## **Finding A Faith That Makes Sense:**

**Finding a Faith That Makes Sense** R Scott Colglazier, 1996-01-01 A working pastor introduces spiritual seekers to a faith that is balanced and sensible Four sections cover the Bible God prayer Jesus and the Holy Spirit **Finding Faith---A Search for What Makes Sense** Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul **Finding Faith---A Search for What Is Real** Brian D. McLaren, 2009-07-13 There have been times when you ve felt that if there isn t a God there ought to be Swept up in the mystery of the night sky you ve felt the closeness of its designer Nature s extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you re not even sure exists Religious jargon and games can t satisfy such a longing It s got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul Losing Your Religion, Finding Your Faith Brett Hoover, 1998 In this lively challenging book Brett Hoover says that the typical young adult loss of faith is a necessary part of maturing spirituality faith can grow only when religion is doubted lost and found again in a new light Using the metaphor of a road trip Hoover describes the lifelong process of discovering both God and self Losing your religion is just one necessary obstacle on the road to a holistic spirituality **The Story We Find Ourselves In** Brian D. McLaren, 2019-03-05 Book Two in The New Kind of Christian Trilogy The Story We Find Ourselves In is the sequel to Brian D

McLaren's award winning book *A New Kind of Christian* His witty and wise characters take on difficult faith busting themes from evolution and evangelism to death and the meaning of life and reveal that the answers to life's pressing spiritual questions often come from the most unlikely sources Dan and Neo and some new characters as well invite reflection on the story we find ourselves in that is the narrative of God's presence and meaning in the world now and in the future [Finding Faith](#) Denise Hunter, 2018-05-15 Set in the high pressure world of a Chicago TV newsroom award winning author Denise Hunter brings to life a heartwarming story of love and pain desperate choices with dire consequences and honesty and redemption One woman sacrificing everything for her career A young girl's longing for acceptance And the road to forgiveness Paula Landin Cohen an investigative reporter feels like a fish out of water in the small town of Jackson Hole Wyoming Then she's offered her dream job as a TV reporter in Chicago There is so much to gain and so much to lose including the only man she's ever loved Linn Caldwell has made a lot of mistakes bad mistakes She can never forgive herself for all the pain she's caused others How can she dare to get close to anyone again What will happen if Paula and Linn's secrets are revealed Will the men they love ever be able to forgive them *Finding Faith* is the third novel in the New Heights series after *Mending Places* and *Saving Grace* [Finding Faith](#) Niki Hershey Knisley, 2019-10-02 Faith Brooks prodigal daughter has returned attempting to put the past year of rebellion behind her Remarkably she's been restored into the loving arms of her family and her old life But past decisions have consequences she is now a mere shell of herself pregnant penniless and heartbroken Choosing her baby's life over Gabe who she thought was her soulmate was the right thing to do yet she cannot easily relinquish her love for him Faith must decide whether to raise her daughter or give her up while struggling to move on without Gabe And what is her true calling now that the hope of a musical career has also been sacrificed She may have crossed the bridge to get back on the right path but she can't help looking back and wondering if Gabe will ever be part of her life again And if the daughter they created will ever know her father *Finding Faith* the second in the Faith Brooks Series is a story of overcoming Faith proves what the love of family friends and especially God can do for one who feels hopeless and defeated It is inspirational thought provoking and evidence of the power of a faith based life

