For them, libraries become a place for work, the place to research an assignment or find a book for a report, but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units such as Cartoon Cavalcade, Log On at the Library, Go in Style, Cruising the Mall, Space Shots, Teens on TV, and 44 others that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs.      Don't Let Death Ruin Your Life Jill Brooke, 2002-01-29 In her unique guide, Jill Brooke reveals how to cope with grief and turn this time of sadness into an opportunity for positive change and growth. Although they are no longer physically with us, we can keep our loved ones emotionally and spiritually close by incorporating their memories into our daily lives. As we draw comfort from their sustaining presence, we can have a positive impact on those around us. Recent research shows that the trauma of loss can stimulate creativity, which leads to new opportunities for happiness and success. Katie Couric and Rosie O'Donnell are just a few people in this book who have coped with loss in unique and special ways. Including tips on how to preserve our memories, create lasting family histories, and reach out to others, *Don't Let Death Ruin Your Life* shows how the experience of grieving helps us to heal, learn, and grow. Filled with gentle guidance and practical advice, this indispensable handbook takes readers on a journey that will motivate, inspire, and transform their lives. Should be on everyone's bookshelf.
