Hell's Bottom, Colorado Laura Pritchett, 2011-12-10 Winner of the PEN USA Award for Fiction An admirable steely eyed collection of stories and vignettes featuring a family of ranchers Publishers Weekly On Hell's Bottom Ranch a section of land below the Front Range there are women like Renny who prefer a little Hell swirled with their Heaven and men like Ben her husband who's gotten used to smoothing over Renny's excesses There is a daughter who maybe plays it

too safe and a daughter plagued by only half wanting what life has to offer The ranch has been the site of births and deaths of both cattle and children as well as moments of amazing harmony and clear vision Set in the unpredictable West these stories remind us that we cannot escape the messiness and obsessions of ordinary life Patricia Henley author of Hummingbird House Displays the talent of a brilliant new writer The Rocky Mountain News With the rugged beauty of the Rocky Mountains as backdrop Pritchett's spare yet richly evocative stories portray the stark reality of life on a Colorado cattle ranch where three generations of one family tend the land and animals devoting and losing themselves to an existence few would understand or choose to follow Regardless of whether the songs she hears are sung by a meadowlark or a jailbird Pritchett excels at juxtaposing the sensuous with the severe the rapturous with the repugnant Booklist The stories jump back and forth in time but their message is clear this family's ties are as quixotic fierce and enduring as the land that binds them together School Library Journal
