**The Fire Within** Ronald Rolheiser, 2021-03-16. For most religious people the words God and sex

never go together God is conceived of as holy pure sexless and as morally above the raw desires that so powerfully beset us Sex on the other hand is conceived of as earthy and unholy something we must snatch and not without guilt from the gods Christianity has struggled mightily with sex so too have most other religions And yet when we look at sexual desire and ask where it comes from there can be only one answer It comes from God This is a book on desire its experience its origins its meaning and how it might be generatively channeled Sexuality is inside us to help lure us back to God but dealing with this fire inside us is a lifelong struggle Ron Rolheiser sheds light on this mystery and the journey it takes us on in these tantalizing fragments that help give us permission to feel what we feel and know that God is still smiling on us
