating an inclusive and meaningful understanding of trauma in their congregational caregiving

Fluke and Laura Childs Booklist God's Puppets Imogen Clark, 1901 Baja California Adventures Froylan

Tiscareño, 2013-05-31 The stories featured in *Baja California Adventures* take place during a span of almost sixty years of travel in the rugged parched yet hauntingly attractive peninsula. The author kept detailed notes on most of his trips then fleshed out this skeleton in a narrative that places the reader in the role of participant in the adventure. Thus one feels the bite of the 4WD tires into the desert sand newly hard packed by the moisture of a quick moving thunderstorm. The author describes the excitement of finding Indian petroglyphs arrowheads or clay ollas in remote canyons. Because Mr Tiscareño is also a pilot many of the trips included here involve mention of the special immigration rules for private fly in tourists. Finally there are Baja adventures in the pine clad granite fortress that is the Sierra de San Pedro Mártir in the northern part of the peninsula. Here the author joined other veteran Bajeros in hoof and boot or horse assisted explorations. In short this book should be inspiration to those readers who want to visit Baja California particularly the less tourist trod destinations.

, 1853 **Second Sight** Meg Henderson, 2012-07-30 The moving story of a woman sending her pilot son away to fight in the Second World War from one of Scotland's bestselling best loved storytellers. Nancy MacLeod's great great grandfather brought his family to Cape Breton Nova Scotia from Raasay a tiny Scottish island in the 1840s in hope of a better life. They prospered in this new world despite the harsh and unforgiving winters but clung on to their old traditions and customs for comfort. Born at the beginning of a new century Nancy has no patience with the old ways. She declares herself a Canadian and ignores the signs that she has inherited the family's Second Sight. But when her brothers leave home to serve in the First World War she experiences strange things that she neither understands nor wants to so when she marries she moves far away from superstitious Cape Breton. Then the Second World War breaks and her eldest son Calli goes to England to pursue his dream of being a bomber. Command pilot Calli's plane is shot down and his body never found. Nancy is unable to accept his death. She can still sense a feeling of life attached to him a branch of the family tree that grows unstoppably while all hope seems lost. And Annie a girl growing up in Glasgow has always seen a man in the corner a young pilot she doesn't know but somehow feels a strange connection with. *A Scent of Bluebells* Meg Henderson, 2012-07-30 Family prejudice forces a
