The Church in the Workplace C. Peter Wagner, 2006-05-20 If Christians are in the workplace, then so is the church. In *The Church in the Workplace*, C. Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry, a service to God, and even worship as what believers do on Sunday in their local churches. A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two. Wagner does just this as he looks at the biblical perspective on work, the Holy Spirit's call to the church to bring about social transformation, and worldwide examples of the role the church has already played in the workplace.

Peter Wagner, 2010-03-01 For the past four decades this highly effective method of evangelism has been vastly overlooked As a result large segments of the population have remained unreached No single church can meet every person's needs that's why planting new churches ones that will meet the needs of specific groups is so necessary Now after ten years of research and teaching on the subject C. Peter Wagner shares his knowledge and insight in this comprehensive guide on how to plant a church It's an up to date textbook on church planting and a helpful summary of church growth principles in general Church Planting for a Greater Harvest contains everything Wagner taught in his highly successful How to Plant a Church seminar a presentation that was offered sixteen times and drew 5 000 participants Today as we see a renewed interest in church planting the Lord is blessing the efforts of church planters everywhere The future can be an exciting time of growth for churches Get ready to be carried into what could be the greatest era of harvest the world has ever seen What the Bible Says about Spiritual Warfare C. Peter Wagner, 2001 Answers simply clearly the questions concerns of many Christians regarding spiritual warfare **Men Mentoring Men** Daryl G. Donovan, 1998 This resource guide deals with foundational Christian principles and practices How to pray study the Bible be led by the Holy Spirit how to share one's faith Men will learn about taking responsibility for marriage parenting finances sexual issues and more *Unfettered Spirit* Robert D Cornwall, 2021-07-19 2nd Expanded Edition All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It's much easier to simply close the doors and windows than it is to deal with the wind John 3:8 After all they've seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has

seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit Spiritual Gifts for the New Great Awakening* Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book *Feed My Sheep, They Are Dying* Dr. Shirley A.
