

FINDING MY LIGHT

Kathryn Ann Webster was seven when she read a passage from a book that was to change the entire trajectory of her life. Her family life may have been littered with trauma, alcoholism, abuse, neglect, and abandonment but according to the pages Kathryn held in her hands, heaven was a place she was free to create with the power of her mind. Her quest for this knowledge of inner peace and acceptance transformed her, taking her over oceans and across continents to Peru, Africa, India and finally settling in Spain where she devoted her life to studying, teaching and imparting the timeless wisdom of yoga that is available to every single human being at any time.

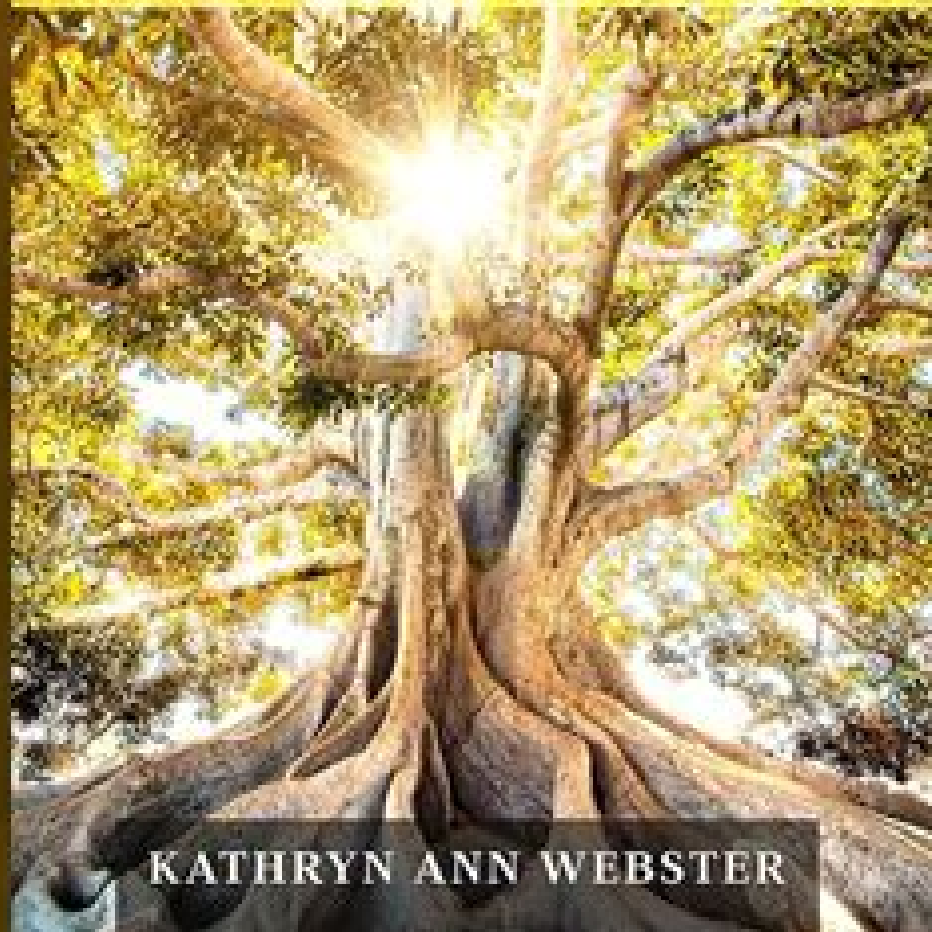

The day you wish to find the light within your heart is the day, heaven is a place on earth.

Finding Voice William B. Kincaid,2012-11-30 In Finding Voice Kincaid employs an often used but somewhat elusive metaphor voice as a way of speaking of pastoral identity and contends that a lively imaginative pastoral voice emerges from a thorough grasp of context theology pastoral roles personal journey and systemic dynamics Designed as a text for the field education contextual education and supervised ministry experiences of seminary students and others preparing for congregational leadership Finding Voice examines in depth how people are experiencing each of these constituent parts of pastoral voice at their student ministry sites not only to learn about each of the areas but also to recognize and understand what is being called forth in the students as they engage these five key experiences and begin to visualize their future ministry The book further explores the opportunities created when the five aspects of pastoral identity are in conflict with one another In the absence of any one of these or the imbalance of them pastoral voice gets skewed and vibrant effective ministry is undermined Finding Voice urges students to begin now with field education to engage a practice of ministry that is imaginative courageous nimble and faithful Finding My Frequency Saye Z.