***Finding Faith in the Face of Doubt*** Joseph S. Willis, 2014-04-01 Many Americans say they are uncertain about their religious beliefs although they continue to attend Christian and other churches Interdenominational minister Willis presents this beautifully written book to help questioners maintain their integrity while relating to the vast Mystery that informs the universe beyond all understanding We know we don't know Willis says and yet we all even atheists must stand on assumptions that help us lead good lives To explore these assumptions he discusses different ways of thinking about God scientific and mythical views the sources of good and evil and the need for both freedom and commitment He assures us we can all think reasonably about Ultimate Reality and find a faith that fits The book grew from theology classes Willis taught in Unitarian churches and universities and from conversations with discontented members of other discussion groups His clear

and engaging prose is full of lively exchanges with his students Frequent references to the best contemporary theologians Bishop Spong for example and to philosophers physicists mythologists and Bible experts provide an inspiring resource for those who long to resolve the conflict between faith and reason doubt and belief **Seeking Faith** Nathan Rutstein,2002 Many people express a need for spiritual fulfillment but are troubled or at best put off by what is often and loosely called organized religion This is especially true today when once venerated institutions and trusted public figures have become subjects of investigation sources of disappointment and worse People fear becoming victims of crime and alter their daily lives to avoid it Terrorism committed in the name of religion and political causes painfully reminds us of how human capacities can be turned with devastating results against ourselves At times much of the world appears to be in a state of decay and sources of spiritual strength seem scattered and elusive Nathan Rutstein understands this His book *Seeking Faith Is Religion Really What You Think It Is* describes his personal search for purpose and meaning in life a search that led him to the Baha i Faith and its distinctive perspective on the past its reassuring understanding of the present and its confident vision of the future Chasing Proof, Finding Faith Tom Rudelius,2023-08 He had science and an Ivy League pedigree why did he need God Immersed in his physics studies at Cornell Tom Rudelius never thought much about God until his brother a new convert to Christianity challenged him to explore faith To placate his twin he reluctantly began exploring the Bible and the life of Jesus Seeking proof of God s existence he found himself in a world of uncertainty faced with plenty of reasons for both faith and doubt In *Chasing Proof Finding Faith* Tom now a rising young theoretical physicist traces his journey to unexpected faith through subsequent doubt and anxiety and ultimately to a firmer life transforming allegiance to Jesus Along the way he explores some of the issues he wrestled with including Creation and cosmic origins The problem of evil and suffering The compatibility of miracles with science and the plausibility of Jesus resurrection The reliability of the Bible While Tom never found absolute proof of God or Christianity he ultimately concluded that the existing evidence for both is compelling and compatible with science His searingly honest story is a potent guide for those doubting or exploring faith

**Finding Faith** AC Adams,2022-08-23 When an angel and a demon fall in love there s Hell to pay And Heaven s waiting its turn Rome in the 10th Century is full of demons and succubi trying to influence and corrupt the church To combat them are a host of angels and guardians Kalili is a demon Faith is an angel When Faith encounters Kalili sparks fly It s impossible but they can t deny their feelings When they learn who and what they truly are Both Heaven and Hell turn their backs on them All they can depend on is each other **Finding Faith** John Simmons,2015-10-22 Our sin nature is designed to talk us out of Gods promises To separate ourselves from our sin nature and follow the path God laid out for our lives we will need to rely on faith Finding Faith will share the keys of faith we need to use to unlock all of Gods promises for our lives Finding Faith is a guide to equip us with the knowledge and understanding of how God designed faith as a tool we can use to change the future of our lives Faith is special to God and it is the only currency we have to see His will done in our lives When we

find faith for Gods will to be done in our lives we will not be worried about our circumstances because we are so confident in God to take care of all our troubles In Finding Faith John Simmons uses scripture and his engaging testimony to lay out a foundation for understanding the concepts of faith John also outlines practical application that we can use today to mature in our faith Finding Faith will answer all the basic questions about faith but goes onto explore how Our level of faith is measured by how we see our future We will find joy in our lives when we find faith The faith we learn from our relationships will increase our faith in God To overcome adversity doubt and our past through faith To recognize if we are walking in faith God answers our faithful prayers and much more **Living in The Story** Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and un church to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible Finding Faith Brian D. McLaren,2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions Is it possible to experience a relationship with God and if so how If you've asked questions like these you're in good company From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as The X Files and Touched by an Angel the media and the arts reflect postmodern men and women's search for a living faith and a spiritually oriented life Real faith isn't blind beliefism It is a process that engages your intellect as well as your emotions If you think faith requires turning your back on truth and intellectual honesty then Finding Faith is one book you really ought to read With logic passion and even handedness that the thinking person will appreciate this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe Whether you want to strengthen the faith you have renew the faith you lost or discover faith for the first time Finding Faith can coach inspire encourage and guide you and help you discover more in life than you'd ever imagined or hoped for Finding Faith and Meaning Through Anime in 2025 Vincent Froom ,2024-12-18 What if the stories you love hold the answers to life's biggest questions Anime isn't just about epic battles heartwarming friendships or jaw dropping animation it's a canvas for exploring faith morality and the mysteries of existence From the apocalyptic chaos of Neon Genesis Evangelion to the quiet spirituality of My Neighbor Totoro anime

