

"*The Fire Gospels* is a prodigally ambitious novel . . . a fable with a Flannery O'Connor-esque moral: Be good, be true, and beware the great flamemaker in the sky."

Fire Gospels A Novel:

The Fire Gospels Mike Magnuson,1999-06-23 The Fire Gospels takes place in the McCutcheon River Valley in Wisconsin during a long standing drought Through characters like Grady McCann a hardworking maintenance man at an old folks home his wife Erica a strangely evangelic Catholic and Lucky Littlefield the local weatherman turned preacher who enjoins his viewers to pray for rain at the beginning of each broadcast The Fire Gospels tells in vivid detail the story of the drought and how the townspeople are seduced into believing that Lucky will pull them through their time of struggle **The Fire**

Gospel Michel Faber,2008-10-30 When Theo Grienkerl happens upon the fifth Gospel in a war torn Iraqi museum he can't believe his luck Driven by greed and a lust for fame he capitalises on his find by publishing it His book is a sensation But he can hardly imagine the incendiary consequences his discovery will have for Christians Arabs homicidal maniacs and Amazon customers alike The Fire Gospel is a brilliant piece of storytelling dazzlingly outrageous and utterly gripping **The Gospel**

According to the Novelist Magdalena Maczynska,2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Michel Roberts and Colm Tóibín recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture **The Third Western Novel MEGAPACK®: 4 Great Western Novels!** Noel Loomis,Chuck Martin,William Colt MacDonald,Alan Le May,2015-07-09 The Third Western Novel MEGAPACK presents four more great tales of the Old West by four different writers Included in this volume are FERGUSON'S FERRY by Noel Loomis The ferry as the only crossing over the Missouri to the beckoning West and many men battled to wrest it from Sandy John Ferguson BOOTHILL GOSPEL by Chuck Martin Men listened to his gospel or died by his gun HELL GATE by William Colt MacDonald Killing men was just another job to Quist GUNSIGHT TRAIL by Alan Le May A six shooter siege at the Lazy M ranch If you enjoy this volume of classic westerns don't forget to search your favorite ebook store for Wildside Press Megapack to see the 220 other entries in this series covering westerns and historical fiction science fiction fantasy horror mysteries and much much more **The**

Quest for the Fictional Jesus Margaret E Ramey,2017-03-31 For almost two millennia Jesus' story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus While the novels themselves are as varied as their authors this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these reimaginings

and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re examine the canonical portraits of Jesus anew The Gospel standard, or Feeble Christian's support ,1863 Make-Believe David Dickinson,2020-01-30 I will tell you a story that will make you believe in God No story can guarantee being able to do this Yet novelists can tell stories that make us think about what we believe about God and why Despite repeated predictions of the death of the novel thousands of works of fiction are published and read in Britain each year Although Western society is less religiously observant than it was many 21st century novelists persist in pursuing theological religious and spiritual themes Make Believe seeks to explain why With chapters offering analyses of novels from several genres so called literary fiction historical fiction science fiction fantasy and dystopia David Dickinson discusses a wide spectrum of novelists Authors who are avowedly atheistic and authors who have a vested interest in perpetuating biblical stories are both featured Well known writers such as Rushdie McEwan McCarthy and Martell rub shoulders with some you may be meeting for the first time Appealing to literature students and people who simply enjoy reading whether Christian or not this study of God in novels invites us to open our minds and allow aspects of our culture to shape our understanding of God and to change our ways of talking about the divine Forthcoming Books Rose Army,1999 **The Gospel According to Flannery O'Connor** Jordan Cofer,2014-04-24 Jordan Cofer examines the influence of the Bible upon Flannery O Connor s fiction While there are many studies exploring how her Catholicism affected her fiction this book argues that O Connor is heavily influenced by the Bible itself Specifically it explicates the largely undocumented ways in which she used the Bible as source material for her work It also shows that rhetorically many of O Connor s stories and or characters are based upon biblical models Furthermore Cofer explains how O Connor s stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O Connor s work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O Connor doesn t merely reference these biblical stories she rewrites them The Heretic's Gospel - Book Two Gabriel Stone,2013-12-12 Follow the further adventures of the very remarkable Yeshua bar Yosef feminist humanist romantic and idealist as he falls in love with Mary of Migdal Nunaiya travels from Israel to Phoenicia and beyond is denounced defrocked and disgraced as a pretended Man in White and through no fault of his own becomes known as the Messiah Jesus bar Abbas the leader of the Rebel Alliance the next King of a United Israel the Son of Man the Son of God and the greatest thing since challah bread **The Metamorphoses of Myth in Fiction since 1960** Kathryn Hume,2020-02-20 Why do contemporary

