## **Finding The Lesbians Personal Accounts From Around The World:**

**Lesbian Choices** Claudia Card,1995 In this compellingly honest collection of her writings renowned feminist philosopher Claudia Card courageously explores the complex ethical and political questions lesbians face considering these issues in regard to their identities and relationships both within and outside of lesbian communities Lesbian Choices is written with a grace and clarity that readers inside and outside academia will appreciate Claudia Card s lucid presentation of complicated philosophical and ethical concepts offers a better understanding of the explosive issue of gender construction in our society Lesbian Choices is recommended reading for anyone interested in lesbianism feminism ethics and philosophy *Finding the Lesbians* Julia Penelope,Sarah Valentine,1990 A collection of experiences It can be read in comfort nodding heads along with everything from terror to ecstasy **Finding the Lesbians** Julia Penelope,1990 A collection of experiences It can be read in comfort nodding heads along with everything from terror to ecstasy Women, Men, & Gender Mary Roth Walsh,1997-01-01 Offers pro and con positions on eighteen gender studies issues including research priorities pornography sexual orientation gender impact on knowledge discrimination and working mothers Lesbian Studies: Setting an Agenda Tamsin Wilton,2002-09-11 Neither women s studies nor lesbian and gay studies offers an adequate theoretical or political base for lesbian scholarship Lesbian Studies Setting and Agenda aim to promote lesbian studies as an academic and political approach to both gender and the erotic and to clarify the damaging influence of heterosexism across a range of disciplines Drawing on feminism and queer theory Tamsin Wilton argues that lesbian is a theoretical position which must be widely available in order to challenge the dominance of the heterosexual perspective Engaging with theoretical and political debates the book moves beyond its role of setting an agenda for lesbian studies into a wider role as resource and catalysts for anyone interested in gender and the erotic **A Family and Friend's Guide to Sexual Orientation** Bob Powers,Alan Ellis,2013-12-02 A Family and Friend s Guide to Sexual Orientation helps individuals and families to bridge the divide between gay and straight to heal wounds that often accompany individuals and families negative feelings about lesbians gay men bisexuals and transgendered persons Consisting of thirty stories by individuals who have come to accept and embrace their own sexuality twelve of the stories are by heterosexuals who in addition to talking about their own sexuality speak of the homosexuality of a loved one The book also includes five personal stories from two families **Telling Sexual Stories** Ken Plummer,2002-11-01 This book explores the rites of a sexual story telling culture and examines the nature of these newly emerging narratives and the socio historical conditions that have given rise to them **Tortilleras** Lourdes Torres,Inmaculada Pertusa,2003-02-21 The first anthology to focus exclusively on queer readings of Spanish Latin American and US Latina lesbian literature and culture Tortilleras interrogates issues of gender national identity race ethnicity and class to show the impossibility of projecting a singular Hispanic or Latina Lesbian Examining carefully the works of a range of lesbian writers and performance artists including Carmelita Tropicana and Christina Peri Rossi among others the

contributors create a picture of the complicated and multi textured contributions of Latina and Hispanic lesbians to literature and culture More than simply describing this sphere of creativity the contributors also recover from history the long veiled existence of this world exposing its roots its impact on lesbian culture and making the power of lesbian performance and literature visible

**Women's Sexuality Across the Life Span** Judith C. Daniluk,2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings

**A Manager's Guide to Sexual Orientation in the Workplace** Bob Powers,Alan Ellis,2014-02-04 For the first time ever managers will have a tool that will enable them to effectively grapple with the controversial and sometimes explosive issues surrounding sexual orientation Cultivated from Bob Power's 25 years business experience with some of the world's finest organizations A Manager's Guide to Sexual Orientation in the Workplace provides managers with the knowledge skills and resources to foster higher productivity and performance through an all inclusive work environment

*Theory in Its Feminist Travels* Katie King,1994 Katie King examines the development of U S feminist theory tracing its inception rocky development and internecine struggles She argues that the subject matter of women's studies is cultural studies This book should

definitively alter the map of contemporary feminist theory in the U S and abroad Donna Landry

