## **Finding Time Other Delicacies:**

Finding Time & Other Delicacies William F. Schulz, 1992      The A to Z of Unitarian Universalism Mark W.

Harris, 2009-07-29 Small though it may be Unitarian Universalism has had a big impact not only on its members but also on the world around it Rejecting the constraints of other Christian denominations it sought tolerance for itself and surprisingly freely granted tolerance to others Evolving in its principles and practices over a relatively short lifetime it shows every sign of developing further reaching beyond Christianity to embrace what is good in other more diverse religions Unitarian Universalism has also regularly been at the forefront in fighting for social causes including abolition temperance women s suffrage pacifism educational reform environmentalism and others Unitarian Universalism has also spread with time First developed in present day Romania and Hungary its center shifted early to England but its most successful story is the way it grew and flourished in the United States This reference covers numerous subjects both historical and contemporary with entries on the places where the church was present many more on significant leaders and an impressive number on causes and issues All the important people events and ideas in this religion are included as well as important late 20th century battles including racism and new principles and purposes      **Historical Dictionary of Unitarian Universalism** Mark W.

Harris, 2018-08-31 The Unitarian Universalist religious movement is small in numbers but has a long history as a radical reforming movement within Protestantism coupled with a larger liberal social witness to the world Both Unitarianism and Universalism began as Christian denominations but rejected doctrinal constraints to embrace a human views of Jesus an openness to continuing revelation and a loving God who they believed wanted to be reconciled with all people In the twentieth century Unitarian Universalism developed beyond Christianity and theism to embrace other religious perspectives becoming more inclusive and multi faith Efforts to achieve justice and equality included civil rights for African Americans women and gays and lesbians along with strident support for abortion rights environmentalism and peace Today the Unitarian Universalist movement is a world wide faith that has expanded into several new countries in Africa continued to develop in the Philippines and India while maintaining historic footholds in Romania Hungary England and especially the United States and Canada This second edition of Historical Dictionary of Unitarian Universalism contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 400 cross referenced entries on people places events and trends in the history of the Unitarian and Universalist faiths including American leaders and luminaries important writers and social reformers This book is an excellent resource for students researchers and anyone wanting to know more about Unitarian Universalism      *Reversing the Rivers* William F. Schulz, 2023-05-16 From 1994 to 2006 William F Schulz headed Amnesty International USA During this time he and the organization confronted some of the greatest challenges to human rights including genocides in Rwanda Bosnia and Sudan controversies over the prison camp at Guantanamo Bay Cuba and the use of torture by the United States after 9 11 as well as growing concern about inequities in

the American justice system from police misconduct to the death penalty Drawing upon his encounters with tyrants the inspiration of brave human rights heroes and collaborations with celebrities ranging from Patrick Stewart to Salma Hayek Schulz uses poignant narrative and amusing anecdotes to discuss the day to day realities of struggling with life and death human rights crises In the process he ducks an assassination threat in Liberia brings tears to the eyes of the Prime Minister of Northern Ireland and bests America's self-described toughest sheriff on Bill Maher's Politically Incorrect Full of reflection as well as action *Reversing the Rivers* provides Schulz with the opportunity to address profound philosophical questions such as What is the nature of evil How do we foster the better angels of our nature When may we use force to stop people from using force Is the prohibition on torture as simple as it seems and What's wrong with an eye for an eye Most important in an eloquent concluding chapter he answers the quandary most frequently posed to him during his years at Amnesty Given all the horrors in the world you see day after day how do you retain any hope at all in humanity
