Fine Feathered Friend Jamila Gavin, 2002 In India Raju is angry about spending two months on his aunt and uncle's farm while his family attends a wedding in England but things look much brighter after he becomes mother to a newly hatched chick

Fine Feathered Friends Jane Yolen, 2010 Celebrated writer Jane Yolen and photographer Jason Stemple longtime bird watchers take a look at birdlife in this fascinating volume of poems and pictures Fourteen original poems explore a dazzling flock with skillful wordplay that inspires the reader to look at some common feathered friends in uncommon ways The photographer's masterful eye captures each unique creature creating intimate portraits to ponder and admire

Fine Feathered Friend, 2022 *My Fine Feathered Friend* William Grimes, 2025-08-22 Boy Meets Bird Boy Gets Bird Boy Loses Bird An Urban Folktale One day in the dead of winter New York Times restaurant critic William Grimes looked out the window into his backyard in Queens and saw a chicken jet black with a crimson comb Wherever it had come from it showed no sign of leaving and it quickly made a place for itself among the society of resident stray cats Before long the chicken became the Chicken and it began to arouse not only Grimes's protective impulses but also his curiosity He discovered that chickens were domesticated first as fighters not food that egg laying is triggered by exposure to light that chickens were a fashion statement in Victorian days He began to probe the mysteries of gallinaceous behavior learning to distinguish a dust bath from a death dance and how to cater to his guest's eclectic palate And when the Chicken began to repay his hospitality with five or six custom laid eggs per week Grimes had an answer to the age old conundrum of which came first the Chicken And then one day obeying some bird brained logic of its own or perhaps the victim of fowl play the Chicken vanished leaving Grimes eggless but with this funny enlightening and heartwarming tale to tell
