Stålsett, 2023-06-26 Vulnerability is at the core of the political drama of our time Countering conventional approaches this book presents human vulnerability as a source of political community and a potential for political agency in precarity Analyzing Christian celebrations of Christmas and Easter in contexts of struggle it shows how religious resources inspire precarious politics Combining critical political theory liberation theology and lived religion Sturla J St lsett sees in such celebrations a political sacralization of vulnerability and a dispossession of divinity **The Invisible Bear on Bunchgrass Mountain** Dean Norman, 2010-10 **Fire in Paradise: An American Tragedy** Dani Anguiano, Alastair Gee, 2020-05-05 The harrowing story of the most destructive American wildfire in a century On November 8 2018 the ferocious Camp Fire razed nearly every home in Paradise California and killed at least 85 people Journalists Alastair Gee and Dani Anguiano reported on Paradise from the day the fire began and conducted hundreds of in depth interviews with residents firefighters and police and scientific experts Fire in Paradise is their dramatic narrative of the disaster and an unforgettable story of an American town at the forefront of the climate emergency **Islam Rising** Orlean Koehle, 2022-11-03 Hard Questions This Book Answers What is causing the backward transformation that Europeans are experiencing bringing parts of Europe back to almost the same state of terrorism and loss of freedom when they were once shackled under NAZI and Communist occupations What has happened to Christianity in Europe How many churches are now standing empty being turned into museums or concert halls or being sold as mosques What has happened to the demographics of Europeans now in such decline How soon will original Europeans no longer exist replaced by the souring populations of Muslims What is the true history of Islam and the ideology driving their acts of terrorism Why is this being whitewashed in the media and in European and American public schools as the schools are promoting pure Islam propaganda

How is the USA following the same pattern set for us in Europe with their massive influx of immigrants and refugees Who are the various secular and non secular groups driving the refugee program and how much money is being made by them What are the huge numbers of immigrants and refugees doing to our own country How are small town and communities and their schools suffering with such a huge influx of migrants who do not share a common culture language traditions or religion
