**Finding the Woman of Valor** Ruth Zakutinsky, Bracha Goetz, 1996      *Jews and Gender* Jonathan Frankel, 2001-02-08  
Volume XVI in this well received annual series contains an up to date survey of gender issues in modern Judaism. It includes original essays on Orthodox Judaism and feminism, American Jewish women, female rabbis, the impact of feminism on rabbinic study, masculinity, Jewish women in the Third Reich and gender and military service.      *Feminine by Design* John D. Garr, 2013-05-23  
Women are the product of divine design, the exquisite creation that God fashioned with careful, meticulous and loving care. Understanding how and why God created woman enables both women and men to recognize the rightful contributions that God designed women to make for the welfare of humanity. Despite millennia of misguided efforts by men to control and dominate them, women were originally designed by God to be coequal with men and to have complete freedom to use any gift and to fulfill any role that he has given to them. That design is still God's ideal for the God-fashioned woman and includes the following subjects: Designed to Be Feminine, Designed for Beauty, Designed for Purity and Modesty, Designed for Sexual Fulfillment, Designed for Nurture and Relationship, Designed for Freedom. Whatever your race, ethnicity, gender, faith or social status, this book and the other volumes in this series will literally set you free from misconceptions that have restricted the roles of women. As you are reconnected with the Hebraic foundations of your faith, you will clearly understand God's original design and purpose for women, and you will begin to help remove obstacles that have kept women from assuming their God-given roles in the family, in society, and especially in the community of faith.      *Women of Valor* Karen E. H. Skinazi, 2018-09-07  
Honorable Mention for the Robert K. Martin Prize 2019. Media portrayals of Orthodox Jewish women frequently depict powerless, silent individuals who are at best naive to live an Orthodox lifestyle and who are at worst coerced into it. Karen E. H. Skinazi delves beyond this stereotype in *Women of Valor* to identify a powerful tradition of feminist literary portrayals of Orthodox women often created by Orthodox women themselves. She examines Orthodox women as they appear in memoirs, comics, novels, and movies, and speaks with the authors, filmmakers, and musicians who create these representations. Throughout the work, Skinazi threads lines from the poem *Eshes Chayil*, the Biblical description of an Orthodox Woman of Valor. This proverb unites Orthodoxy and feminism in a complex relationship where Orthodox women continuously question, challenge, and negotiate Orthodox and feminist values. Ultimately, these women create paths that unite their work, passions, and families under the framework of an *Eshes Chayil*, a woman who situates religious conviction within her own power.      **Finding Falafel** Holly Moskowitz, 2003  
*Finding Falafel* is the story of a young American woman's discovery of her Jewish heritage as a student in Israel and a fascinating portrait of the many Israelis she encountered. The book is an account of the author's travels and study in Israel in 2002, but it is also about a young American woman's growing up, taking individual initiative, developing meaningful relationships, and moving beyond her usual boundaries. We also get a graphic view of Israeli society at a time of great crisis and meet a wide range of Israelis, Palestinians, and other Arabs. We also

accompany the author on brief trips to Egypt and France      **Woman of Valor** Yeshiva University. Museum, Julia Keiner Forchheimer, 1993 An exhibition of art on the Jewish woman by Jewish women artists illustrating Proverbs 31 10 31 Exhibition was in honor of Julia Keiner Forchheimer 1900 1991 for many years an Israeli teacher of handweaving

**Massekhet Betsah** Tamara Or, 2010 This book is a feminist commentary on Tractate Betsah which deals with the laws specific to festivals Tamara Or reveals surprising insights into the role of women in the development of halakhah Thus the commentary shows women's oppression as well as their actual power and influence even on halakhic decisions The power women possess in this tractate can be explained as emanating from the fact that most of it is based on labors usually performed by women In nearly all the cases where the rabbis discuss the sphere of action of women the latter's behavior was considered halakhically correct or at least not in need of change The power and influence gained by women through their various activities and endeavors were passed over in silence and thus hidden from the view of their descendants The following commentary will strive to put these women back into Jewish history and into the history of the development of halakhah      **The Jewish Wedding Now** Anita Diamant, 2017-06-06 Now completely revised this definitive guide provides a wealth of options for creating a Jewish wedding whether totally traditional or cutting edge contemporary that combines spiritual meaning and joyous celebration

**Gaps and the Creation of Ideas** Judith Seligson, 2021-03-08 Gaps and the Creation of Ideas An Artist's Book is a portrait of the space between things whether they be neurons quotations comic book frames or fragments in a collage This twenty year project is an artist's book that juxtaposes quotations and images from hundreds of artists and writers with the author's own thoughts Using Adobe InDesign for composition and layout the author has structured the book to show analogies among disparate texts and images There have always been gaps but a focus on the space between things is virtually synonymous with modernity Often characterized as a break modernity is a story of gaps Around 1900 many independent strands of gap thought and experience interacted and interwove more intricately Atoms textiles theories women Jews collage poetry patchwork and music figure prominently in these strands The gap is a ubiquitous phenomenon that crosses the boundaries of neuroscience rabbinic thinking modern literary criticism art popular culture and the structure of matter This book explores many subjects but it is ultimately a work of art      **Eleven Fifty Nine P.M.** Chaim Tzvi Tanny, 2019-02-14 There is no available information at this time Author will provide once available

*Index to Jewish Periodicals*, 1996 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests      *Prayer Book and Life Cycle Guide for Messianic Believers in Yeshua* William A. Berg, 2009-04      [Love and Romance in the Bible](#) Asher Elkayam, 2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up

populating nearly half of the people's planet One of the most populous nations on earth Islam was created as a result of Sarah's consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes Love in The Bible speaks about how entire kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah's daughter in law Since her two husbands Judah's sons died it was Judah's duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Amnon and Tamar daughter of David's story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the .  
 Enya Tamar Keshet,2010 This special book presents magnificent illuminated manuscripts of women's prayers by contemporary Israeli artist Enya Tamar Keshet 28 prayers collected from around the world and recited exclusively by women

are presented in reproductions of her detailed and colorful original work accompanied by text from Hebrew Ladino and Yiddish sources The 28 prayers correspond to a woman's complete cycle of life from the birth of daughter to a Bat Mitzvah for a bride during pregnancy after childbirth on parenting and more Traditional prayers like Eshet Chayil and Hannah's Prayer of Thanksgiving are included as is the first woman's tehinna stated before Torah study and a plate that includes the 115 names of the women in the Torah in the order in which they appear Enya Tamar Keshet's manuscripts combine the traditional look of the Lisbon Judaica manuscript workshop of the 15th century with her own inspiration in order to tend the old roots while growing a new tree as she describes it Compiled with the assistance of Joel B Wolowelsky PhD Dean of Faculty Yeshiva of Flatbush
