Firelight The Red Stallion:

Firelight, the Red Stallion Elisabeth Hartenstein, Rosaleen Ockenden, 1970-01-01 Shadow Lance: Operation Firelight Angel Giacomo, 2025-08-31 May 1970 Eastern Cambodia Operation Shatterhorn was never meant to succeed Sent across the border on black orders Colonel Theodore Roosevelt IV and his team were bait in a covert game no one was supposed to survive But when the mission implodes and his team is wiped out Roosevelt emerges as the lone survivor broken bleeding and betrayed As he fights to stay alive through the Cambodian jungle a deeper truth begins to unravel Someone in the chain of command orchestrated the disaster And someone wants him erased Hunted from within and marked as expendable Roosevelt is offered a choice to either disappear quietly or become the weapon they can no longer control Win With Words Brian Elder, 2013-08-29 HELP FOR YOUNG READERS WHO ARE STRUGGLING AND FOR THOSE WITH ENGLISH AS A SECOND LANGUAGE It is believed that twenty or more percent of New Zealand children and many from other countries particularly boys are leaving formal education sadly deficient in the literary skills essential for normal living without being able to read road directions or the instructions on a bottle of medicine PART ONE of this book and the accompanying practice pages in KEYS TO READING has proved with regular use to be of great assistance to many young readers who are struggling to overcome a setback in their progress and has enabled them to become confident and fluent readers For parents who are seeking desperately for clear guidance as to how they may help their children this program will provide a simple and effective plan to follow PART TWO provides a simple outline of English grammar both for students who need some help in an easily understood form and for those with English as a second language There is also help with written expression spelling and vocabulary An extensive list of idioms should prove especially useful to those with English as a second language Brian Elder is a graduate of Otago University with a BA degree majoring in English and trained as a teacher at Dunedin Teachers College He has taught all primary school grades with most teaching at the Intermediate level and was for many years a deputy principal at an Intermediate School Apart from teaching his main interest has been organizing and leading Christian holiday camps for pre teens spending thirty years during school vacations as Camp Director of Christian youth camps Brian has always had a real concern for disadvantaged children and the Keys to Reading program has arisen from a perceived need to provide some practical help for boys and girls who have been struggling in this area **A Red Horse Rode Out** J. C. Arlington, 2004-12 WW1 France doughboy Hank endures the loss of comrades while trying to stay alive as a member of the heroic Lost Battalion in the horrific Meuse Argonne offensive that ended the war **The Dig** Sheldon Russell, 2013-08-28 Life couldn't be worse for archaeology grad student Jim Hunt Having lost his funding at a major midwestern university and his partner he desperately needs a breakthrough to revitalize his work and his life Could a summer dig in map dot Lyons Kansas jumpstart his fledgling career Out of options he packs his bags Five hundred years earlier Spanish conquistador Francisco V squez de Coronado faces a desperate journey of his own through New World terrain He must find the legendary

golden city of Quivira But can he trust the mysterious Turk his Indian guide Jim and Coronado s stories interweave in The Dig intersecting at a fateful point Things don t improve for Jim with his first steps in Lyons and his trespass upon an ancient mausoleum His curiosity angers the locals including Eva a striking but no nonsense museum worker Jim is instantly drawn to A local tough Mitch Keeper enforcer for a reclusive wealthy landowner seems to go out of his way to harass Jim The sheriff thinks nothing of throwing him in jail And then the seemingly innocuous dig turns deadly It s not much better for the conquistador After days of wandering through dusty lands with no food or water Coronado and his men are dying Still the Turk beckons them on To continue means death But to return empty handed is equally unbearable Sheldon Russell ratchets the tension and mystery in both narratives as Jim and Coronado close in on or are eluded by what they seek Along the way the author s research and craftsmanship shine through Coronado s carefully rendered formal speech contrasts with the casual dialogue authentic to the plains today Even minor characters from Stufflebaum Lyons s prankster taxidermist to the inscrutable Turk leap from the page A historical fiction thrill ride that builds to an Indiana Jones style standoff The Dig forces its characters and readers to grapple with an age old proverb all that glitters is not gold *Growing Point* ,1970
