Fire Dance At Spider Rock:

Fire Dance at Spider Rock Les Savage, 1997-09 Fire Dance at Spider Rock Les Savage (Jr.), 1996 Rim Fannin was working for White Mountain Freight hoping to prove that the owner was responsible for his father's death. When his train was attacked by Indians, Rim was taken to Canyon de Chelly and soon found out why he had been taken alive. *Fire Dance at Spider Rock* Les Savage, 1995 Outlaws of the Brasada Les Savage, 2014-11-18 A Civil War veteran and widower struggles to keep his children alive in a pair of classic Western tales. Things looked dark for Emery Bandine when he returned to Spanish Crossing from fighting in the Civil War. Conditions in Texas were so harsh that he could barely feed his family. He started to gather a stake by rounding up unbranded cattle in the brush country but he couldn't afford to pay for medical care for his young wife and she died while bearing her third child. Bandine is left with two children and swears that no matter what he has to do he won't let them grow up to face the same poverty. But how can he fight the Union occupation forces and at the same time protect his children. *Outlaws of the Brasada* is accompanied by one of Savage's finest short stories, *Gunstorm*. *Ghost* a chilling tale of a gunfighter with his back against the wall. Due to his preference for historical accuracy, Savage often ran into problems with book editors in the 1950s who were concerned about marriages between his protagonists and women of different races, a commonplace on the real frontier but not in much Western fiction of that decade. This edition of *Outlaws of the Brasada* fully restores Savage's original text. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns books about outlaws, sheriffs, chiefs, and warriors, cowboys, and Indians are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L. Amour and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. *Dead Man's Journey* Les Savage Jr., 2019-07-02 The Wagon Warrior opens this collection of six Les Savage Jr. stories. In it David Brooke, a hunter for freight caravans, finds himself shackled in a wagon because he had been raised by the Cheyennes and they are being blamed for the attack on an earlier supply train. In *The Man Who Tamed Tombstone*, singer Kaye Lawrence and Eddie Hammer, her manager, arrive in Tombstone for a series of concerts. They find themselves in danger as a power struggle between Sheriff Nevis, supported by Odds Argyle and the Allen Street bunch, and Marshal Graham plays out. *Blackie Barr* in *Bullets and Bullwhips* was blackballed by the freighting companies when his caravan burned three years ago, killing five men. Barr is given a second chance by Pop Trevers, whose future depends on making good on a government contract. In *Owlhoot*, Maverick Johnny Peters is out to avenge the death of his father, the outlaw Concho Peters. Things become confusing for the young man when the very man he seeks saves his life and then offers him a job on a cattle drive. In *Bullets Bar*, This Trail Hal Wells had joined Tracy Bannerman in his detective agency, believing they could make it big. The woman Wells loves, Carol Hastings, also has big dreams. As the three race to Butte with 40,000 in cash

to exercise the option on the Golden Ace mine for their client Bannerman becomes suspicious about the intentions of the two In Dead Man s Journey when Henry Jordan the man who had grub staked Ray Bandelier a former actor is shot in his Sacramento office Bandelier is suspected An admirer of his acting Louis Calvert provides him cover by sneaking him out of town with his acting troupe The ruse works but the troupe soon finds themselves the target of Reboe Ayers and his gang

Stories of the Far North Jon Tuska,1998-01-01 The Northwestern story emerged full blown from the pen of Jack London and his The League of the Old Men is a fitting introduction to these rigorous action tales in which the inhospitable climate strips away civilized veneer and individuals must live or die by their cunning instinct and sometimes ruthlessness The bond between man and dog and the character flaws revealed under the stresses of extreme isolation are just two of the classic themes explored in these works The collection comes to a fitting climax of a century s worth of development with a new story by Tim Champlin commissioned for this volume Most of these stories were originally published in magazines and were heavily edited to meet space and style concerns Stories of the Far North restores each work to its original form uncut and as each author intended

The Cavan Breed Les Savage, Jr., Les Savage, 2003-04-30 Rescued from the brutal owner of the estate where she is a servant, Teresa Cavan soon allies herself with a powerful faction seizing power in Santa Fe and reaches a position of great power and wealth. But she soon learns it's often easier to achieve a position than to keep it. Arizona Geological Survey (U.S.), 1989 **The Beast in Cañada Diablo** Les Savage, Jr., 2005-03-28 In the title novella of this Western trio, three rustlers on the run dive into the heart of a killer cat's lair. **Bowker's Guide to Characters in Fiction 2007**, 2008-02 *The Native American in Long Fiction* Joan Beam, Barbara Branstad, 2003-09-29 A companion guide to the author's 1996 work *The Native American in Long Fiction: An Annotated Bibliography*, this supplement is a compilation of all identifiable novel-length fictional works by and about Native Americans published primarily between the years 1995 and 2002. Recently more Native Americans are writing their own stories and telling their contemporary experiences, and the novels included in this supplement reflect that shift. It identifies Native American authors who have written long fiction on themes relevant to their history, social conditions, culture, and people, and includes all works by non-Native American authors that either have Native Americans as central characters or Native American issues as central themes. Though it concentrates on fictional works published about native people in the United States and Alaska, it also includes many works that focus on tribes from other areas of North America such as Canada and includes all literary genres: mysteries, historical fiction, westerns, romances, and contemporary fiction. This is an imperative addition to the field that raises the awareness of Native American issues in either an historical context, a cultural or social context, or in contemporary society. For use by librarians and library collection development staff, teachers, educators, and faculty in high schools and colleges, and by the general public eager to locate and identify novels on Native American themes. Includes short critical annotations, indexes by tribal affiliation, geographical location, time period, historical persons, and events; a list of works not included; and a Best Books list of the author's personal favorites. **The Devil's Corral** Les Savage, 2004 Among the three thought-provoking stories here is *The Devil's Corral*, in which the Devil is a recalcitrant horse that has refused all efforts to ride him. Devil is responsible for putting Ed Ketland in the hospital and for Ed's newly acquired phobia of riding any horse. **What Do I Read Next?**, 1997 **The Sting of Señorita Scorpion** Les Savage, 2001 Bk 1 *The Sting of Señorita Scorpion* Bk 2 *The Hangman's Segundo* Bk 3 *The Lone Star Camel Corps* *What Do I Read Next?* 00 V2 Gale Group, 2000-11 **The Western Story** Jon Tuska, 1995 Collection of 20 generally excellent western short stories. *Star Western* Jon Tuska, 1995 22 classic western stories from the popular *Star Western* magazine, written from October 1933 to September 1954. *Danger Rides the River* Les Savage, 2002 A lusty, turbulent historical novel of life on the Mississippi beginning a few years before the War of 1812. *Natchez Under the Hill*
