First And Second Peter:

First and Second Peter, James, and Jude PHEME PERKINS, 2012-08-01 First and Second Peter James and Jude have existed on the edges of the canon throughout the centuries In this volume PHEME PERKINS casts light on these often neglected writings ably demonstrating that they have in fact much to offer to today's readers The epistles are more than a compilation of traditional material They are concerned with very specific and concrete issues facing the early Christian communities and offer a counterpoint to the letters of Paul They deal with issues such as how to conduct oneself with others how to live in a non-Christian world and how to shepherd the flock of God as well as with theological issues such as the early Christian understanding of God the relationship between faith and works prayer and suffering Teachers preachers and others will find much intriguing material here as they rediscover the world of the first Christians through these letters *First & Second Peter- Everyman's Bible Commentary* LOUIS BARBIERI, 2003-08-01 Designed for lay people the Everyman's Bible Commentary Series deals seriously with biblical texts without being overly technical In First Second Peter LOUIS BARBIERI takes these books passage by passage providing background and scholarly interpretation First Peter is a practical book about the Christian's behavior before God the world and fellow believers Second Peter discusses the characteristics of the believer and warns against false teachers and doctrines that creep into the church First and Second Peter LOUIS BARBIERI, 1977 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information doctrinal themes problem passages and practical applications are examined **First and Second Peter, and Jude** FRED B. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers First Peter emphasizes proper Christian conduct in the face of anti Christian hostility Second Peter and Jude describe false teachers and their ungodliness affirming the true knowledge of Christian belief to counter heresy Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's *Commentary on the New Testament James, First Peter, Jude, Second Peter* Patrick J. Hartin, 2016-12-01 Who would not relish the opportunity to read two thousand year old letters These four of the seven catholic letters are addressed not to any specific church as are Paul's epistles but to the church in general Giving

us valuable insights into early Christianity they insist on the need to join good works with faith present Jesus sufferings as the model for enduring persecution and warn against intruders intent on undermining traditional faith and morals Far from being mere exercises in nostalgia for the good ol days the letters offer principles that have not lost their value for the Church of the third millennium Patrick Hartin s clarity and conciseness update the Church s earliest struggles to remain faithful to the spirit of Jesus Christ These are letters for us today too Fr Patrick J Hartin PhD is professor of New Testament at Gonzaga University Spokane Washington and the author of the Sacra Pagina commentary on James and A Spirituality of Perfection Faith in Action in the Letter of James published by Liturgical Press

The Letters of Jude and Second Peter: An Introduction and Study Guide George Aichele,2017-01-12 This Guide surveys the more important historical socio cultural theological and literary factors we must grapple with in understanding the two letters of Jude and Second Peter between which there are very strong similarities It appears that the letter of Jude was almost entirely plagiarized by the letter of Second Peter George Aichele s main approach is the method of semiotics examining signifying mechanisms in each of the texts both independently and when they are read together In both of the letters Jesus Christ is called the master with a Greek word that means slave owner and the authors of both books refer to themselves and other Christians as the slaves of Christ Furthermore both writings report situations of paranoid fear within Christian communities of their time as they picture heretical infiltrators who threaten to pervert and perhaps even destroy the community In addition to this in an adventurous excursion the letter of Jude is read intertextually with the classic science fiction horror film *Invasion of the Body Snatchers* Siegel 1956 in order to explore the dynamics of paranoia

The End of the Scroll Herold Weiss,2020-06-24 Preachers teachers and self proclaimed prophets frequently claim that the end of the world is near often based on their interpretation of Bible books such as Daniel and Revelation Are these claims justified Is there a valuable message in these books In this masterful book Dr Herold Weiss applies a lifetime of study teaching and writing on the Bible to helping readers understand apocalyptic literature and symbolism Avoiding the common error of simply finding something in recent history that can be tied to the text in some way he seeks the purpose of each of the writers Why when expected events failed to take place as predicted did the readers of these books still hold onto them as valuable What is it that they communicated to those readers and can we make use of it now Dr Weiss examines a number of apocalyptic sources some of

which you might not have regarded as apocalyptic He finds however that these writers are thinking and writing in a world of apocalyptic imagery From Ezekiel Zechariah and Daniel in the Old Testament to the synoptic gospels Paul's letters and the general epistles in the new Weiss outlines how understanding the apocalyptic view of the universe can be critical in understanding the message presented As with previous books by Dr Weiss such as *Meditations on According to John* and *Meditations on the Letters of Paul* this book provides a practical view of biblical theology in action He looks at both the broad overview of the message giving a framework and then fills in the details on a verse by verse passage by passage basis so the reader can see how individual statements and themes fit into a larger framework He concludes by pointing out how by understanding the work of the apocalypticists and following the examples of their readers we can find spiritual value and encouragement in these books This book is suitable as an introduction to apocalyptic literature or as a way of organizing one's thinking after reading a number of these books It would also be suitable for reading in an experienced small study group
