**Finding Lost — Season Five** Nikki Stafford, 2010-12-16 Nikki Stafford's series the only complete episode by episode guide to Lost continues its exploration of the deeper meanings behind every episode of this critical and commercial success. The season five instalment will include analyses on how John Locke could become Jeremy Bentham and what it means to the show's overriding themes and chapters on literary references like Stephen King's *The Stand* and James Joyce's *Ulysses*. [Finding Jodelle: A Navy SEAL Military Romantic Suspense](#) Susan Stoker, 2023-07-08 Sometimes the safest place to be is together. Older and set in his ways, Baker Rawlins never thought a relationship was in the cards, let alone love. Especially when years in the military and continued work for the government keep him on the radar of nefarious people all over the world. For that reason, he resists as long as possible when it comes to Jodelle, the beautiful, kind, slightly broken woman he can't get out of his mind. It takes each of his friends falling in love for Baker to realize protecting Jodelle doesn't mean pushing her away; it means keeping her close. In his life, in his arms, in his bed, Jodelle Spencer has endured one of the worst tragedies a person can experience and now spends large chunks of her days keeping local teens safe as they surf off Hawaii's sometimes treacherous coast. It's there that she first met Baker, the mysterious and sexy former Navy SEAL who doesn't seem interested in more than a polite acquaintance until he does. When the man wants something, he goes for it, and he's suddenly decided he wants Jodelle. But what they're building together requires trust, trust that after years of heartache, she's not sure she can give. Trust that's further put to the test when one of the kids she protects finds himself in danger, which spills over onto Jodelle, and the only man she can rely on is the one she's afraid to love. *Finding Jodelle* is the 7th and final book in the SEAL Team Hawaii Series. Each book is a stand-alone with no cliffhanger endings. Read what others are saying about New York Times bestselling author Susan Stoker.
