First and Last Seasons Dan McGraw,2000 Reminiscent of Frederick Exley s A Fan s Notes and James Dodson s Final Rounds First and Last Seasons is not only a courageously confessional memoir but a work of resounding originality a Rust Belt requiem for a father written by the black sheep son he leaves behind Dan McGraw did not plan to go home to help his father die To the thirty nine year old Texas based senior editor for U S News World Report Cleveland Ohio was a million miles away Dan was the prodigal middle son within a large Irish Catholic family and life never really got going until he was far away from the city and his dominant father Richard But the gravitational pull of his hometown grew stronger as each year passed by The final tug home came

when the NFL announced that the Cleveland Browns football franchise would be resurrected for the 1999 2000 season All McGraws and Clevelanders are die hard Sunday afternoon football fans and Dan decided to take a leave of absence and cover the Browns first season Soon thereafter Richard was diagnosed with terminal cancer Dan came home to a press pass and the caretaking chores for a father intent on dying the way he lived on his own terms First and Last Seasons is a heart wrenching work about fathers and sons the binding influence of community and how emotionally disconnected men find a common language in sports It is also a poignantly funny and charming celebration of one man s life and how his sacrifices and mistakes helped his son find the best part of himself A beautifully written intensely personal story this cathartic chronicle of how Dan participated in his father s final season is sure to speak to the millions of fathers and sons who have trouble finding the voice to express their love for one another

A Father's Son Mat Rogers, 2022-10-05 A book about humanity as much as sport It s like sitting at the kitchen table with your best mate and he s pouring his heart out about his life his loss his triumphs and his faults and the love that got him through Honest generous and most of all courageous Markus Zusak bestselling author of The Book Thief Mat Rogers is an Aussie footy legend and TV star who has triumphed over hardship loss and heartache He is finally ready to share his powerful life story He is one of the most talented footballers of the modern era and a dual international in rugby league and rugby union But for a long time Mat Rogers lived in both the shadow and the thrall of his famous father and their complex relationship shaped him in ways he couldn t fathom Craving paternal acceptance while determined to carve out his own identity and later to avoid repeating the sins of the father he veered between periods of jubilation and depression fulfilment and despair Now in his majestic evocative autobiography Rogers tells the story of a life framed by triumph and tragedy a life in which ultimately he finds purpose and contentment in a harsh world With its cracking pace and unvarnished frankness A Father s Son will be widely read and difficult to forget Though by and about a celebrated footballer it is so much more than another athlete s memoirs In spare vivid prose Rogers reveals how his teenage years were marked by periods of rebellion and self destructive behaviour Then at age 20 he became a father to son Jack before he had finished his own journey into adulthood By 22 he was married to first wife Michelle with another child daughter Skyla following shortly after As well as discussing the experience of having a family while still a young man Rogers also recounts the challenges that have defined his life off the sports field the impact of losing both his parents in tragic circumstances and the experimental neck surgery he underwent in 2007 ending years of debilitating pain Rogers story is one of a man who rises to the difficulties life sends his way The discovery that his son Max is autistic prompted him and second wife Chloe to co found charity 4 ASD Kids and he talks passionately about the work he has done to raise awareness of a subject so close to home That fighting spirit introduced Rogers to an even greater number of Australians who watched the sporting legend thrive on Australian Survivor Across two memorable appearances on the reality TV series he impressed viewers with his ability to combine his competitive spirit with his desire to play with heart That duality which defines Rogers

Whether in football or in the law Illinois Supreme Court Justice Robert Thomas has always had the best view from the bench Bob Thomas got his start in football at the University of Notre Dame kicking for the famed Fighting Irish in the early 1970s Claimed off waivers by the Chicago Bears in 1975 Thomas helped to take the franchise from their darkest days to their brightest Yet on the cusp of the team's greatest moment he was struck with a shocking blow that challenged his fortitude In this dramatic retelling of Bob Thomas's fascinating life renowned sports writer Doug Feldmann shows how neither football nor the law was part of Thomas's dreams while growing up the son of Italian immigrants in Rochester New York in the 1960s Chasing excellence on both the gridiron and in the courtroom however would require resilience in ways he could not have imagined As *A View from Two Benches* shows us Bob Thomas reached the top of two separate and distinct professions guided by a bedrock of faith that has impacted his decisions and actions as both a football player and a judge helping him navigate the peaks and valleys of life As Doug Feldmann reveals Bob Thomas has always stayed true to the values he learned in his earliest days Doug Feldmann's rich biography of an accomplished kicker and a proud justice of the law shows us that determination and resilience go a long way to a successful and impactful life The Carlisle Arrow, 1910 *The New York Times Index*, 2002 *Forgotten Sundays* Gerry Sandusky, 2014-04-22 *Forgotten Sundays* is the coming of age story of a father son relationship and the value of a good name which Gerry Sandusky knows all too well He has had to endure having an unfortunate name in sports but to him the Sandusky name means something entirely different honor integrity endurance and suffering and sadness *Forgotten Sundays* follows the life and relationship between Gerry Sandusky and his father former NFL tackle John Sandusky and coach for the Baltimore Colts Philadelphia Eagles and Miami Dolphins under the tutelage of legendary Coach Don Shula Gerry spent his summers observing his father in NFL training camps and his Sundays with superstars Hall of Fame players and coaches from Johnny Unitas to Dan Marino from Don McCafferty to Tom Landry Gerry's relationship with his father evolved through stages of worship disillusionment vulnerability tragedy and friendship Along the way he learned about the nature of manhood from observations clues and interactions more often than not unspoken It was when Gerry reached fatherhood himself and when John Sandusky began to tumble into the gauzy confusion of Alzheimer's disease that he began to understand his father on a much deeper level Heartfelt intelligent at times humorous at times tragic *Forgotten Sundays* explores the intricacies of a father son relationship and the nuances of how and what a son learns from a father It plumbs the meaning of a family name and it is an inspiration to others to embrace their own legacy and cherish their memories **American Book Publishing Record**, 2001 The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces, 1905 Phi Gamma Delta Quarterly, 1924 **The American Football League** Ed

Gruver,2011-01-14 Unable to buy into an existing team and rebuffed by National Football League owners who had no desire to expand 27 year old Lamar Hunt the son of Texas billionaire H L Hunt formed the American Football League in 1959 He placed his team in Dallas called them the Texans and invited other young entrepreneurs to join him The seven men who did called themselves members of the Foolish Club but on September 9 1960 the AFL made its regular season debut and went on to change the face of football forever Unlike the NFL the American Football League featured wide open offenses and innovative coaching strategies capturing a new generation of fans dedicated to the league and its players The AFL aggressively pursued college stars Heisman Trophy winner Billy Cannon in its inaugural season and Joe Namath in 1965 The eight teams signed a collective television agreement that split the money equally among the franchises thus providing far more stability and balance than earlier start up leagues Based on interviews with owners coaches players scouts broadcasters and writers from the era this is a colorful account of the AFL and its place in sports history Dream Season
