## **Finitys End:**

**Finitys End** C.J. Cherryh,1998-08-01 Finitys End is the oldest Merchant ship in the universe In an era of spies pirate traders and uneasy alliances the Company Wears are now over the hunt for the fleet is winding down and the ship is coming home to reclaim her trade routes Having lost an entire generation the youngest crew members bred and trained for war must face their most critical battle of all survival in a time of lasting peace Finity Felix R. Savage,2015-07-23 How would it feel to be one of the first pioneers to colonize Mars Raphaella signed up for the Mars First mission on an impulse But the Red Planet ruthlessly tests her will to survive driving her to extreme measures Fans of The Martian will enjoy this timely take on Mars exploration Felix R Savage is the author of The Elfrida Goto Trilogy comprising the first three books in the Solarian War Saga of high powered space opera thrillers Finity is NOT part of the series It is a stand alone short story set much closer to our own era Enjoy The Triad of Finity Kevin Emerson,2015-05-05 On Earth time is the ruler of all things but time is not on Oliver s side It s the beginning of the end With the Anointment complete and Emalie gone it seems that nothing can prevent Oliver from being summoned to the Nexia Gate to fulfill his terrible destiny Illisius is coming Oliver and his parents are being carefully watched by the Half Light Consortium There will be no mistakes this time One sliver of hope remains If Oliver and Dean can solve the baffling mystery of the Triad of Finity there might still be a chance to change the future But without Emalie is it even possible Time is running out the battle is beginning and Oliver teenage vampire is about to find out what it really means to be human **Alliance Rising** C. J. Cherryh,Jane S. Fancher,2020-11-24 SFWA Grand Master Cherryh returns to the Hugo award winning Alliance Union Universe with a thrilling entry in her far reaching sci fi saga Years after Sol has lagged behind other great megastations like Pell and Cyteen Alpha station receives news of an incoming ship with no identification The denizens of Alpha wait anxiously for news on the outsiders each with their own suspicions Ross and Fallon crew members of the Galway believe the ship belongs to Pell which has an interest in The Rights of Man another massive ship docked at Alpha It is under the command of the Earth Company but it is not quite ready and its true purpose is shrouded in mystery James Robert Neihart is captain of Finitys End a Pell ship flown by one of the Families He has heard whispers of The Rights of Man and wonders at its design and purpose especially as Sol struggles to rival the progress of the Farther Stars Now stationed on Alpha he must convince the crews that more is happening with the megastations than meets the eye For the reasons behind the creation of The Rights of Man and its true plans could change everything not just for Sol but for the First Stars and the Beyond itself **Alliance Unbound** C. J. Cherryh,Jane S. Fancher,2024-10-15 The 2nd novel of The Hinder Stars series returns to an intergalactic corporate conflict set in the Hugo Award winning Alliance Union Universe With deft prose and complex characters Alliance Unbound is thought provoking science fiction that shrewdly examines the technological and sociopolitical challenges of humanity s journey to the stars When Cyteen opened up faster than light travel it gave the technology for free to any ship that could reach it and with that

technology it provided a map of jump points points of mass enabling starships to navigate hyperspace safely The map of jump points however stopped with the route to Alpha thus excluding Sol and Earth and the Earth Company whose gateway to the stars was Alpha Cyteen knew exactly what it was doing with its gift Sol and the EC could still reach Alpha with sub light pusher ships as it always had but Sol and the Earth Company no longer had any authority in the Beyond But Sol intends to take back control of its star stations and stop Cyteen s unbridled expansion however it can To do that they are willing to starve Alpha and concentrate their efforts on a huge FTLer capable of carrying military force      **The Eternal Tomb** Kevin Emerson,2014-08-26 Can a prophecy of the world s end be undone by a teenage vampire The Anointment is approaching and soon Oliver will receive the power necessary to journey to Nexia and fulfill his terrible destiny But that isn t what he wants and he may have finally found a way to change his fate Yet the toughest part for Oliver hits closest to home Whom will he choose his friends or his family No less than the fate of the world hangs in the balance As powerful forces converge and sinister plots are hatched on all sides Oliver Emalie and Dean race to pull off their dangerous plan Nothing is certain except that everything is about to change      The Demon Hunter Kevin Emerson,2014-08-26 It s scary to know the fate of the world lies in your hands but even scarier to learn that it might be in your brother s It s the last night of summer and Oliver is hoping to have some fun with his two best friends Once school starts he ll be one step closer to receiving his demon and fulfilling the prophecy to open the Nexia Gate Meanwhile a series of gruesome animal attacks on humans has threatened to expose the vampire world The evidence points to Oliver s brother Bane who has recently acquired Occupying power the ability to inhabit animals Yet Oliver Emalie and Dean suspect something else is going on a sinister plot that involves Oliver s destiny and possibly the mystery surrounding his human parents Bane may hold the key to Oliver uncovering his past and changing his future if the Half Light Consortium doesn t get to him first      **Redifining Love's Finity A memoir of an Unwavering Mother** Rubina Wazir,2024-07-02 Have you ever stopped and wondered about a man standing in front of a colossal mountain Many people are out there having different obsessions and different amusements that beguile their minds and mesmerize their souls But a man with his mind revolving around climbing over a mountain sounds a bit odd right He does not know what lies ahead of him he does not know what is on the other side of a mountain yet he still wants to do it His energy and anticipation of getting to the other end are far more captivating than the strain labor and physical exertion required to get to that other end To the mind of that fella all these are secondary and subordinate The only desire that matters to him is to overcome the height and stand on its peak The hurdles and dolorous sensations to be encountered would be visible to all the other people around him except to that one man whose passion would surpass it all But does he know what lies ahead Should he be concerned about what is going to come in the next moment Should the dangers coming his way stop him from doing what makes his heart alive and brings his poignant soul back to life What is he to do Should he take that one step that is going to change him forever that one step after which he will not be the same person that he used to be Or