weaves profound theological and philosophical themes into its narratives creating modern parables that resonate across cultures and beliefs In this groundbreaking exploration Vincent Froom renowned for his deep dives into theology and popular culture uncovers the spiritual dimensions of anime Through iconic series like Attack on Titan Fullmetal Alchemist Brotherhood and Demon Slayer Froom reveals the sacred symbols messianic figures and existential dilemmas that make anime a powerful lens for understanding humanity faith and the divine Inside You ll Discover How Princess Mononoke and Nausica of the Valley of the Wind reflect the sacredness of nature and humanity s role as stewards of creation Why redemption arcs in shows like Code Geass and Dragon Ball Z echo timeless spiritual truths about forgiveness and transformation The existential struggle between free will and destiny in Steins Gate and Re Zero and what it means for our own lives How anime fandoms conventions forums and cosplay create modern spiritual spaces where connection and meaning thrive Whether you re a lifelong fan or a curious newcomer Vincent Froom s insightful analysis will transform the way you watch anime It s not just about what happens on the screen it s about the deep universal truths these stories reveal about love sacrifice hope and what it means to be human For anyone who has ever seen themselves in an anime protagonist or found inspiration in a fictional world this is your invitation to discover the sacred in the unexpected

*Finding Faith* Nick Baines,2014-08-05

We live in a fast paced noisy world that seems to get more and more complex and uncertain with every passing year It s hard to hear your inner voice and to stop and reflect on what life is all about Where do we find our anchor This book explores what being a Christian really means      *The Logic of Intersubjectivity* Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale      **Finding Faith** Richard Flory,Donald Miller,2008-02-04 Despite the masses still lining up to enter mega churches with warehouse like architecture casually dressed clergy and pop Christian music the Post Boomer generation those ranging in age from twenty to forty is having second thoughts In this perceptive look at the evolving face of Christianity in contemporary culture sociologists Richard Flory and Donald E Miller argue that we are on the verge of another potential revolution in how Christians worship and associate with one another Just as the formative experiences of Baby Boomers were colored by such things as the war in Vietnam the 1960s and a dramatic increase in their opportunities for individual expression so Post Boomers have grown up in less structured households with working often divorced parents These childhood experiences leave them craving authentic spiritual experience rather than entertainment and also cause them to question institutions Flory and Miller develop a typology that captures four current approaches to the Christian faith and argue that this generation represents a new religious orientation of expressive communalism in which they seek spiritual experience and fulfillment in community and through various expressive forms of spirituality both private and public      *Mere Apologetics* Alister E. McGrath,2012 International apologist equips readers to engage challenges to their faith by offering an apologetic method that can be customized to individual needs and situations

### **Finding A Faith That Makes Sense Introduction**

In today's digital age, the availability of Finding A Faith That Makes Sense books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Finding A Faith That Makes Sense books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Finding A Faith That Makes Sense books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Finding A Faith That Makes Sense versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Finding A Faith That Makes Sense books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Finding A Faith That Makes Sense books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Finding A Faith That Makes Sense books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Finding A Faith That Makes Sense books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Finding A Faith That Makes Sense books and manuals for download and embark on your journey of knowledge?
