Firefly Gadroon:

Firefly Gadroon Jonathan Gash, 2013-11-07 I don't like to pack too much into an ordinary day and this one had already been pretty eventful two arguments with women a fight in a pub a warning from the Old Bill and a fiasco at auction that lost me an exquisite antique Japanese firefly cage The trouble was somebody wanted that little gem even more than I did It was the key that would unlock a secret they'd do anything to keep under wraps even murder If only they could only have gone about their dirty deeds without involving me or my friends they might have got away with it all but when the master craftsman bravely trying to teach me the art of gadrooning fell foul of them and paid for it with his life they had me to deal with Firefly Gadroon Jonathan Gash, 1982-01-01 **Firefly Gadroon** Jonathan Gash, 1982 **Firefly Gadroon** Jonathan Gash, 2013 A Lovejoy Murder Mystery *The Gondola Scam* Jonathan Gash, 2014-04-03 Antiques and women are really the only things that I'm interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascinating especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying *The Bibliography of Regional Fiction in Britain and Ireland, 1800-2000* Keith D. M. Snell, 2017-03-02 Pioneering and interdisciplinary in nature this bibliography constitutes a comprehensive list of regional fiction for every county of Ireland Scotland Wales and England over the past two centuries In addition other regions of a usually topographical or urban nature have been used such as Birmingham and the Black Country London The Fens the Brecklands the Highlands the Hebrides or the Welsh border Each entry lists the author title and date of first publication The geographical coverage is encompassing and complete from the Channel Islands to the Shetlands An original introduction discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction *Faces in the Pool* Jonathan Gash, 2009-12-08 In Jonathan Gash's 24th Lovejoy Mystery *Faces in the Pool* Lovejoy is released from jail on condition he join the elegant Laura Moon's speed dating agency A divorced millionairess she proposes a temporary marriage of convenience to help her hunt down her former husband Can Lovejoy do what is expected of him without getting killed A picaresque tour de farce If you crave linear plotting Gash will send you screaming for Tylenol but nobody dissembles more brilliantly Kirkus Reviews *Shut Up He Explained* John Metcalf, 2007-09-15 John Metcalf's *Shut Up He Explained* defies expectations and strict definition Part memoir part travelogue part criticism wholly Metcalf it is thoughtful engaged contentious and often very funny It offers a full dose of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him he remains as sharp critical constructive and insightful as ever Indeed this may just be his most important and engaged book Certainly it will be among his most controversial What his critics will

refuse to see of course is that it is also among his most positive that it is a celebration of the best literature Canada has to offer the birth of which Metcalf himself both witnesses and actively encouraged Shut Up He Explained is magisterial a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue elucidate and celebrate

Pearlhanger Jonathan Gash,2014-04-03 I don't much like working for clients It means that I have to follow someone else's instructions and I've never been too good at that When those instructions came from a spirit guide at a seance I just had to laugh Well you would wouldn't you The rather attractive young woman whose husband the spook had said I should help her to find took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders Situation normal really Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn't laughing anymore

The Vatican Rip Jonathan Gash,2013-11-07 I always think that a genuine friend is like a genuine antique you'd go a long way to find one and you'd do anything to stop one getting broken When an Italian gentleman made me an offer I couldn't refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don't they But they're well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be doing it wouldn't they

The Tartan Ringers Jonathan Gash,2014-04-03 I like to think that when feeling my way carefully through the rituals of passion the lady in question has pretty much my full attention and very few things will distract me from the job in hand A murder just outside is one of them The victim and two other antiques dealers who also came to a sticky end were all working the same Scottish connection that I had been cultivation so I decided to make myself scarce for a while Where better to hide than at the root of the problem in the wilds of Scotland There may be nothing very Scottish about me but when my life's on the line I can blend into the Highlands like a haggis in the heather It was also the best place to find out why the antiques trade down south had become such a dangerous business

The Sleepers of Erin Jonathan Gash,2013-11-07 You know things are going badly when you've been stabbed hospitalized and arrested for a crime that not only did you not commit you actively attempted to prevent Top that off with a pending appearance in court before a judge whose wife you know rather better than he does and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly reasonable thing to do All you have to do is to make sure that you don't end up joining the ancient Irish tomb's ancient Irish inhabitants Nothing's ever that simple though is it Not in my world anyway Women have a tendency to confuse matters and when you're dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billericay in his entire life things are confusing enough don't
