Fire Radiance Love:

The Charismatic Movement John R. Rice, 2000-08 **The Inner Radiance** Curtiss FH and HA, 2022-08-20 That
Mysterious Power which Pushes All Things to Perfection **Journeys Into Radiance** Mira El, 2000-07-26 Journeys into
Radiance is a compilation of messages that were telepathically received from the realms of light where the angels and the
Ascended Masters dwell The messages were received in a group setting where people came together to meditate and
commune with the celestial realms The focus of this activity was to be in service to God and the Divine Plan for planet earth
The information received was recorded and later transcribed for this book All of those present could feel the infusion of
Grace and Light that accompanies this work It is hoped that all of those that read this book will receive of that Grace **The**
Book of Theanna, Updated Edition Ellias Lonsdale, 2011-09-13 The Book of Theanna contains a collection of letters
written by Ellias which he began transcribing from Theanna formerly Sara Lonsdale his wife and twin soul shortly after her
death They communicate and commune through a sacred impulse that rises from the Earth and descends from the Heavens It
is this very current that brings forth a path into the Age of Aquaria In the course of these writings Sara journeys to Heaven
and Hell and the vast Lands in between She paints vivid pictures of her encounters in each of these realms Through the
teachings she brings ways to break the crystallized shell holding us back from ultimate self love and forgiveness Waving the
smelling salts through the words she discusses illness karma the dark side the Lord of Death Christ the death minds and how
to awaken to Truth There is an immense need for Death s truth to fully reveal itself What this updated edition carries is a
renewed and refreshed revelation death is a different death than was ever possible before It can now come forward in a
redemptive fashion Not just another account of life after death not a channeled book in the usual sense The Book of Theanna
comes to break death s spell with the power and intensity of Love from across the veil now returned to Earth *Dream*
Trippers David A. Palmer, Elijah Siegler, 2017-11-27 Over the past few decades Daoism has become a recognizable part of
Western alternative spiritual life Now that Westernized version of Daoism is going full circle traveling back from America and
Europe to influence Daoism in China *Dream Trippers* draws on more than a decade of ethnographic work with Daoist monks
and Western seekers to trace the spread of Westernized Daoism in contemporary China David A Palmer and Elijah Siegler
take us into the daily life of the monastic community atop the mountain of Huashan and explore its relationship to the
socialist state They follow the international circuit of Daoist energy tourism which connects a number of sites throughout
China and examine the controversies around Western scholars who become practitioners and promoters of Daoism
Throughout are lively portrayals of encounters among the book s various characters Chinese hermits and monks Western
seekers and scholar practitioners as they interact with each other in obtuse often humorous and yet sometimes enlightening
and transformative ways *Dream Trippers* untangles the anxieties confusions and ambiguities that arise as Chinese and
American practitioners balance cosmological attunement and radical spiritual individualism in their search for authenticity in

a globalized world **Borderland** William Thomas Stead,1895 Fire, Radiance, and Love W. Herbert Brown,1967

Book of Theanna Ellias Lonsdale,Theanna Lonsdale,1996-01-04 Before she died Theanna then Sara Lonsdale developed a means to continue communication with her husband Ellias The Book of Theanna contains Ellias daily transcriptions of her words through Death's doors In the course of these epistles she discusses the scenery of Death the denials and delusions of the recently dead and the nature of sexuality violence and power The Book of Theanna is not just another account of life after death it is not a channeled book in the sense that that is usually understood It enacts a virtually unknown and ignored method of spiritual communication Theanna's principal task is to make this process available collectively so that from this point in history people will be able to come back from the dead and recognize where we are and the we are *On the Athanasian Creed* Emanuel Swedenborg,2025-08-26 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *On the Athanasian Creed and Subjects Connected with it* Emanuel Swedenborg,1856 **105 Esoteric Traditions of the World Book VII: The Flame That Cannot Die: Sufi, Daoist, Buddhist, Hindu, Christian, Kabbalistic, Hermetic, Gnostic, Shamanic, Egyptian, Greek, Celtic, Indigenous, Alchemical, Zoroastrian** Laing Z.
