*Finding Home* Julie K. Ageson, 2020-07-24 For all who know the security of home in all its iterations and for those who don't finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging *Finding Home* Tina Reiman, 2020-10-13 Home A word that can be a noun an adjective a verb or an adverb but all suggesting a sense of where one originated and where one belongs This word can be used to describe a position in a game instincts in the animal kingdom a location on a computer screen or the place where family gathers to support and celebrate one another However in our fractured world filled with addiction violence illness and broken relationships too many are just wandering lost with no home even when they find a roof over their heads They look for a sense of belonging in groups and gangs where they hope for acceptance and support Too many turn to drugs and alcohol to medicate their loneliness some being drawn into the most sweeping opioid epidemic we have ever seen What if we could find ways to create a stronger sense of home in our circles of influence What if we learned how to open up the doors of our lives and bring people into the warmth and shelter that they have been looking for What if we knew how to start conversations that would bring the issues of finding home to the forefront and help us find tools to assist those around us in building their own place of belonging In the wake of losing her twenty four year old son Nicolai to a fentanyl overdose Tina Reiman began a journey to understand his struggle to find home This path led her to reexamine what she believed about addiction parenting and love One result was her establishment of a nonprofit dedicated to reducing addiction homelessness and suicide among the young men of her community through the coaching of those who understand home **Finding Home** Mike Unwin, 2025-03-04 Beautiful non fiction storytelling pairs with stunning illustrations in this nonfiction book about habitats perfect for animal lovers everywhere From polar bear dens deep beneath the Arctic snow to eagle's treetop nests as big as cars marvel at twenty amazing animal homes of all shapes and sizes from all over the world Finding Home features breathtaking full color illustrations alongside an engaging entry into the science of habitats This second book by internationally bestselling pair Mike Unwin and Jenni Desmond is a celebration of animals and their drive to survive no matter the odds finding shelter in every nook and cranny on Earth from the obvious to the unusual *Finding Home* Kathleen Gausmann, 2015-07-25 Enid Edward daughter of a United States Senator and wife of

a U S Navy pilot has always lived in luxury and comfort When war comes to U S soil and Enid s husband Bobbie is called to serve in The Emergency Enid is left alone with their three children Kaitlin Robert and Alex In a desperate attempt to find safety she and the children leave their home in Ohio to find her sister Ethel and her family in Tennessee Neither Enid nor her children are equipped physically or emotionally to deal with the harrowing experiences that confront them on their exodus On their way through Kentucky Enid and her family are taken in by an elderly couple who by example begin to teach them what self worth and acceptance of others is all about Enid and her children yearn for security Will they find it Will they find home

**Finding Home** Colleen Johnson,2023-01-07 This book takes a unique approach to the idea of soul care by comparing it to the concept of home When we allow Jesus to do a transformational work in our souls to give us the feeling of home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus and work through key soul care principles and develop a rhythm of a practices that incorporate the spiritual disciplines of feeding on God s Word worship and thanksgiving listening prayer praying scripture and times of fasting and solitude it leads our soul home These practices create an atmosphere that God uses to fill us with more of Himself and His ways The more of God we have the more He guides us to tear down walls of self protection find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked This process brings our soul to the home where it belongs
