

Fine Body Of Men

Didier Musso

Fine Body Of Men:

A Fine Body Of Men Raymond Flynn, 2013-11-21 The corpse in a plastic sack is the perfect climax to Detective Inspector Graham's bank holiday weekend the east coast is sweltering under the August sun the town is full of trippers and the deceased has been dumped on the busiest part of the beach Vince Lowther ponce welfare scrounger and thief was the kind of promising young low life no one at Eddathorpe nick will miss But Graham and his colleagues are unprepared for the many shocking revelations surrounding the death of this busy entrepreneur As the enquiry develops a discredited psychological profiler from the Midlands sniffs a connection with a series of sex crimes committed elsewhere But as Graham sees it he's overlooking an inescapable fact Lowther was undoubtedly a boy the other victims were girls *Mafeking: A Diary of a Siege* Frederick David Baillie, 2021-04-26 *Mafeking A Diary of a Siege* is a wartime memoir by Major F D Baillie a British soldier in South Africa at the time of the siege The siege of Mafeking was a 217 day siege battle for the town of Mafeking now called Mafikeng in South Africa during the Second Boer War from October 1899 to May 1900 Baillie compiled his book from a number of articles he had written in the newspaper journal *The Morning Post* *The New Monthly Magazine and Universal Register*, 1829 **New Monthly Magazine and Literary Journal**, 1829 *The Frightened Man* Dana Chambers, 2019-11-01 *The Frightened Man* first published in 1942 is a fast paced noir murder mystery set in New York city and featuring private detective Jim Steele Steele comes upon two murdered bodies and suspicion falls on Steele's good friend Larry Maxwell part of a wealthy family but who has been threatened by his brother of being cut out of the family will Dana Chambers was a pseudonym of Albert Leffingwell 1895-1946 Gruesome twosome as Jim Steele finds and dumps the body of a bodyguard to a good and frightened friend Larry Maxwell and next finds that Larry's father has been hung The facts that Larry is in love with his brother's wife that his brother was attempting to have him cut out of his father's will that he has been spirited away to a mental home along with two decorative nurses give Steele as much as he can handle Good decor good and very fast action and less flash than previous tales **The Good Body Man** Christopher C. Gibbs, 2003-04-29 Nobody much liked Louis Boyer and somebody hated him enough to murder him and leave his corpse lying on the floor of his auto body repair shop outside Corinth Missouri It is October 1920 and with the election only days away Deputy Sheriff James Bolivar Buckner seems to be the only person in Highland County interested in finding out who the killer was His investigation will force him to confront facts of life in small town Missouri that will shock and horrify him It might also get him killed *New Monthly Magazine, and Universal Register* Thomas Campbell, Samuel Carter Hall, Edward Bulwer Lytton Baron Lytton, Theodore Edward Hook, Thomas Hood, William Harrison Ainsworth, William Ainsworth, 1829 *Physical Control, Transformation and Damage in the First World War* Simon Harold Walker, 2020-11-12 From enlistment in 1914 to the end of service in 1918 British men's bodies were constructed conditioned and controlled in the pursuit of allied victory *Physical Control Transformation and Damage in the First World War* considers the physical and psychological impact of conflict on

individuals and asks the question of who in the heart of war really had control of the soldier's body. As men learned to fight they became fitter, healthier and physically more agile, yet much of this was quickly undone once they entered the fray and became wounded, died or harmed their own bodies to escape. Employing a wealth of sources including personal testimonies, official records and oral accounts, Simon Harold Walker sheds much needed light on soldiers' own experiences of World War I as they were forced into martial moulds and then abandoned in the aftermath of combat. In this book, Walker expertly synthesizes military, sociological and medical history to provide a unique top-down history of individual soldiers' experiences during the Great War, giving a voice to the thousands of missing, mutilated and muted men who fought for their country. The result is a fascinating exploration of body, culture, power and the British army.