writers use myths from ancient Greece and Rome Pharaonic Egypt the Viking north Africa s west coast and Hebrew and Christian traditions What do these stories from premodern cultures have to offer us The *Metamorphoses of Myth in Fiction* since 1960 examines how myth has shaped writings by Kathy Acker Margaret Atwood William S Burroughs A S Byatt Neil Gaiman Norman Mailer Toni Morrison Thomas Pynchon Kurt Vonnegut Jeanette Winterson and others and contrasts such canonical texts with fantasy speculative fiction post singularity fiction pornography horror and graphic narratives These artistic practices produce a feeling of meaning that doesn t need to be defined in scientific or materialist terms Myth provides a sense of rightness a recognition of matching a pattern a feeling of something missing a feeling of connection It not only allows poetic density but also manipulates our moral judgments or at least stimulates us to exercise them Working across genres populations and critical perspectives Kathryn Hume elicits an understanding of the current uses of mythology in fiction

The Concise Oxford Companion to English Literature Dinah Birch, Katy Hooper, 2013-05-30 Based on the bestselling Oxford Companion to English Literature this is an indispensable compact guide to all aspects of English literature Over 5 500 new and revised A to Z entries give unrivalled coverage of writers works historical context literary theory allusions characters and plot summaries Discursive feature entries supply a wealth of information about important genres in literature For this fourth edition the dictionary has been fully revised and updated to include expanded coverage of postcolonial African black British and children s literature as well as improved representation in the areas of science fiction biography travel literature women s writing gay and lesbian writing and American literature The appendices listing literary prize winners including the Nobel Man Booker and Pulitzer prizes have all been updated and there is also a timeline chronicling the development of English literature from c 1000 to the present day Many entries feature recommended web links which are listed and regularly updated on a dedicated companion website Written originally by a team of more than 140 distinguished authors and extensively updated for this new edition this book provides an essential point of reference for English students teachers and all other readers of literature in English

The Gospel According to the Simpsons Mark I. Pinsky, 2007-01-01 In this entertaining and enlightening book religion reporter Pinsky shows how The Simpsons engages issues of religion and morality in a thoughtful provocative and genuinely respectful way Practical Life

The Resurrection of Jesus in the Gospel of Peter Jeremiah J. Johnston, 2016-01-28 All four canonical gospels identify the resurrection of Jesus yet none detail the exact moment of its happening The absence of this narrative detail was hotly contested in the second century when critics derided a resurrection account without credible witness Thus the discovery of the Akhmim fragment at the end of the 19th century which purports to provide exactly that detail is a huge and surprisingly under utilised addition to Biblical scholarship of the Apocryphal gospels Johnston examines both the impact of this discovery on the scholarship at the time and argues for the dating of the fragment to the second century AD He identifies shared characteristics with other documents from this period including a rise in anti semitic feeling and developments in concepts of the afterlife and makes a

claim for this fragment being the text that aided the development of these movements The Second Century was the key time in which the non canonical Biblical texts were established It was also the era in which theologies which would become orthodox in the third century were penned and defined The significance then of dating the Akhmim fragment to the second century AD is huge This work will be of great use to scholars of Second Temple Judaism and those with an interest in the creation of the ideas that surround scholarship of the Bible **Bloomsbury Good Reading Guide** Nick

Rennison,2009-01-01 Deciding what to read next when you ve just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum The Observer **The Christian Workers Magazine** ,1919 **Prizing Scottish Literature** Stevie Marsden,2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society s Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly **Christian Thought** ,1919 Edinburgh Companion to the Bible and the Arts Stephen Prickett,2019-08-07 Examines the changing relationship between the Bible and the arts showing how the arts portray biblical stories in various ways and through various media and how the Bible is actually multiple entities fiercely contested translations in many languages Generously illustrated with examples including painting architecture and stained glass The Gospel According to James Baldwin Garrett, Greg,2023-09-15 An exploration into the continued relevance of James Baldwin s writings and wisdom
