Self to Lose, Self to Find Marilyn Vancil, 2020-09-01 Discover the growth that s possible when we understand our authentic selves as God intended by exploring more deeply the Enneagram tool paired with profound scriptural insights This book is a gem It s one of the top five books I recommend on the Enneagram Ian Morgan Cron author of The Road Back to You An accessible biblical and practical roadmap for anyone who wants to live fully into their true authentic God given identity I highly recommend it Brenda Salter McNeil author of Becoming Brave The Enneagram a system of nine interconnected personality types has been developed over many years to offer opportunities for personal development and provide a foundation for understanding others Now a certified Enneagram coach shows how a scriptural perspective can lead us to a path of freedom In Self to Lose Self to Find Marilyn Vancil unpacks our human dilemma sets the scriptural foundation explores the nine Enneagram personalities and shows us practical ways to have a more meaningful life and healthier relationships At its best the Enneagram doesn t merely describe who we are but shows us why we do what we do It invites us to see the innate gifts and inclinations of our original design the person we were before trials and traumas began to shape us It also reveals the strategies and false narratives that keep us from becoming

who we're truly meant to be Vancil offers a compelling biblical case for the Enneagram by drawing from John 12:24 which describes how we like seeds construct a protective coat that helps us survive in a world where we encounter challenges and insecurities. But for us to truly live a fruitful life, we must allow the protective coat to soften and fall away in order to grow. This is what sets Vancil apart as both a seasoned Enneagram expert and a spiritual director. Within a scriptural context, she demonstrates how the Enneagram can be a vehicle for growth and transformation by laying out the realities of each Enneagram type, affirming the inherent genius of each type, showcasing the unhealthy tendencies of each type's false self, and illuminating the undeniable path to freedom for each one. Combining rich biblical wisdom with Enneagram wisdom and real-life experiences, this compelling resource is a must for anyone who longs for a happier, freer life.

Baab,2003-08-01 I can only shake my head in the face of the irony that all too often the very place where we look for life and health the very place where we expect to nurture and deepen a loving relationship with God can cause so many to experience the exact opposite So remarks author Lynne Baab in this timely and discerning examination of burnout in congregations What is burnout What causes congregation volunteers to burn out Why is unpaid service sometimes life giving and other times just another frantic commitment How can congregations become oases of peace and nurture while still carrying out their mission and ministry How can we recognize holy moments in the presence of God if we are moving so fast that life passes by us in a blur How can leaders make congregations healthy places to serve After reflecting on these important questions and dozens of interviews with congregation volunteers Baab suggests We must not fear burnout instead we need to do a better job coming alongside people as they experience burnout and help them figure out what they are learning *Finding God's Life for My Will* Mike Donehey,2019-08-06 ECPA BESTSELLER The lead singer songwriter and guitarist for award winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him we can live daily in His will Perhaps God isn t giving me the plan because He wants to be the plan This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God s specific plans for his life He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual but it can lead to a life of intense stress paralyzing fear and crushing regret just the opposite of the freedom granted to those living a Christ filled life This is my story how I gave up begging to know God s will and began to ask His life to come and change my will With his signature humor and relentless hunger for God Mike will show you that discovering the Father s purpose and plan for our lives is not the shell game that we all too often make it out to be If you re unsure what to do next take heart and accept the ultimate invitation learn to see God as the plan not simply the formula to the plan **The Enneagram and Spiritual Culture** James Empereur,1990-01-06 O ffers a thourough non clinical reference for anyone who companions or is companioned on the spiritual way Its concrete examples and clear style make its message accessible to
