A Master Class on Being Human Anthony Pinn, Brad Braxton, 2023-07-25 A conversation between 2 eminent Black thinkers on how to work together to make the world a better place despite deep religious differences Brad Braxton and Anthony Pinn represent two traditions Christianity and Secular Humanism respectively that have for centuries existed in bitter opposition For too long people with different worldviews have disparaged and harmed one another Instead of fighting each other Braxton and Pinn talk with listen to and learn from one another Their wide ranging conversation demonstrates the possibility of fruitful exchange that accounts for rather than masks their differences Written amid the Covid 19 pandemic threats to our democracy and national protests for racial justice **A Master Class on Being Human** shows us that constructive dialogue can help us pursue the common good without sacrificing our distinctive identities In conversations that are frank personal and deeply informed by scholarship Braxton and Pinn discuss topics that are urgent and immediate such as the ongoing violence against Black communities the rise of religiously unaffiliated communities the Black Lives Matter movement They also ponder those broader philosophical and theological questions that inform our politics and sense of what it means to be human the meaning of religion the stubborn dilemma of moral evil the power and problems of hope Braxton and Pinn invite us to join them in a master class as they strive to create a world where differences are not tolerated but instead celebrated In that kind of courageous classroom all can learn how to be better people who in turn transform the world into a better place

Two Making One Amor and Eros in Tandem Reidulf Molvaer, 2009 Dominant views about sex have in most churches been distorted by centuries of negative accretions and become travesties of what we find in the Bible Dr Reidulf Molvaer In this book Dr Reidulf Molvaer

attempts to recapture the joyful cheerful abandon in legitimate sexual relationships that we see in the Bible yes the Bible From the Song of Solomon in the Old Testament to Saint Paul s advice on intimacy in the New Testament you are presented with the real meanings of these ancient texts and learn why the Church has interpreted the Song as an allegory rather than as a description of the joyous sexual experience it truly is Could there be any greater glorification of sex than to let ideal love between man and woman illustrate the union between the devout and the divine Dr Molvaer demystifies fairytale images of the Virgin Mary compares biblical sexual ethics to various cultures and discusses tales of eccentrics who have been elevated to sainthood This book rediscovers what has been misrepresented for generations and encourages Christians and others to think afresh about one of the greatest and most disputed acts of devotion found in the Holy Bible Dr Reidulf Molvaer attended university in Oslo Norway and received his Ph D from London University England He spent 20 years in development work for churches and the U N in Africa and was a senior researcher in Oslo until his retirement Publisher s website <http://www.eloquentbooks.com/TwoMakingOne.htm> *Christian Armor* David C. Bellusci, 2024-04-02 The Rosary signifies prayer a form of daily prayer and meditation for millions of Roman Catholics across the world and has been for centuries The Rosary unites the followers of Christ as one family in a common faith baptism and Lord The power of the Rosary stems not only from the intercession of the Mother of our Savior but each of the twenty mysteries finds its source in the Bible The truth of the word of God teaches us not only that the Father sent his Son to save us from our sins so we may have eternal life but also how we live our communion with Christ through our daily choices The Rosary and the Bible lead us to Jesus Christ the Scriptures point to Jesus and Jesus is at the very center of the Rosary And so the Rosary and the Bible provide us with the armor we need to help us in combat against Satan s deceptions lies and attacks To know the truth we need the word of God and to live in truth Jesus gives us his mother at the cross This is your mother We need the grace of God Mary s intercession and the word of God in spiritual combat Hot Topics Behrman House, Susan Freeman, 2005 Ideal as a complete course text or as an informative supplement to one shot classroom discussions this complement to Teaching Hot Topics encourages students to engage with issues through its interactive design pertinent scenarios probing questions and charts that summarize points and counterpoints for each topic Exploring the Dimensions of Human Sexuality Greenberg, Clint E. you aren't alone Global pandemic Economic crisis Racial tensions Political polarization Climate change The converging crises expose our timeless need for an internal compass to guide us through disruption disorientation and change James Harnish invites you into six crucial moments when Jesus found his bearings by recalling words and stories from the Old Testament By connecting Jesus story with your own you can find your bearings as you walk the way Jesus walked in the way that Jesus walked it It's the way that leads to life Questions for Reflection create an opportunity for you to pause find your place in the story and determine your next step along the way These may also be used for journaling or small group discussion

Spencer III, 2017-03-21 Ever struggled to find the right words to talk about the threat of pornography with your kids Too many of us avoid the subject depending on simple technology filters to protect them Yet children at very early ages are under attack and at risk to fall prey to pornography addiction As parents we must be prepared to deal with the issue head on Every Parent's Battle A Family Guide to Resisting Pornography not only exposes the frightening prevalence of pornography in our sex obsessed culture it equips parents with concrete and tested
