Fine Gunmaking Double Shotguns:

Fine Gunmaking Steven Dodd Hughes,1998 As one of the top custom gunmakers in the United States author Steven Dodd Hughes shares his expertise with enthusiasts interested in owning a custom made shotgun This title is packed with more than 100 color and b w photos which bring the world s finest shotguns to life Double Guns and Custom Gunsmithing Steven Dodd Hughes,2007-08-24 The burgeoning popularity of double guns both over unders and side by sides in the United States is no secret and few gunmakers know more about them than Steven Dodd Hughes who has been building repairing and customizing these firearms for three decades *Fine Shotguns* John M. Taylor,2015-10-20 In *Fine Shotguns* expert John M Taylor offers a global view of shotguns using photographs and descriptions of guns from the United States Britain Germany Austria France Spain and Italy Here are all types of shotguns single barrel double barrel combination guns hammer shotguns paired shotguns special use guns small bore shotguns shotgun stocks or shotguns with metal finishes and bespoke shotguns This all encompassing guide includes sections on how to care for and storage your weapon what accessories are available for your model and how to choose the perfect traveling case Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Gun Craft Vic Venters,2010-11-16 *Gun Craft* examines today s artisanally made guns as well as the craftsmen who make them In it the author takes the reader into the workshops and factories of the world s best gunmakers making their sometimes arcane craft skills accessible and relevant to anyone who shoots owns or collects fine guns Each chapter explores a separate topic each has been chosen however to provide readers with a unified insight into the complicated task of making hand made guns in both Europe and the United States **Best Guns** Michael McIntosh,1999-01-01 This nearly encyclopedic gathering of gun knowledge deals with the world of shotguns in two distinct sections The first America s Best looks at each of the finest guns made in the United States during the Golden Age of gunmaking Names such as Parker A H Fox L C SMith Ithaca Lefever and others once were more than simply names on old guns they were people and companies inventively vying for a share of a growing gun market Their efforts created guns of lasting value and fame In the second section Today s Best McIntosh explores the world of fine guns as it exists today country by country commenting on guns whose intrinsic merit qualifies them as best guns He looks at the gunmaking centers of England Italy France Belgium and Spain and talks of the names that warm the hearts of those who appreciate the workmanship dynamics and feel of a fine gun names such as Purdey Holland Holland Granger Fabbri Piotti Arrizabalaga and others McIntosh offers advice on buying and shooting older guns what to look for and what to look out for As interest in fine

double guns reaches a new high in this country Best Guns serves both as a guide for the uninitiated and as a standard reference for the experienced collector and shooter [Dangerous-Game Rifles](#) Terry Wieland,2009-10-15 The popularity of rifles designed to take big game has never been greater Terry Wieland a widely recognized firearms expert explores in detail the rifles and calibers that are drawing attention This second edition covers what has changed in the field since the first edition was published new calibers new cartridges new guns new actions and includes new material on action and barrel manufacture tracing the production of a fine custom made big bore rifle **Shooter's Bible** Stoeger Publishing Company,2000 Gathers articles on shotguns sights and scopes cartridges handguns and 20th century sporting books as well as providing specifications for handguns rifles shotguns black powder guns scopes and ammunition **The Illustrated Catalog of Rifles and Shotguns** David Miller,2022-10-18 A complete compendium of rifles and shotguns through the ages A rifled firearm is one in which the projectile is made to spin as it travels up the bore The term rifle however was originally applied to muskets to differentiate them from the earlier smoothbore weapons and is used today to designate the infantryman s personal weapon fired from the shoulder or the hip or in some modern weapons from a bipod The rifle has also been used by sportsmen to kill larger game and was also used as a working tool by cowboys and trappers during the period of Western Expansion It progressed from being a muzzle loader to a breechloading bolt operated weapon then to a semi automatic weapon and finally to a lightweight assault rifle The emphasis throughout these developments has been in increasing the rate of fire reducing the weight and making the weapons more accurate simpler to fire more reliable and easier to maintain The shotgun is a smoothbore weapon originally developed as a hunting device for killing fast moving flying or running prey Loaded with shot many small projectiles the chances of hitting a moving target was greatly enhanced Like the rifle the shotgun has undergone similar progression from muzzle loader to breechloader bolt action and finally semi automatic mode The weapon has also seen military use in trench warfare and special operations as well as riot suppression by the police The Illustrated Catalog of Rifles and Shotguns shows the reader over 500 longarms of all types from the early flintlocks of the revolutionary period the percussion cap rifles and repeaters of the Civil War the famous rifles and shotguns of the Wild West the standard infantry rifles of two World Wars to the present day with Assault Rifles and combat shotguns together with state of the art sporting rifles and shotguns Each entry has a color photo along with a description and a technical specification It is arranged in alphabetical order within five historical periods Historic Civil War The Frontier Two World Wars and Modern plus a separate comprehensive Shotgun section [Vintage British Shotguns](#) Terry Wieland,2008-12-16 This authoritative guide to British made shotguns looks at individual makers their products and the selling points of particular guns In some cases Wieland also notes negative points or product limitations While the book will be welcomed by gun collectors worldwide it is particularly useful to those who are curious about British makers whose production was or is substantial enough that their guns would have crossed the pond into North America [The Shotgun &](#)

Its Uses (History of Shooting Series) East Sussex, 2012-11-07 This fascinating but little known book was first published in London in 1914 The author was a prolific contributor to the sporting press of that time and was an acknowledged expert on guns and shooting We have now republished it using the original text and illustrations The books 232 pages are a veritable mine of information on the development manufacturing choice and use of the English shotgun and its associated cartridges and loads Much practical advice is also offered on shooting grouse pheasant partridge woodcock and wildfowl etc with a multitude of tips on dealing with high birds coasters wind direction and weather flapper shooting etc Fourteen comprehensive chapters deal effectively with each of these subjects and are fully illustrated with vintage black and white photos and illustrations The original fascinating adverts for guns cartridges shooting grounds equipment etc have also been retained for historical interest This early shooting book will prove to be a valuable asset in increasing the knowledge and prowess of all gun buffs and shooting men
