Finding Home A War Child's Journey To Peace:

Finding Home Frank Oberle, 2004 Franz Frank Oberle was nine years old when his family was relocated from Germany to Poland. Once there he was taken from his parents to an isolated school where adolescents were being indoctrinated into the Hitler Youth. As the tide of war changed he became a refugee fleeing the Russian advance arriving in Dresden as the city became the target of the most horrific Allied bombing of the war. Surviving on grass and stolen eggs Franz and a friend walked 800 kilometres to his ancestral village on the edge of the Black Forest only to find that his parents had not returned and to face rejection from his remaining family. But the indomitable Franz survived amid the disillusioned populace of Germany and with his youthful sweetheart dreamed of a new life in a new land. With the blessing of his beloved Hanna Joan he set off for Canada promising to send for her when he was able to provide for her. Their subsequent life together in BC has encompassed tragedy and pure joy, hard work and hard times, failure and triumph as Frank Oberle rose from self-educated immigrant to acclaimed federal politician. Set against the backdrops of the Second World War and the raw British Columbia frontier *Finding Home* covers Frank's fascinating life story up until the time he visited Germany after a decade in Canada. Rich in detail, drama and humour, this is a love story, an inspirational saga and a book that sings the song of the Canadian immigrant.

Paradise Found Robert Popple, 2023-09-21 When Robert and Heather Popple moved to the Pacific Northwest to live in British Columbia's Fairwinds on Vancouver Island in 2003 it marked the beginnings of an exciting retirement adventure. This companion volume to *Born in Huronia* summarizes the past twenty years of Popple's life in BC and includes nine first-hand stories by people he has met in that time. They include Shelly Stouffer's stroke-by-stroke account of her 2022 victory at the Senior Women's US Open and surrender of a Nazi submarine in 1945. From Popple's description of the first Europeans arriving in the Pacific Northwest to avoiding insanity in retirement to his travel adventures, his summation of the Trump presidency and the details of his Mother of All Organs recitals, this book is simply a must-read.

A Chosen Path Frank Oberle, 2005 In *A Chosen Path* Frank Oberle continues the amazing story of his remarkable rise from self-educated immigrant to national politician and Cabinet minister. The bestselling first volume of Frank's autobiography *Finding Home* recounted his turbulent youth in Nazi-run Germany and his post-war immigration to Canada. After working for a year and a half as a baker, logger and miner he earned enough to bring his future wife Joan from their homeland. They eventually settled in the brand new community of Chetwynd BC where he began his political life as a village councillor and later became mayor. In *A Chosen Path* we travel with Frank to Ottawa after his election to the House of Commons in 1972 and follow his six-term political career which culminated in his appointment to Cabinet in 1985, first as Minister of State for Science and Technology then four years later as Minister of Forestry. On the way we are treated to incisive, often witty, behind-the-scenes looks at the politicians and issues of the day along with Frank's straight shooting assessments of our national leaders and the prime minister's office. Now a thoughtful observer more than a decade removed from that maelstrom of machinations that is Canada.

Variations of the Hero's Journey in Contemporary British, French and Australian Picture Books about the Great War Martin C. Kerby,Denise Burkhard,Alison Bedford,Marion Gymnich,Margaret M. Baguley,2025-09-30

This book is grounded in the belief that every nation had its own Great War and that children s picture books are an important barometer of each country s national approach To explore the depiction of the Great War in modern Australian British and French children s picture books where this historical event is reimagined in different ways as a futile conflict as a painful victory and as part of one country s founding mythology this book uses the concept of the hero s journey as an underlying framework It claims that this monomythic pattern as developed by Joseph Campbell and modified by Christopher Vogler not only informs all picture books selected for this project but can also be used to highlight the extent to which modern children s picture book authors and illustrators conform to their respective nation s cultural memory It further maintains that the specific historical context of the Great War in these children s picture books can be used to identify a variant of the hero s journey the ordinary soldier s journey This analysis of children s picture books about the Great War through the lens of Campbell s hero s journey will be of interest to both students and researchers in the fields of children s literature literary theory history cultural studies and education
