**Traditional Japanese Literature** Haruo Shirane,2007 Traditional Japanese Literature features a rich array of works dating from the very beginnings of the Japanese written language through the evolution of Japan's noted aristocratic court and warrior cultures. It contains stunning new translations of such canonical texts as *The Tales of the Heike* as well as works and genres previously ignored by scholars and unknown to general readers. This volume includes generous selections from *Manyōshū*, *The Tale of Genji*, *The Pillow Book*, *Kokin Wakashū* and other classics of Japanese literature as well as a stunning range of folk literature, epic tales of war, poetry and no drama. The anthology offers an impressive representation of dramatic, poetic and fictional works from both high and low culture along with religious and secular anecdotes, literary criticism and works written in Chinese by Japanese writers. The wealth of classical poetry, linked verse and popular poetry is accompanied by extensive commentary. *Traditional Japanese Literature* is a companion volume to Columbia University Press's *Early Modern Japanese Literature: An Anthology, 1600-1900* and part of its four-volume history of Japanese literature. Arranged by chronology and genre, the readings are insightfully introduced and placed into their political, cultural and literary context, and the extensive bibliographies offer further study for scholars and readers. Including a wide range of classic and popular works in poetry, prose and drama, this anthology presents a definitive overview of traditional Japanese literature and deepens our understanding of classical and medieval Japanese culture.

**A Monograph of the Pheasants** William Beebe, New York Zoological Society, 1922     Selected Prose and Prose-Poems Gabriela Mistral, 2010-01-01 The first Latin American to receive a Nobel Prize for Literature, the Chilean writer Gabriela Mistral (1889-1972) is often characterized as a healing, maternal voice who spoke on behalf of women, indigenous peoples, the disenfranchised children and the rural poor. She is that political poet and more a poet of philosophical meditation, self-consciousness and daring. This is a book full of surprises and paradoxes. The complexity and structural boldness of these prose poems, especially the female erotic prose pieces of her first book, make them an important moment in the history of literary modernism in a tradition that runs from Baudelaire, the North American moderns and the South American postmodernists. It's a book that will be eye-opening and informative to the general reader as well as to students of gender studies, cultural studies, literary history and poetry. This Spanish-English bilingual volume gathers the most famous and representative prose writings of Gabriela Mistral, which have not been as readily available to English-only readers as her poetry. The pieces are grouped into four sections: *Fables*, *Elegies* and *Things of the Earth* includes fifteen of Mistral's most accessible prose poems. *Prose and Prose Poems from Desolación* (Desolation, 1922) presents all the prose from Mistral's first important book. *Lyrical Biographies* are Mistral's poetic meditations on Saint Francis and Sor Juana de la Cruz. *Literary Essays*, *Journalism*, *Messages* collects pieces that reveal Mistral's opinions on a wide range of subjects, including the practice of teaching, the writers Alfonso Reyes, Alfonsina Storni, Rainer Maria Rilke and Pablo Neruda. Mistral's

own writing practices and her social beliefs Editor translator Stephen Tapscott rounds out the volume with a chronology of Mistral s life and a brief introduction to her career and prose      **Smoking Meat** Will Fleischman,2016-05-10 Smoking meat is an art form that combines scientific precision with a little smoky alchemy to produce the tenderest most delicious cuts Even better it s something that anyone can do whether you re cooking with an adapted bucket or a purpose built Texan smokehouse Smoking Meat is the ultimate mouth watering guide to cooking with smoke Whether you re whipping up some pork belly or spare ribs Smoking Meat will have you experimenting with endless combinations of woods heats meats cuts rubs and sauces Impress your friends with over 50 inspired meat recipes for every taste drawing on classic and adventurous ideas for meats from chicken to lobster and pork belly to venison Smoking Meat is perfect for all foodies planning on hosting a barbeque or just treating your own tastebuds Mouth watering photos capture varying textures and colours of the meat to ensure that you re smoking meat the way you want to      **Cassell's household guide** Cassell, ltd,1869
