Barbara R. Warner

First And Last Consul Thomas O Larkin And The Americanization Of California:

First and Last Consul Thomas Oliver Larkin,1962 *First and Last Consul: Thomas Oliver Larkin and the Americanization of California* Thomas Oliver Larkin,1970 Thomas O. Larkin Harlan Hague,1995-03-01 Arriving in Mexican California in 1832 Thomas O Larkin 1802 1858 expected to become a rich man and he did he became a successful merchant financier and land developer Larkin also became the confidant of California officials American consul to California and secret agent of the president of the United States during the territory's transition from Mexican to American control Harlan Hague and David Langum have uncovered a large body of new information shedding light on many aspects of Larkin's personal life as well as on his business and diplomatic activities Historians and general readers will welcome this full scale biography of one of the most important men in the history of early California **The Early Republic and Antebellum America: An Encyclopedia of Social, Political, Cultural, and Economic History** Christopher G. Bates,2015-04-08 First Published in 2015 This text holds four volumes of essays and entries on the early Republic and Antebellum era in America spanning the end of the American Revolution in 1781 to the outbreak of Civil War in 1861 The Americans forged a new government in theory and then in practice with the beginnings of industrialisation and the effects of urbanisation widespread poverty labour strife debates around slavery and sectional discord By the end of the nineteenth century America had a powerhouse economy new technologies and the emergence of major social reform movements creation of uniquely American art and literature and the conquest of the West This encyclopaedia offers a historic reference First and Last Consul. Thomas Oliver Larkin and the Americanization of California. A Selection of Letters Edited by John A. Hawgood. [With a Portrait.] Thomas Oliver LARKIN,1962 **Breakaway Americas** Thomas Richards Jr.,2020-04-21 A reinterpretation of a key moment in the political history of the United States and of the Americans who sought to decouple American ideals from US territory Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University Most Americans know that the state of Texas was once the Republic of Texas an independent sovereign state that existed from 1836 until its annexation by the United States in 1846 But few are aware that thousands of Americans inspired by Texas tried to establish additional sovereign states outside the borders of the early American republic In Breakaway Americas Thomas Richards Jr examines six such attempts and the groups that supported them patriots who attempted to overthrow British rule in Canada post removal Cherokees in Indian Territory Mormons first in Illinois and then the Salt Lake Valley Anglo American overland immigrants in both Mexican California and Oregon and of course Anglo Americans in Texas Though their goals and methods varied Richards argues that these groups had a common mindset they were not expansionists Instead they hoped to form new independent republics based on the American values that they felt were no longer recognized in the United States land ownership a strict racial hierarchy and masculinity Exposing nineteenth century Americans lack of allegiance to their country which at the time was plagued with economic depression social disorder and

increasing sectional tension Richards points us toward a new understanding of American identity and Americans as a people untethered from the United States as a country Through its wide focus on a diverse array of American political practices and ideologies Breakaway Americas will appeal to anyone interested in the Jacksonian United States US politics American identity and the unpredictable nature of history **California History** ,1983 **Unfinished Revolution** Sam W.

Haynes,2010-11-04 After the War of 1812 the United States remained a cultural and economic satellite of the world s most powerful empire Though political independence had been won John Bull intruded upon virtually every aspect of public life from politics to economic development to literature to the performing arts Many Americans resented their subordinate role in the transatlantic equation and as earnest republicans felt compelled to sever the ties that still connected the two nations At the same time the pull of Britain s centripetal orbit remained strong so that Americans also harbored an unseemly almost desperate need for validation from the nation that had given rise to their republic The tensions inherent in this paradoxical relationship are the focus of Unfinished Revolution Conflicted and complex American attitudes toward Great Britain provided a framework through which citizens of the republic developed a clearer sense of their national identity Moreover an examination of the transatlantic relationship from an American perspective suggests that the United States may have had more in common with traditional developing nations than we have generally recognized Writing from the vantage point of America s unrivaled global dominance historians have tended to see in the young nation the superpower it would become Haynes here argues that for all its vaunted claims of distinctiveness and the soaring rhetoric of manifest destiny the young republic exhibited a set of anxieties not uncommon among nation states that have emerged from long periods of colonial rule