**Latin American Writers on Gay and Lesbian Themes** David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

**Rethinking Japanese Feminisms** Julia C. Bullock,Ayako Kano,James Welker,2018-03-31 Rethinking Japanese Feminisms offers a broad overview of the great diversity of feminist thought and practice in Japan from the early twentieth century to the present Drawing on methodologies and approaches from anthropology cultural studies gender and

sexuality studies history literature media studies and sociology each chapter presents the results of research based on some combination of original archival research careful textual analysis ethnographic interviews and participant observation The volume is organized into sections focused on activism and activists employment and education literature and the arts and boundary crossing Some chapters shed light on ideas and practices that resonate with feminist thought but find expression through the work of writers artists activists and laborers who have not typically been considered feminist others revisit specific moments in the history of Japanese feminisms in order to complicate or challenge the dominant scholarly and popular understandings of specific activists practices and beliefs The chapters are contextualized by an introduction that offers historical background on feminisms in Japan and a forward looking conclusion that considers what it means to rethink Japanese feminism at this historical juncture Building on more than four decades of scholarship on feminisms in Japanese and English as well as decades more on women s history Rethinking Japanese Feminisms offers a diverse and multivocal approach to scholarship on Japanese feminisms unmatched by existing publications Written in language accessible to students and non experts it will be at home in the hands of students and scholars as well as activists and others interested in gender sexuality and feminist theory and activism in Japan and in Asia more broadly

[Pink Therapy](#) Dominic Davies,1996-05-16 A comprehensive British volume on lesbian and gay affirmative psychotherapy has been a while coming Pink Therapy however has arrived amply fills this gap and is well worth the wait The literature reviews are masterful for scholars and the book offers a comprehensive thoughtful approach for clinicians A deft editorial hand is evident in the unusual consistency across chapters the uniformly crisp helpful chapter summaries and the practical appendices generous resources lists and well organized bibliographies I particularly like the contributors subtle appreciation of theoretical nuance genuine open mindedness to diversity of ideas and willingness to synthesize in a pragmatic and client oriented manner John C Gonsiorek PhD Minneapolis MN USA Diplomate in Clinical Psychology American Board of Professional Psychology Past President Society for the Psychological Study of Lesbian and Gay Issues Division 44 of the American Psychological Association Pink Therapy is the first British guide for counsellors and therapists working with people who are lesbian gay or bisexual It provides a much needed overview of lesbian gay and bisexual psychology and examines some of the differences between lesbians gays and bisexuals and heterosexuals Pink Therapy proposes a model of gay affirmative therapy which challenges the prevailing pathologizing models It will help to provide answers to pressing questions such as what is different about lesbian gay and bisexual psychologies how can I improve my work with lesbian gay and bisexual clients what are the key clinical issues that this work raises The contributors draw on their wide range of practical experience to provide in an accessible style information about the contemporary experience of living as a lesbian gay or bisexual person and to explore some of the common difficulties Pink Therapy will be important reading for students and practitioners of counselling and psychotherapy and will also be of value to anyone involved in helping people with a lesbian gay or bisexual orientation

Provoking Agents Judith Kegan Gardiner, 1995 A major contribution in women's studies and in other disciplines dealing with issues of agency The authors raise issues that are very important and they raise them as they must be raised by bridging theory and action Kathryn Pine Addelson author of *Moral Passages Toward a Collectivist Moral Theory* Both the women's liberation movement and those who have studied it characterize agency as the capacity to make change in individual consciousness personal lives and society The seventeen contributors to *Provoking Agents* explore whether and how feminist theory writing and other social practices can help readers move beyond seeing women as a powerless group to effecting changes in their own lives and ultimately becoming social activists Topics in this multi disciplinary collection range from maternal surrogacy to writing from consciousness raising to AIDS activism from pornography to local organizing

