T. Anders,John

Ross,2010-10-25 As a unique guide to coping with life limiting illness The Journey Home Stories of Compassion and Inspiration from AseraCare Hospice is a book that provides a resource for patients families and physicians who struggle with how and when to discuss the hospice option The book was authored by K T Anders and John Ross and published by AseraCare Hospice It offers a firsthand look at the benefits of hospice through more than 60 personal accounts of AseraCare patients The book guides patients and family members through the decision making process the roles of the care team and ultimately bereavement The book provides examples of how to broach the hospice conversation and how to present it as a positive option It reinforces the perspective of hospice as a valuable component of care delivered to a patient with terminal illness Anders the book s author knew hospice and its benefits well Anders mother had undergone hospice and unbeknownst to AseraCare Anders herself was seeking treatment for a terminal illness that eventually brought her to hospice Her husband wrote the final chapter dealing with bereavement after Anders passed away With this book Anders journey has created a lasting body of knowledge on which others can draw **Subject Guide to Children's Books in Print 1997** Bowker

Editorial Staff,R R Bowker Publishing,1996-09 **A Journey Back Home: Faith, Forgiveness, and the Healing Path of a Gay Son and His Mother** Jan Bryant,2025-04-22 Step into the poignant and inspiring memoir where a gay son and his mother embark on a transformative journey of love healing and reconciliation This deeply personal account unfolds the complexities of their relationship marked by both challenges and profound moments of understanding As the son grapples with the complexities of his identity and the societal stigma surrounding homosexuality his mother struggles with her own biases and preconceived notions Through candid dialogue open hearted listening and an unwavering commitment to bridge their differences they slowly chip away at the barriers that have separated them The narrative highlights the transformative power of forgiveness as they both confront the pain of the past and work towards a brighter future together It explores the complexities of family dynamics the struggles of self acceptance and the indomitable resilience of the human spirit Through their shared journey this book offers hope inspiration and a renewed perspective on the transformative possibilities of love and understanding **Where Two Worlds Touch** Jade C. Angelica,2014 Jade Angelica shares the wisdom and hope she gleaned from caring for her mother and from many years working closely with Alzheimers patients and caregivers Challenging the predominant belief that people with Alzheimers no longer have purpose potential or the capacity for meaningful relationship Where Two Worlds Touch is both a spiritual memoir and a pastoral guide for those who love someone with Alzheimers Readers will find here the reassuring words of a friend who has been there and can give advice on preserving connection finding hope self care and staying open to the possibility of grace **Medical and Health Care Books and Serials in Print** ,1997 *Befriending Your Body* Ann Saffi Biasetti,2018-08-07 A step by step holistic approach to eating disorder recovery using self compassion and embodiment practices to reduce symptoms increase body awareness and acceptance reconnect to others and step back into an integrated life Those who struggle with disordered eating often find themselves in an unrelenting cycle of harsh self judgment painful emotions and harmful behaviors Seeing the body as an adversary these patterns can lead many people to become withdrawn or isolated Ann Saffi Biasetti s powerful holistic approach to liberating people from disordered eating focuses on growing self compassion and embodiment This insight informed by yoga and mindfulness meditation views the body not just as something to be healed or restored but as a source of great wisdom and knowledge Dr Biasetti offers yoga based movement body awareness practices meditations and journaling exercises to help release long held habits of self criticism and perfectionism Her step by step program will rebuild self compassion self care body awareness acceptance and connection to the self and to others *American Book Publishing Record* ,1996-05 *Psychiatric and Mental Health Nursing for Canadian Practice* Wendy Austin,Mary Ann Boyd,2010-01-01 Rev ed of Psychiatric nursing for Canadian practice Wendy Austin Mary Ann Boyd *Providing Compassionate Healthcare* Sue Shea,Robin Wynyard,Christos Lionis,2014-07-17 Despite the scope and sophistication of contemporary health care there is increasing international concern about the perceived lack of compassion in its delivery Citing evidence that when the basic

needs of patients are attended to with kindness and understanding recovery often takes place at a faster level patients cope more effectively with the self management of chronic disorders and can more easily overcome anxiety associated with various disorders this book looks at how good care can be put back into the process of caring Beginning with an introduction to the historical values associated with the concept of compassion the text goes on to provide a bio psycho social theoretical framework within which the concept might be further explained The third part presents thought provoking case studies and explores the implementation and impact of compassion in a range of healthcare settings The fourth part investigates the role that organizations and their structures can play in promoting or hindering the provision of compassion The book concludes by discussing how compassion may be taught and evaluated and suggesting ways for increasing the attention paid to compassion in health care Developing a multi disciplinary theory of compassionate care and underpinned by empirical examples of good practice this volume is a valuable resource for all those interesting in understanding and supporting compassion in health care including advanced students academics and practitioners within medicine nursing psychology allied health sociology and philosophy