John Charles Fremont Andrew F. Rolle,1999-03-01 As an explorer John Charles Fr mont led five expeditions into the American West two of them disastrous He was also one of California s first two senators 1850 America s first Republican candidate for president 1856 a Civil War general and the territorial governor of Arizona 1878 83 But his life was one of rash and rebellious conduct against authority During the Mexican War he claimed to be the military governor of California which resulted in a court martial in 1848 At the outbreak of the Civil War he reentered the army as one of four major generals outranking even Ulysses S Grant However when he antagonized President Abraham Lincoln by issuing his own emancipation proclamation in advance of the president s Lincoln relieved him of command In this comprehensive biography Andrew Rolle carefully examines the historical record with a psychobiographical approach that explores and explains the many irrationalities of Fr mont s character *California Historical Society Quarterly* California Historical Society,1964 **First**

and Last Consul Thomas Oliver Larkin,1962 **The Men of the California Bear Flag Revolt and Their Heritage** Barbara R. Warner,1996 **Raising the Flag** Peter Eicher,2018-06-01 Since its inception the United States has sent envoys to advance American interests abroad both across oceans and to areas that later became part of the country Little has been known about these first envoys until now From China to Chile Tripoli to Tahiti Mexico to Muscat Peter D Eicher chronicles

the experience of the first American envoys in foreign lands Their stories often stranger than fiction are replete with intrigues revolutions riots war shipwrecks swashbucklers desperadoes and bootleggers The circumstances the diplomats faced were precursors to today s headlines Americans at war in the Middle East intervention in Latin America pirates off Africa trade deficits with China Early envoys abroad faced hostile governments physical privations disease isolation and the daunting challenge of explaining American democracy to foreign rulers Many suffered threats from tyrannical despots some were held as slaves or hostages and others led foreign armies into battle Some were heroes some were scoundrels and many perished far from home From the American Revolution to the Civil War Eicher profiles the characters who influenced the formative period of American diplomacy and the first steps the United States took as a world power Their experiences combine to chart key trends in the development of early U S foreign policy that continue to affect us today Raising the Flag illuminates how American ideas values and power helped shape the modern world Land and Law in California Paul Gates,2002-09 Land and Law in California present essays by Paul W Gates a foremost authority on American public lands history **American Foreign Relations Since 1600** Robert L. Beisner,2003 A thorough update of the standard bibliography of American foreign relations literature from colonial times to the present day America has formed alliances exchanged diplomats traded goods and services and fought wars with nations on every continent but Antarctica And people have written books articles reports and papers by the thousands on these subjects In American Foreign Relations since 1600 the 2002 president of the Society for Historians of American Foreign Relations Robert Beisner has worked with members of SHAFR to compile the most exhaustive survey of writing on American foreign relations ever published Covering 400 years of American history his team of editors all top experts in the field have referenced and annotated nearly 20 000 published and nonpublished works It s all here from the Mayflower Compact to the My Lai massacre from the War of 1812 to the war on terrorism from the pre Revolutionary era to the post Cold War world Nearly 20 000 fully annotated bibliographical entries on topics such as the Mexican Revolution pan Americanism wartime diplomacy the German threat and more A preface clearly outlining the updated features of the book Three analytical indexes to guide users to entry information contributors and significant individuals Biographical studies on individuals such as John Barrett William Jennings Bryan and Theodore Roosevelt **Guide to American Foreign Relations Since 1700** Richard Dean Burns,1983 Designed to supplement the Guide to the Diplomatic History of the U S 1935 this bibliography has items arranged chronologically geographically and topically while indexes refer to authors subjects and individuals In addition to maps the book contains a list of major policy makers since 1781 and brief biographical sketches of U S secretaries of state ISBN 0 87436 323 3 87 50 **A British Ranchero in Old California** Sheldon Glenn Jackson,1977 The Library of Dr. Roger K. Larson ,1995 **General M.G. Vallejo and the Advent of the Americans** Alan Rosenus,1995 General Mariano Guadalupe Vallejo was one of California s most distinguished citizens in the mid nineteenth century A frontier cosmopolitan and visionary Vallejo owned vast ranchos

in northern California and wielded enormous political power throughout the province. While serving as military governor during Mexican rule, he established an open immigration policy that encouraged and facilitated the American entrada to northern California. Dissatisfied with the remoteness of Mexican sovereignty, Vallejo believed that only the United States could unleash California's untapped economic potential. Not even Vallejo's imprisonment by the unscrupulous John C. Fremont during the Mexican American War deterred the General's pursuit of a political and economic relationship between California and the United States. Although Vallejo lost all his land to Yankee mortgage holders in the years following the conflict, he never abandoned his faith in the power of American democracy to transform human society. Alan Rosen's richly textured biography uses primary sources to narrate Vallejo's rise to power, his dominance of northern California, and the expansion of his great land holdings. Included in this chronicle are vivid sketches of colorful historical figures like Fremont, Don Salvador Vallejo, Chief Solano, Thomas Larkin, and many others.

Encyclopedia of Latin American History and Culture Barbara A. Tenenbaum, 1996. Strives to organize knowledge of the region. It contains nearly 5,300 separate articles. Most topics appear in English alphabetical order.

The Top Books of the Year First And Last Consul Thomas O Larkin And The Americanization Of California The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. First And Last Consul Thomas O Larkin And The Americanization Of California : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. First And Last Consul Thomas O Larkin And The Americanization Of California : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