should he calm his racing heart down take a deep breath and set foot on the journey that would make him transform into someone else maybe a far better and stronger human than what he actually is perhaps the best version of himself What would you do if you were that man What you pitch to that man is what I presume you would do yourself Well as for me I took that one step **Fantastic Four Epic Collection** Tom DeFalco,2021-11-10 Collects Fantastic Four 1961 362 376 Fantastic Four Annual 1963 25 26 Adventures of the Thing 1992 3 From the Inniverse to INFINITY WAR When interdimensional warlord Oculus targets Sue and Franklin what strange change will Franklin undergo Then as the Magus unleashes his army of twisted doppelgangers on Earth and the foursome battle their evil duplicates the Invisible Woman must face the dark side of her psyche Malice The Human Torch panics when ambushed by a cabal of cosmic villains and does the unthinkable Johnny Storm s plight as a fugitive from justice brings the new Fantastic Four out of the woodwork and the Thing s battle with Wolverine will leave long lasting and very literal scars And when Uatu summons our heroes to the moon what has forced the Watcher to break his vow of non interference What else but Doom **The Blue Bird Flower** Craig Downey,2012-09-16 This book is a collection of interesting characters that inhabit letters written to Mrs Ainsworth by an unidentified character named Chuck Chuck uses a clever trick by pawning his stories off on letters to Mrs Ainsworth Come and read about the boy who found infinity invented 3D paint and a perpetual motion machine Meet Drummond the Runt dog and see what the Brass Rat is all about and what about Light nin an Ringtail odd names for dogs What in the world is a Reciprocity Machine and how does it work The Shrouded Monk so mysterious and what was it about him that gave him an age of over 200 years Why was there one squirrel too many and did a wound to Jessie s throat really end the Civil War **The Fast Red Road** Stephen Graham Jones,2000 The Fast Red Road A Plainsong is a novel which plunders in a gleeful two fisted fashion the myth and pop culture surrounding the American Indian It is a story fueled on pot fumes and blues borrowing and distorting the rigid conventions of the traditional western Indians cowboys and outlaws are as interchangeable as their outfits men strike poses from Gunsmoke and horses are traded for Trans Ams Pidgin the half blood protagonist inhabits a world of illusion of aliens ghosts telekinesis and water pistol violence where television offers redemption and the Indian always gets it up the ass Having escaped the porn factories of Utah Pidgin heads for Clovis NM to bury his father Cline But the body is stolen at the funeral and Pidgin must recover it With the aid of car thief Charlie Ward he crisscrosses a wasted New Mexico straying through bars junkyards and rodeos evading the cops and tearing through barriers Dukestyle Charlie Ward slid his thin leather belt from his jeans and held it out the window whipping the cutlass faster faster his dyed black hair unbraiding in the fifty mile per hour wind and they never stopped for gas Along the way Pidgin escapes a giant coyote survives a showdown with Custer and encounters the remnants of the Goliard Tribe a group of radicals to which Cline belonged Pidgin s search allows him to reconcile the death of his father with five hundred years of colonial myth making and will eventually place him in a position to rewrite history Jones tells his tale in lean poetic prose He paints a bleak fever burnt west a land of strip joints