*Homecoming Queers* Marivel T. Danielson, 2009-08-24 *Homecoming Queers* provides a critical discussion of the multiple strategies used by queer Latina authors and artists in the United States to challenge silence and invisibility within mainstream media literary canons and theater spaces Marivel T. Danielson's analysis reveals the extensive legacy of these cultural artists including novelists filmmakers students and activists comedians performers and playwrights By clearly discussing the complexities and universalities of ethnic racial sexual gender and class intersections between queer Chicana and U.S. Latinas Danielson explores the multiple ways identity shapes and shades creative expression Weaknesses and gaps are revealed in the treatment of difference as a whole within dominant and marginalized communities Spanning multiple genres and forms and including scholarly theory alongside performances films narratives and testimonials *Homecoming Queers* leads readers along a crucial path toward understanding and overcoming the silences that previously existed across these fields

**Japanstudien. Band 16/2004** Andrea Germer, 2004 Die Beiträge zum diesjährigen Schwerpunktthema Grenzübergänge: Die Konstruktion kollektiver Identitäten in Japan zeigen in Form von Fallstudien im Verein mit theoretischen Überlegungen zum Diskurs über Differenz Homogenität und Divergenz eine Möglichkeit auf den Topos von der japanischen Gruppenorientiertheit der Uta ein zentrales Argument in der Nihonjinron Debatte bildet neu zu beleuchten Zwar vermögen die sich vornehmlich mit marginalisierten gesellschaftlichen Gruppen befassenden Beiträge nicht alle Aspekte der Fragestellung abzudecken die sich ja auch beispielsweise auf die Interdependenz mehrerer Gruppen bezieht Oftmals aber konnten durch Schwerpunktthemen eines Jahrbuchs Anstöße zu weiterer Forschung gegeben werden die dann bisweilen in späteren Ausgaben der Japanstudien dokumentiert wurden Möge auch dieses Thema seine Fruchtbarkeit längerfristig unter Beweis stellen

**Transfiguring Women in Late Twentieth-Century Japan** James Welker, 2024-07-31 *Transfiguring Women in Late Twentieth Century Japan* Feminists Lesbians and Girls Comics Artists and Fans examines three dynamic and overlapping communities of women and adolescent girls who challenged Japanese gender and sexual norms in the 1970s and 1980s These spheres encompassed activists in the mainstream women's liberation movement members of the retributive lesbian community and artists and readers of queer shōjo manga girls comics Individually and collectively they found the normative

understanding of the category women untenable and worked to redefine and expand its meaning by transfiguring ideas images and practices selectively appropriated from the West They did so however while remaining firmly fixed on the local Thus for many this ostensibly Western focus was not a turn away from Japan but integral to their understanding of being a woman within Japan Following broad historical overviews of the man ribu rezubian and queer sh jo manga spheres the book takes a deeper look through the lenses of terminology translation and travel to offer a window onto how acts of transfiguration reshaped what it meant to be a woman in Japan The work draws on a vast archive that encompasses early twentieth century dictionaries sexology texts and literature postwar women s and men s magazines and pornography translated feminist and lesbian texts comics and animation and newsletters fanzines and other heretofore largely unexamined ephemera The volume s characterization of the era is also greatly enriched by interviews with more than sixty individuals Transfiguring Women in Late Twentieth Century Japan demonstrates that the transfiguration of Western culture into something locally meaningful had tangible effects beyond newly re created texts practices images and ideas within the man ribu rezubian and queer sh jo manga communities The individuals and groups involved were themselves transformed More broadly their efforts forged new understandings of women in Japan creating space for a greater number of public roles not bound to being a mother or a wife as well as a greater diversity of gender and sexual expression that reached far beyond the Japanese border

Bibliographic Guide to Chicana and Latina Narrative Kathy Leonard, 2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works

Camp Fabio Cleto, 1999 The complete guide to c an anthology of the best writing on its history and current theory in cultural studies and lesbian and gay studies

## Adopting the Beat of Phrase: An Mental Symphony within **Finding The Lesbians Personal Accounts From Around The World**

In some sort of consumed by displays and the ceaseless chatter of instantaneous communication, the melodic beauty and emotional symphony produced by the prepared word usually fade into the background, eclipsed by the constant noise and disruptions that permeate our lives. But, nestled within the pages of **Finding The Lesbians Personal Accounts From Around The World** a stunning fictional treasure brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts visitors on a psychological journey, well unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of this moving analysis, we can investigate the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
