preacher's daughter in a small Texas town. She craved adventure and excitement like she read about both with her middle school English students and alone at home. She wanted to get out of Heart's Destiny and see the world. And maybe meet a man who could make her feel more than the friendly affection she felt with the guys she grew up with. Fiona jumped at the chance to travel with the GWA when her coworker and friend Charlotte Burleson told her about the traveling English teacher position. She interviewed for the job when the GWA was in Heart's Destiny for Charlotte's youngest brother's wedding over Thanksgiving break. She was scheduled to start her new job at the beginning of the new year and hoped the instant attraction she felt when she interviewed with the owner of the company wouldn't make the working conditions too uncomfortable. Rick didn't think his attraction to the new English teacher who was ten years his junior would be a problem. She was too young to be interested in a single father with too much responsibility on his shoulders to ever have time to take her out and treat her the way a beautiful young woman like her deserved. He considered himself more than man enough to appreciate her beauty from afar and keep all their interactions professional. Then he went home to New York over Christmas break and hired a male history teacher closer to Fiona's age. When the two new teachers both started work in the new year and seemed to be spending an awful lot of time together, Rick struggled to fight his natural alpha tendency to claim Fiona as his own. Which battle would Rick win? The battle with himself not to pursue Fiona. Or the fight for Fiona's heart.

The Life and Letters of William Sharp and "Fiona Macleod". Volume 1: 1855-1894 William F. Halloran, 2018-11-27. William Sharp 1855-1905 conducted one of the most audacious literary deceptions of his or any time. Sharp was a Scottish poet, novelist, biographer, and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod. This was far more than just a pseudonym; he corresponded as Macleod, enlisting his sister to provide the handwriting and address, and for more than a decade, Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America, E. C. Stedman. Sharp wrote, "I feel another self within me now more than ever; it is as if I were possessed by a spirit who must speak out." This three-volume collection brings together Sharp's own correspondence, a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith, and the Fiona Macleod letters which bring to life Sharp's intriguing second self. With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth-century English literature. It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity.

in her very private journal *The Gin Lovers* Jamie Brenner,2013-02-12 Set against the turbulent backdrop of Prohibition and the rise of the glamorous jazz age *The Gin Lovers* is a sensual and romantic story of how one high society woman's passion and courage lead her to love Cover William Sharp (Fiona Macleod) Elizabeth Amelia Sharp,2014-12-11 Example in this ebook When the secret of the identity of Fiona Macleod so loyally guarded by a number of friends for twelve years was finally made known much speculation arose as to the nature of the dual element that had found expression in the collective work of William Sharp Many suggestions wide of the mark were advanced among others that the writer had assumed the pseudonym as a joke and having assumed it found himself constrained to continue its use A few of the critics understood Prof Patrick Geddes realised that the discussion was productive of further misunderstanding and wrote to me Should you not explain that F M was not simply W S but that W S in his deepest moods became F M a sort of dual personality in short not a mere nom de guerre It was not expedient for me at that moment to do so I preferred to wait till I could prepare as adequate an explanation as possible My chief aim therefore in writing about my husband and in giving a sketch of his life has been to indicate to the best of my ability the growth and development in his work of the dual literary expression of himself The most carefully compiled record of a life can be but partially true since much of necessity must be left unsaid A biographer moreover can delineate another human being only to the extent of his understanding of that fellow being In so far as he lacks not only knowledge of facts but also the illumination of intuition and sympathy to that extent will he fail to present a finished study of his subject And because no one can wholly know another because one of necessity interprets another through the colour of his or her mind I am very conscious of my own limitations in this respect As however I have known William Sharp for more consecutive years than any other of his intimate friends I perhaps am able therefore to offer the fullest survey of the unfolding of his life though I realise that others may have known him better than I on some sides of his nature in particular as he impressed those who had not discovered or were not in sympathy with the F M phase in him The life of William Sharp divides itself naturally into two halves the first ends with the publication by W S of *Vistas* and the second begins with *Pharais* the first book signed Fiona Macleod It has been my endeavour to tell his story by means of letters and diaries of letters written by him and of others written to him concerning his work and interests To quote his own words A group of intimate letters written with no foreseen or suspected secondary intention will probably give us more insight into the inner nature of a man than any number of hypothetical pros and cons on the part of a biographer or than reams of autobiography I know Keats for instance far better through his letters than by even the ablest and most intimate memoirs that have been written of him the real man is revealed in them and is brought near to us till we seem to hear his voice and clasp his hand The diaries are fragmentary They were usually begun at each New Year but were speedily discontinued or noted down intermittently during a sojourn abroad as a record of work He was a good correspondent both as W S and F M I have thus tried to make the book as autobiographic as possible by means of these letters and diaries and I have added only what has seemed to me necessary

to make the narrative sequent Unfortunately letters have not been available from several valuable sources and I regret the absence of any written by him to Walter Pater George Meredith Theodore Watts Dunton Arthur Symons and to one or two of his most intimate friends To be continue in this ebook
